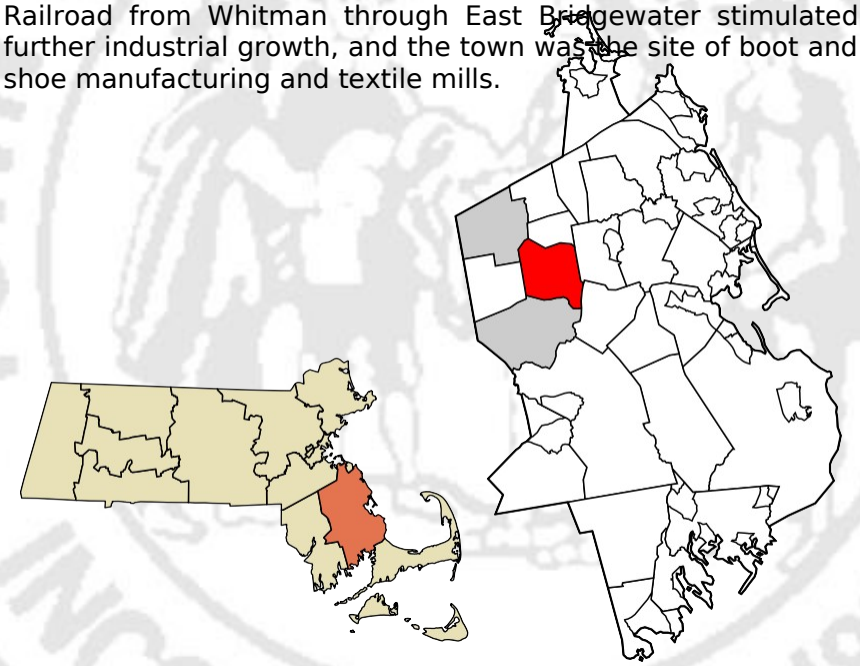
Town Offices
175 Central Street

On the 23rd of March 1649, the Indian chief Massasoit deeded to Miles Standish, Samuel Nash, and Constant Southworth, Commissioners appointed by the Colonial government at Plymouth, a tract of land which now includes the three Bridgewaters, Brockton (North Bridgewater), a part of Abington, and also of Hanson, for 7 coats, a yard and a half in a coat, 9 hatchets, 8 hoes, 20 knives, 4 moose-skins, and ten yards and a half of cotton. This contract was made and executed on a small hill (Sachem Rock) in East Bridgewater, a little distance south-east of where the E. Carver & Co's Gin Works building now stands, and on the farm called "Sachem Rock Farm", now the East Bridgewater Community Center and Council on Aging. This territory was called Satucket.

The Town of East Bridgewater was an early industrial inland town located on the northern portion of the Taunton River system. Situated in Plymouth County, the town's European community had been heavily damaged in King Philip's war. Nine of the ten homes in the area were destroyed during the fighting. Its' early economy was based on agriculture but the community did have both grist and sawmills, iron forges, and tanneries.

The Keith brothers iron slitting mill is reportedly one of the earliest reported in southeastern Massachusetts. The first triphammer to make scythes, axes and other edged tools was established in the town in 1740, and cannons and muskets for the revolution were made in East Bridgewater. The late 19th and early 20th century saw residential development along the trolley lines in the community. The Bridgewater Branch Railroad from Whitman through East Bridgewater stimulated further industrial growth, and the town was the site of boot and shoe manufacturing and textile mills.



COMMUNITY

COMMUNITY PROFILE 1

THE SELECT

To the Citizens of the Town of East Bridgewater,

The Select Board is pleased to provide an update on its actions and accomplishments for the year 2024.

On February 28, the Massachusetts School Building Authority (MSBA) approved East Bridgewater for a feasibility study and schematic design for proposed improvements to Central Elementary School. The School Building Committee, along with its sub-committees, finalized the draft "Request for Services" (RFS) documents, which were submitted to the MSBA. The Town issued the RFS for an Owner's Project Manager (OPM) at the end of March. Following this, the Building Committee conducted interviews with potential firms and, as scheduled, sought MSBA approval in early June. To conclude, the project is moving forward as planned, with key milestones being met, and the next steps will focus on securing the necessary approvals and move forward with the proposed improvements to Central Elementary School.

The Master Plan Committee collaborated closely with the Old Colony Planning Council (OCPC) staff to develop a comprehensive new Master Plan, replacing the previous version from 1988. The final report has been submitted to the State, and the East Bridgewater 2024-2034 Master Plan was officially adopted by the East Bridgewater Planning Board on July 15, 2024, in accordance with M.G.L. C. 41, § 81D. We extend our sincere gratitude to everyone who contributed to the development, writing, and editing of the Master Plan, including the Steering Committee members: Diane Phillips, Eric Norman, Jessica Henderson, Theresa McNulty, and Donald Nelson. Thanks to the collaborative efforts of our IT and DPW departments, East Bridgewater has been awarded $127,500 in funding for a Geographic Information System (GIS) project. This initiative will play a crucial role in mapping the Town's water department assets and other key infrastructure, enhancing efficiency, planning, and long-term management.

In addition, the Taunton River Stewardship Council awarded East Bridgewater a $4,500 River Stewardship Grant. This funding will help remove barriers along the Satucket River, making it easier for kayaks and canoes to pass through. A special thank you to Conservation Agent Alex Welch and Director of Public Works John Haines, who worked hard on the successful grant application. This work was completed in the fall of 2024.

We're also excited to announce the creation of a new Traffic Advisory Committee. This group will focus on studying traffic and pedestrian safety issues, gathering public input, conducting independent research, and reviewing recommendations related to transportation in East Bridgewater. We believe this committee will have a really positive impact on our community.

We are incredibly grateful to Town Administrator Charles Seelig, Assistant Town Administrator / HR Coordinator Rebecca Johnson, and Principal Clerk Ly Nguyen for their continued support throughout the year.

Lastly, we want to express our heartfelt thanks to all the town boards, committees, unions, and dedicated employees for your ongoing cooperation and hard work in support of the Town of East Bridgewater. We truly appreciate everything you do. The Select Board is honored to serve the people of East Bridgewater, and we're committed to continuing our close work with our financial team, department heads, and all boards and committees to provide the leadership and services that best serve our community.

Sincerely,

David Sheedy, Chair
Peter Spagone Jr., Vice-Chair
Carole Julius, Clerk

BOARD OF

To the Honorable Select Board and the Citizens of East Bridgewater.

The Board of Registrars held eight (8) registration sessions in the year 2024. The current members are Kathleen Cavanagh, Frank Ray, John Margie, Jr., and Katherine Wolfe.

Resident cooperation is greatly appreciated in the mandated yearly census. The local census information is used for determining federal and state reimbursements, legislative and local redistricting, veterans' benefits, voting purposes and student residency for state college tuition.

The Board of Registrars wishes to thank the residents of East Bridgewater for their cooperation in returning the completed form in a timely manner.

The following are the figures showing the number of registered voters in each precinct.

ACTIVE VOTERS

TOWN

SPECIAL TOWN MEETING
FEBRUARY 20, 2024

A legal meeting of the inhabitants of the Town of East Bridgewater, qualified to vote in elections and town affairs, was held at the East Bridgewater Jr/Sr High School Tuesday evening, February 20, 2024, at 7:00 P.M. under a Warrant issued by the Select Board and dated January 22, 2024.

Checking voters into the auditorium were Kristin Resendes and Marcia Weidenfeller. There were eighty-three (83) voters present. Tellers appointed by Moderator Robert Looney and sworn to duty by Interim Town Clerk Kathleen Cavanagh were Donald Nelson and Dale Julius. Non-voters present were Charles Seelig - Town Administrator, John Clifford - Town Counsel, Rebecca Johnson - Assistant to Town Administrative & Select Board, Michele Doll - Assistant Town Clerk, Paula Wolfe - Director of Assessing, Elizabeth Legault - Superintendent of Schools, William Silva – Principal EBHS, Jacquelyn Giroux – EMT, Ryan Caccavo – EMT, Larry Trim and Luke McCoy – Kaestle Boos Associates (Architect)

The Moderator called the meeting to order and read the list of non-residents at 7:02 P.M. The Moderator led the attendees in the Pledge of Allegiance.
Interim Town Clerk Kathleen Cavanagh read the opening of the Warrant and the Return of Service.

ARTICLE 1: Voted to appropriate $1,700,000, or any other sum, to pay costs of replacing the artificial turf field and track at the Jr/Sr High School, including the payment of all costs incidental and related thereto; and to determine whether this amount shall be raised by taxation, transfer from available funds, including stabilization funds, borrowing, or otherwise, or any combination of the foregoing.

David Walsh, Capital Improvement Planning Committee, stated that the committee had the same questions and concerns as the town's residents. Asking questions like do we use turf or grass? The committee did a vigorous review of how to fund this project so as not to take from the department's budget and not impact the town's residents; the interest in the capital stabilization fund was agreed upon for the use of payment for the project. Kathy Wolfe, 272 Laurel Street, requested the project's useful life. When will it be completed? Turf vs. actual soil?
Brian Kiely, Facilities Director, advised that turf should last approximately ten (10) years and have an eight (8) years warranty. The turf is now 12 years old. The school business manager has figures on how many activities occur on the field on a monthly/annual basis.
Luke McCoy, Kaestle Boos Associates, stated preferred the turf option over natural grass based on the amount of consistency of use and types of sports. The timing of all activities on the field determines what is best; natural grass is higher maintenance, which would be costly and take more time.
Kathy Wolfe, 272 Laurel Street, what will happen to the track?
Luke McCoy, Kaestle Boos Associates, stated the track was constructed ten (10) years ago and will be repaired and renovated with new rubber and resurfacing. Will be able to coat every ten (10) years vs. every five (5) years currently.

MOTION by Lauren Foster, School Committee: *I move that the Town appropriates $1,700,000 to pay costs of replacing the artificial turf field and track at the Jr/Sr High School, including the payment of all costs incidental and related thereto; that the artificial turf field shall be replaced with an artificial turf field; and that to meet this appropriation the Treasurer, with the approval of the Select Board, is authorized to borrow $1,700,000 under and pursuant to Chapter 44, Section 7(1) of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor; and that the Select Board is authorized to take any other action necessary to carry out this project.*

MODERATOR DECLARED MOTION PASSED

ARTICLE 3: Voted to reallocate $58,023.00 from 6/5/2023 Annual Town Meeting Article 16 (sick leave buy-back for a retiring firefighter) to Fire Department budget, Line 1-220-511-5140 Cover Sick.
MOTION by Craig Winsor, Deputy Fire Chief: *I move that the Town reallocate $58,023.00 from the 6/5/2023 Annual Town Meeting Article 16 (sick leave buy-back for a retiring firefighter) to Fire Department budget, Line 1-220-511- 5140 Cover Sick.*
MODERATOR DECLARED MOTION PASSED

MOTION TO ADJOURN MEETING AT 7:14

P.M.

PRESIDENTIAL PRIMARY
March 05, 2024

A legal meeting of the Town of East Bridgewater was held at the East Bridgewater Jr/Sr High School, 143 Plymouth St., on March 05, 2024, under a Warrant issued by the Select Board and dated February 10, 2020, to bring in their votes for the Presidential Primary.

Wardens in each precinct received 520 Ballots, 250 Democratic, 250 Republican, and 20 Libertarian. Receipts for the same were obtained. Ballot boxes were inspected by the Warden and Clerk of each precinct and found to be empty, and tabulators were registered at zero. According to law, instruction and penalty cards were posted, as were specimen ballots. The keys to the ballot boxes were given to the police officer on duty.

The following were sworn to faithful performance of their duties by Interim Town Clerk Kathleen Cavanagh: Precinct I: Warden - Jennifer Turner, Warden - Cheryl Wood, (D), Clerk - Elaine Meuse (D), Checkers - Patricia Short (U), Susan Margie (U), Maxine Tom (U). Precinct II: Warden - Melissa Schrader (U) Clerk - Elaine Sands (U), Checkers - Eleanor Floeck (U); Trista Higgins (U), Theresa Mithcell (U) and Barbara Maki (U). Precinct III: Warden - Lois Nelson (R), Clerk - Sharon Dunn (R), Checkers - Irene Andrews (U), Helen Crane (U), Kathleen Resmini (U) and Jessika Doll (U), Precinct IV: Warden
- Marcia Weidenfeller (U), Clerk - Marijo Martin (R), Checkers Jeanne Bennett (U), Kris Resendes (U), and Anthonio Resendes
(R) Additional Staff: Michele Doll, Catherine Chermesino and Candy Boyle.

There were a total of three thousand **one** hundred **forty** (3140) voters, one thousand one hundred eleven (1111) Democrats, one thousand nine hundred ninety-five (1995) Republicans, and thirty-four (34) Libertarian voters. These totals include absentee and early ballots cast. The total eligible voters at that time were eleven thousand three hundred five (11,305). 27.8% of the voters in town participated in the election.

Interim Town Clerk Kathleen Cavanagh announced the vote at 8:20 P.M. The following was the result upon completion of tabulation:

SPECIAL TOWN MEETING
MAY 13, 2024

A legal meeting of the inhabitants of the Town of East Bridgewater, qualified to vote in elections and town affairs, was held at the East Bridgewater Jr/Sr High School on Monday evening, May 13, 2024, at 7:00 P.M. under a Warrant issued by the Select Board and dated April 08, 2024.

Checking voters into the auditorium were Kristine Resendes and Marcia Weidenfeller. There were eighty-seven (87) voters present. Tellers appointed by Moderator Robert Looney and sworn to duty by Interim Town Clerk Kathleen Cavanagh were Donald Nelson, Scott Hastings, Dale Julius, and Sharon Dunn. Non-voters present were Charles Seelig - Town Administrator, John Clifford, and Chris Kenny - Town Counsel, Rebecca Johnson - Assistant Town Administrative/Human Resource Coordinator; Michele Doll - Assistant Town Clerk, Russell Hannigan – EBCAM, Alexander Welch – Conservation Agent, Jeanne Marie Joyce – Heath Agent, Christopher Buckley – Veterans Agent, Jason Trepenier – Water Superintendent, Paula Wolfe - Director of Assessing, Elizabeth Legault - Superintendent of Schools, Michael Kornoelje-Power – Executive Assistant to the Superintendent/School Committee, Thomas Andrade, Roy Andrade and Benjamin Adrade of Everett's Autobody.

The Moderator called the meeting to order and read the list of non-residents at 7:01 P.M. The Moderator led the attendees in the Pledge of Allegiance.

Carole Julius, Select Board, commended Robert Looney on his twenty years of service as Town Moderator. Interim Town Clerk Kathleen Cavanagh read the opening of the Warrant and the Return of Service.

TOWN

The Moderator indicated the non-voter section at the rear of the auditorium and instructed anyone wishing to speak to give their name and address.

ARTICLE 1: Voted to raise and appropriate or transfer from available funds the sum or sums of money from Account No. 1-0-359-3590 Free Cash required to meet obligations for union and personal contracts

MOTION by Carole Julius, Select Board: I move that the Town raise and appropriate or transfer from available funds $62,000.00 from Account No. 1-0-359-3590 Free Cash; $17,500.00 to Account No. 1-217- 511-5161, and $44,500.00 to Account No. 1-217-510-5149 to cover retro and signing bonus.

Julius explained that the funds would cover the costs associated with the new dispatcher contract.

TOWN

ANNUAL TOWN MEETING
MAY 13, 2024

A legal meeting of the inhabitants of the Town of East Bridgewater, qualified to vote in elections and town affairs, was held at the East Bridgewater Jr/Sr High School on Monday evening, May 13, 2024, at 7:00 P.M. under a Warrant issued by the Select Board and dated April 08, 2024.

Checking voters into the auditorium were Kristine Resendes and Marcia Weidenfeller. There were eighty-seven (87) voters present. Donald Nelson, Scott Hastings, Dale Julius, and Sharon Dunn were the tellers appointed by Moderator Robert Looney and sworn to duty by Interim Town Clerk Kathleen Cavanagh. Non-voters present were Charles Seelig - Town Administrator; John Clifford and Chris Kenny - Town Counsel; Rebecca Johnson - Assistant Town Administrative/Human Resource Coordinator; Michele Doll - Assistant Town Clerk; Russell Hannigan – EBCAM; Alexander Welch – Conservation Agent; Jeanne Marie Joyce – Heath Agent; Christopher Buckley – Veterans Agent; Jason Trepenier – Water Superintendent; Paula Wolfe - Director of Assessing; Elizabeth Legault - Superintendent of Schools; Michael Kornoelje-Power – Executive Assistant to the Superintendent/School Committee; Thomas Andrade, Roy Andrade and Benjamin Adrade - Everett's Autobody.

The Moderator called the meeting to order at 7:12 P.M.
The Moderator explained the 'Consent Agenda'.

MOTION by Peter Spagone Jr., Select Board: I move that the Town vote to take out of order Articles 1, 5, and 6, that they be "passed by consent" in accordance with the motions shown on the "2024 East Bridgewater Annual Town Meeting Consent Agenda" distributed to Town Meeting attendees this evening.

ARTICLE 1: Voted to accept the reports of its Officers, Boards, Departments, Committees, and Commissions, as printed in the 2023 Annual Report.

ARTICLE 5: Voted to authorize the Select Board to apply for state or federal grants, and to expend any monies received, as outlined in the appropriate grant application.

ARTICLE 6: Voted to fix the maximum amount that may be spent during the fiscal year 2025 beginning on July 1, 2024, for the revolving funds established in town by-laws for certain departments, boards, committees, agencies, or officers in accordance with Massachusetts General Laws Chapter 44, Section 53E.

Revolving Fund	Authorized to Spend	Use of Funds	Revenue Source	FY25 Limit
COA Programs & Mini- Bus	Council on Aging Board	Exclusively to defray expenses for COA programs and mini-bus repairs	Fees Rec'd	$10,000
Center at Sachem Rock Rental	Select Board	To provide funding for expenses associated with room rental at the Sachem Center	Fees Rec'd	$20,000
Recreation Commission Activities	Recreation Commissioners	To fund recreational activities, field and equipment repairs, and field development	Fees Rec'd	$40,000
Passport Photo Fees	Veterans' Agent	Expenses for photo supplies associated with the sale of passport photos.	Fees Rec'd	$3,000
Public Library	Library Trustees	Library Activities	Fees & Fines	$6,000

Charles Seelig, Town Administrator, briefly reviewed the Articles.
Kathy Wolfe, 27 Laurel Street, asked about the specified limits in Article 6.
Charles Seelig explained that funding is reviewed annually, and there is a provision in the General Laws

that allows the Select Board to increase the limit without going back to Town Meeting, if necessary.

VOTE REQUIRED: MAJORITY
MODERATOR DECLARED MOTION
PASSED

MOTION BY Peter Spagone Jr., Select Board: I move that the Town vote to pass over Articles 13, 14, and 18.

ARTICLE 13: To see if the Town will vote to appropriate and transfer from Account No. _____to Account No: _____the sum of $11,500.00 to cover the cost of Election Equipment that will provide enhancements that will streamline the election process ensuring a smoother and more efficient voting experience for the community; or take any other action thereon or in relation thereto.

ARTICLE 14: To see if the Town will vote to appropriate and transfer from Account No._____to Account No:_____a sum of money to cover the cost of Electrical upgrades to the Town Common; or take any other action thereon or in relation thereto.

ARTICLE 18: To see if the Town will accept the provisions of Massachusetts General Laws, Chapter 44, Section 53F ½ of the Massachusetts General Laws, establishing North Bedford Street Sewer District as an enterprise fund effective July 1, 2025, or take any other action thereon or in relation thereto.

VOTE REQUIRED: MAJORITY
MODERATOR DECLARED MOTION PASSED

ARTICLE 2: Voted to, under the provisions of the General Laws of Massachusetts, Chapter 41, §108, or any amendments thereto, to fix the salaries of all elected officials for Fiscal Year 2024 and raise and appropriate any sum or sums therefore, and further raise and appropriate any sum or sums of money for the maintenance of the several departments of the Town, and for other necessary charges, in accordance with the amount recommended by the Finance Committee as shown in the final column of the Omnibus Budget as set forth below.

MOTION By Daniel Picha, Finance Committee: I move that the Town fix the salaries of all elected officials for the Fiscal Year 2024 and appropriate funds for the payment of said salaries and compensation, including the approval and funding of the Town's obligations under the Collective Bargaining Agreements completed in the fiscal and calendar year, the payment of debt and interest, provide for a reserve fund, and for charges, expenses and outlays of the several town departments for the ensuing twelve (12) month

period through June 30, 2025; all as set forth in the budget presented by the Finance Committee, and, as funding therefor, to appropriate from Taxation the sum of $36,984,424, transfer the sum of $14,426,183 from Projected State Aid Receipts; the sum of $3,732,626 from Estimated Local Receipts; and to transfer from Ambulance Reserved Receipts account the sum of $1,000,000 and further the sum of $900,000 from free cash; $250,000 from overlay; the sum of $260,000 from general stabilization; and $155,044 from WPAT loan estimated receipts. $2,442,968 from Water Enterprise Estimated Receipts and $500,000 from Water Enterprise Retained Earnings. $1,473,263 from Solid Waste Enterprise Fund Estimated Receipts;
$100,000 From Solid Waste Enterprise Fund Retained Earnings; $270,000 From EBCAM Enterprise Fund Estimated Receipts; and $20,361 From EBCAM Enterprise Fund Retained Earnings. All to fund the budget as recommended by the Finance Committee as shown in the final column of Article 2 in the Warrant for the May 13, 2024, Annual Town Meeting. As part of this motion, the funding sources include a $5,029 increase to 01-610 Other Expenses of the Library, making the total library budget $661,455 and the total budget $62,514,869.

Kathy Wolfe, 272 Laurel Street, inquired about a $35,000 reduction in the EBCAM budget line.
Melanie Dean, Town Accountant, FY23 Actual due to EBCAM operating outside the Town. FY24 included an appropriation request for a significant project; there were no projects for FY25. There was no reduction from the requested amount for FY25.
Joseph Hayes, 320 Belmont Street, asked for an explanation of the budget process.
Daniel Picha, Finance Committee, explained that funds come from various sources: general taxation, state aid, local receipts, and enterprise funds.
The Town Moderator briefly explained the balancing of the budget and the dispersing of funds to each department. Associations, memberships, conferences = other expenses
Eleanor Dupuis, 66 Maple Avenue, inquired about the availability of salary information.
Charles Seelig stated information is available upon request submitted to the Town Accountant or Town Administrators' offices.
Kathy Wolfe, 272 Laurel Street, inquired about a $50,000 increase in requested and recommended general expenses for the Finance Committee.
Daniel Picha, Finance Committee, explained that the money is for reserved funds needed for unexpected expenditures. Kathy Wolfe, 272 Laurel Street, inquired about a decrease in the Treasurer's budget.
Melanie Dean, Town Accountant, explained the original budget for General Expenses based on previous years. The New Treasurer found an account historically underspent and submitted a revision to the budget.
Scott Hastings, 882 Washington Street, inquired about the estimate on page 6 vs the Actual Budget.
Melanie Dean, Town Accountant, advised that page 6 includes activity in articles other than Article 2, such as capital projects.
Kathy Wolfe, 272 Laurel Street, inquired about the duplicate line number for printing the Town Report and Electricity. Charles Seelig advised that the number was reassigned, as the Town now prints the Town Report in-house.
David Walsh, Capital Planning Committee, noted that the Town is allowed a 2.5% increase annually. All revenue received by the Town is indicated on page 6. Walsh also briefly explained free cash. Additionally, unused funds are returned to the town. Department budgets were reviewed line by line. All meetings are open to the public.
Jim Weidenfeller, 41 Leo Way, explained the levy versus property tax assessments and a tax override.
VOTE REQUIRED: 2/3RD SUPERMAJORITY
MODERATOR DECLARED MOTION PASSED BY 2/3RD

ARTICLE 3: Voted to raise and appropriate or transfer from available funds the sum or sums of money required to meet obligations for union and personal contracts.

MOTION by David Sheedy, Select Board: I move that the Town transfer from Free Cash, Account No. 1-0- 359-3590, the amount of $15,190.00; $15,000.00 to Account No. 1-217-511-5161 to fund signing bonus for the Police Department and $190.00 to Account No. 1-141-510-5170 for a stipend for the Assessor.
FINANCE COMMITTEE RECOMMENDS THIS ARTICLE
David Sheedy explained the money for police contracts and assessor certification.
VOTE REQUIRED: MAJORITY
MODERATOR DECLARED MOTION PASSED

TOWN

ARTICLE 4: Voted to raise and appropriate, transfer from available funds or otherwise provide the sums recommended, or any other sum or sums, for Capital Outlay for the Town Departments, as set forth in the following schedule and determine whether such sums will be provided by taxation or by transfer or by a combination thereof.

Department	Project	Amount	Funding
DPW - Water Department	Membrane filter replacement	40,900.00	Sewer Revolving
DPW - Facilities - Town Hall	Town Hall Break Room	21,250.00	Free Cash
DPW - Facilities - Town Hall	Building Inspector / IT Office renovation	21,250.00	Free Cash
DPW - Facilities - School	Lighting retrofit electrical upgrades	100,000.00	Free Cash
DPW - Road Repairs	Details attached	561,312.00	Free cash $61,312 / Capital stab $500,000
SCHOOL	Piano Lab	34,000.00	Free Cash
SCHOOL	Weight Room	31,401.00	Free Cash
SCHOOL	IT Switch Replacement	57,956.00	Free Cash
SCHOOL	IT Access point replacement	36,708.00	Free Cash
SCHOOL	Auditorium Projector / Electronics	40,510.00	Free Cash
Information Technologies	Town Wide User Device	60,000.00	Free Cash
Police Department	Taser Replacement	27,500.00	Free Cash

MOTION by David Walsh, Capital Improvement Planning Committee: I move that the Town vote to transfer from account 1-0-359-3590 Free Cash $491,887, transfer from account 80-0-359-3911 Capital Stabilization $500,000, and transfer from account 24-0-359-3021 Downtown Sewer Revolving $40,900 to fund the stated projects.
FINANCE COMMITTEE RECOMMENDS THIS ARTICLE
Walsh stated that the Capital Committee unanimously supported these capital projects.

MODERATOR DECLARED MOTION FAILED

ARTICLE 20: Voted to amend the Town of East Bridgewater General Bylaws by adding a new section Part Thirteen
(13) - Door to Door Solicitation, as follows:
Door-To-Door
Solicitation Section 1.
Title.
This article shall be known as the "Door-to-Door Solicitation Law of the Town of East Bridgewater." Section 2. Findings and intent.
A. Many residents complain to the Police Department each year about door-to-door solicitation. Some indicate that being the target of solicitation in their homes is annoying, intrusive, and unpleasant. Others are concerned at having strangers approaching their homes uninvited. Many seek assurance that the solicitors are known to Town officials and properly licensed.
B. This article is intended to regulate door-to-door sales by licensing sales agents; establishing a No Solicitation List; and promulgating reasonable time and manner restrictions on door-to-door solicitation, including enforcement of the No Solicitation List.
Section 3. Definitions.
The following words and phrases shall have the following meanings:
DOOR-TO-DOOR SALES — The in-person solicitation of sales of goods or services for present or future delivery by entry upon residential property, including multifamily or duplex residential property, or by soliciting persons located on residential property from a street, sidewalk or other adjacent property, without the prior invitation of the person to be solicited.
DOOR-TO-DOOR SALES PERMIT — A permit issued to a sales agent to engage in door-to-door sales in accordance with this article.
NO SOLICITATION LIST — A list of residential addresses in the Town, organized alphabetically by street name, indicating those residential properties placed on the list at the request of the owner or occupant indicating that he or she does not want sales agents to enter his or her property.
SALES ORGANIZATION — Any entity engaged in the supervision, recruitment, retention or employment of a salesperson or salespersons, including any person or representative thereof.
SALESPERSON — Any person engaged in door-to-door sales of goods or services for present or future delivery. SALES SUPERVISOR — Any person who directs or supervises a salesperson or salespersons engaged in door-to-door sales.
Section 4. Administration.
The Town of East Bridgewater door-to-door sales permit process shall be administered by the Chief of Police or the
Chief’s designee.
Section 5. Application requirements.
Each salesperson must submit an application signed under the penalties of perjury to the Chief of Police or designee along with a fee of fifty dollars ($50.00) payable to the Town of East Bridgewater to cover the cost of investigating and confirming the facts stated in the application. The application shall require:
(1) Government-issued photographic identification.
(2) Date of birth.
(3) Social Security number.
(4) Permanent residential address.
(5) Home telephone number.
(6) Temporary local address.
(7) Current cell phone number.
(8) Sales organization information and brief description of the business and/or goods to be sold.
(9) Sales supervisor identity.
(10) Make, model, color, and registration number of any vehicle(s) used to transport the sales agent, the salesperson’s
supervisor, or sales materials.
(11) Such other verifying information as may be reasonably
required. Section 6. Background check.
Subject to the provisions of the Massachusetts Criminal Records Offender Statute, MGL c. 6, § 167 et seq., and regulations promulgated thereunder, the East Bridgewater Police Department shall conduct a criminal record check of each applicant for a Town of East Bridgewater door-to-door sales permit to determine the applicant's fitness and suitability to conduct door-to-door sales.
Section 7. Investigation; Issuance of Permit

TOWN

GENERAL GOVERNMENT – TOWN CLERK

Within thirty (30) days of receipt of the application, the Chief of Police or designee shall investigate the facts contained in the application and review the background check. If, after such investigation and review, the Chief of Police or designee is satisfied that the applicant is of suitable character, the Chief of Police or designee shall issue the permit. In the event a permit is denied, the applicant may appeal the decision to the Select Board.

Section 8. Permit Length; Non-Transferable

Each permit issued under the provisions of this bylaw shall continue in force for one (1) year from the date of issuance (unless sooner revoked). Permits are not transferable.

Section 9. No Solicitation List.

A. The No Solicitation List shall be established and maintained by the East Bridgewater Police Department. Residents may submit their property for inclusion on the list without charge.

B. Upon approval and issuance of a Town of East Bridgewater door-to-door sales permit, each salesperson shall be provided with a copy of the No Solicitation List.

Section 10. Door-to-door sales regulations

A. No salesperson shall engage in door-to-door sales without first having applied for and received a Town of East Bridgewater door-to-door sales permit.

B. No sales organization shall allow any salesperson to engage in door-to-door sales who has not applied for and received a Town of East Bridgewater door-to-door sales permit.

C. No sales supervisor shall direct or supervise, direct, or allow any salesperson to engage in door-to-door sales who has not applied for and received a Town of East Bridgewater door-to-door sales permit.

D. No salesperson shall enter within the perimeter of any residential property included on the No Solicitation List. In addition to the fine(s) established below, inclusion of a residential property on the No Solicitation List shall constitute notice prohibiting trespass under MGL c. 266, § 120.

E. No salesperson shall solicit sales from a person situated within a residential property included on the No Solicitation List from a street, sidewalk or other adjacent property.

F. Each salesperson shall carry the Town of East Bridgewater door-to-door sales permit at all times while engaged in door-to-door sales and shall display said permit upon request by any police officer, Town official or any person present at a residential property where door-to-door sales are solicited.

G. No salesperson or supervisor shall use any vehicle to transport persons or materials for door-to-door sales unless said vehicle is identified in the Town of East Bridgewater door-to-door sales permit application and the exterior of said vehicle is marked with the name of the sales organization and the words "door-to-door sales." All required information shall be in letters a minimum of four inches in height on both sides of the vehicle.

H. Door-to-door sales shall not be conducted except during the hours between 9:00 a.m. and dusk. Section 11. Violations and penalties; Revocation/Suspension

A. Each violation of any provision of this article shall be punished by a fine not to exceed $300.

B. The Chief of Police or designee may revoke and/or suspend a permit after providing notice of a hearing via hand delivery or certified mail at least five (5) days prior to said hearing. The Chief of Police or designee may suspend a permit immediately without notice and a hearing if it is determined public safety and/or welfare so requires. Should a permit be suspended immediately, a hearing with the above notice requirements shall be held within ten (10) days of said suspension.

Section 12. Severability.

The invalidity of any portion or portions of this article shall not invalidate any other portion, provision or section thereof. ***MOTION by Carole Julius, Select Board: I move that the Town vote to approve the Door-To-Door Solicitation by-law as written in the warrant.***

Carole Julius, The by-law was approved at last year's Town Meeting. The Attorney General requested changes be incorporated.

Kathy Wolfe, 272 Laurel Street, believes the Article is ridiculous. The requirements are an unbelievable amount of work. Charles Seelig advised (2) that the changes are the time limit for the police department's decision and the criteria for permit issuance.

David Philips, 215 Plymouth Street, spoke about an individual trying to gain access to his home while his daughter was home alone.

Joseph Hayes, 320 Belmont Street, suggested increasing permit fees and using a website similar to those contractors use to request permits.

Kevin Endicott, 389 West Union Street, feels a CORI check is over the top.

Michael Jenkins, Chief of Police, confirmed complaints about suspicious activity and overaggressive salespeople. Most solicitors do register and provide an ID. This will create more work for the department, but it is up to the Town to decide. Charles Seelig stated the bylaw applies to organized sales organizations and excludes charitable solicitation.

ARTICLE 23: Voted to amend the Town of East Bridgewater General Bylaws by adding a new section Part Twelve –
Poultry Bylaw, as follows
a.) For purposes of this By-Law, the term “Poultry” shall be defined as Domesticated animals of the poultry family, including but not limited to chickens, hens, turkeys, roosters, ducks, geese, pheasants, guinea fowl, peafowl, partridges, quail, pigeons, doves, etc. For this regulation, ratites (ostriches, emus, and large flightless birds) shall be included as members of the poultry family.
b.) This By-Law sets forth the regulations for keeping poultry within the Town's limits on any property by a person who is the owner, lessee, tenant, or occupant, except for properties exempt from such regulation under Massachusetts General Laws, Chapter 40A, Section 3.
c.) Poultry shall not be kept on any property that does not contain an occupied residence.
d.) Feed must be stored in a rodent-proof container, and all waste materials must be properly composted on-site or disposed of to be composted.
e.) Poultry must be provided with fresh water, clean feed, one nesting box per six (6) fowl, a roost bar, and security from predators.
f.) Poultry must be physically contained within the property of the poultry owner.
g.) Violations and Enforcement:
1st offense: Warning
2nd offense: $50
3rd and every subsequent offense: $100
This By-Law shall be enforced by the Animal Control Officer.

TOWN

GENERAL GOVERNMENT – TOWN CLERK

MOTION by Dan Batchelder, Agricultural Commission: I move that the Town amend the Town of East Bridgewater General Bylaws by adding a new section Part Twelve – Poultry Bylaw as written in the warrant.
VOTE REQUIRED: MAJORITY
MODERATOR DECLARED MOTION PASSED BY MAJORITY

ARTICLE 24: Voted to amend the Town of East Bridgewater Zoning Bylaws Section 5 (E) by adding new language in
bold as follows:
E. DISTRICT R-5 (RESIDENCE 5): (16-5/8/89)
(AN ADULT RETIREMENT PLANNED UNIT DEVELOPMENT (ARPUD) DISTRICT)
-This district is an overlay district applicable to all zones of the town except for those areas within a WATERSHED PROTECTION DISTRICT **unless the proposed project will utilize a fully approved and permitted three phase wastewater processing plant.** (22-10/30/00)(20-06/23/30)
(6). SITE DEVELOPMENT STANDARDS
(d). Within the ARPUD all utilities shall be installed underground. Each site shall be provided with water, electric, telephone and cable television services. Natural gas service may be installed as an option as determined by the applicant. Each site shall be provided with a sanitary sewer service for the disposal of sanitary wastewater. The method of sanitary wastewater disposal shall conform with the requirements of the East Bridgewater Board of Health and all
Massachusetts Sanitary Codes and shall be approved by the East Bridgewater Board of Health. **If the proposed project site is located within a Watershed (Aquifer) Protection District, then a fully approved and permitted three phase wastewater processing plant shall be required.** No underground storage of petroleum products shall be allowed, and additionally, all storage of such products shall be within the structure.

MOTION by Kevin Reilly, Planning Board: I move that the Town amend the Town of East Bridgewater Zoning Bylaws Section 5 (E) by adding new language in bold as written in the warrant.
Reilly advised that a Public Hearing was held on May 6, 2024, and the Planning Board unanimously voted to recommend accepting this Article. The article would allow development within a watershed district with an appropriate wastewater treatment plant.
VOTE REQUIRED: 2/3RD SUPERMAJORITY
MODERATOR DECLARED MOTION PASSED

ARTICLE 25: Voted to amend the Town of East Bridgewater Zoning Bylaws Section 5 by adding a new section Z-1. Salvage Yard Overlay District for Thatcher Street as follows:
Z-1. SALVAGE YARD OVERLAY DISTRICT
The Z-1 Salvage Yard Overlay Zone permits the use of land therein for a salvage or junk yard as defined in this Section. The applicant shall have the option of applying for Site Plan Approval pursuant to the zoning controls set forth in this Section or of complying with all applicable dimensional zoning controls set forth in the Zoning Bylaw of the Town of East Bridgewater for the underlying zoning district(s). Development projects proceeding under this Section shall be governed solely by the provisions of this Section and shall be deemed exempt from the standards and/or procedures of the underlying zoning except for those of Section 13, Site Plan Approval. All existing salvage or junkyards located on properties within the Salvage Yard Overlay Zone and current site development thereof shall be grandfathered and shall not require any approvals unless in the event of the filing of an application to allow for an expansion of existing buildings on such properties.
1. *Establishment and Delineation of Salvage Yard Overlay District*. The Salvage Yard Overlay District is an overlay district that is superimposed over the underlying zoning districts. The boundaries of the Salvage Yard Overlay are delineated as the "Salvage Yard Overlay District" on the official zoning map of the Town of East Bridgewater on file in the office of the Town Clerk, which map is hereby made a part of the zoning bylaw.
2. *General Requirements*. The regulations of this section shall apply only to a salvage or junkyard use, and not to any other use that is allowed or permitted in the zoning district; all other uses shall be subject to the requirements of the underlying zoning district.
3. *Principal Permitted Uses*.

a) Any use permitted in an Industrial Zone or Industrial 1 Overlay District.
b) Salvage Yards or Junkyards. Salvage yards or junkyards by definition shall mean and include automobile salvage and wrecking operations, outdoor storage and junk yards including the wholesale and

retail sale of vehicle parts new or used

and scrap; open lot storage of junk, scrap, used, wrecked, or junk vehicles, parts, tires, and other similar salvaged articles including petroleum-based salvage accessory to wrecking and junking operations; together with the sale of used or salvaged trucks and motor vehicles ("Salvaged Articles"). Open lot storage shall not exceed thirty (30) feet in height.
There shall be no storage of Salvaged Articles within twenty-five (25) feet of any lot line or within ten (10) feet of any building. Storage may be conducted indoors and the property may contain retail offices for the sale of used or new vehicles, parts new or used, and scrap.
4. *Permitted Accessory Uses*.
Any accessory use permitted in the industrial Zone or Industrial 1 Overlay District.
5. *Standards.* The following dimensional standards shall apply to building within the Z-1 Salvage Yard Overlay District:

Building Height (maximum)	Three (3) stories or thirty-five (35) feet, or as authorized by special permit by the Planning Board as Special Permit Granting Authority
Lot area (minimum)	None
Lot frontage (minimum)	None
Lot depth (minimum)	None
Yards (minimum)	None
Front	None
Side	None
Rear	None
Floor area ratio	None
Off-street parking	As per Table 6, Manufacturing and Warehousing and Office Space incidental thereto. No additional parking spaces shall be required for other Salvage Yard uses
Off-street loading	One
Green Space (minimum)	As determined by the Planning Board, not to exceed five (5) percent, including a suitable twenty-five (25) foot vegetated or screened buffer abutting residential property.
Buildings on a Lot	Multiple buildings shall be allowed on any site within the Overlay Zone that may be connected or have a setback from existing buildings of no less than ten (10) feet.

6. *Parking.* Off-street parking and loading for a Salvage Yard
shall comply with the following standards and provisions:
a) Off-street parking spaces shall have a minimum width of nine (9) feet and a minimum depth of eighteen (18) feet, except that when any part of a building column or light pole intrudes into a parking space that space shall have a minimum depth of sixteen (16) feet. There shall be adequate provisions for ingress and egress to all parking spaces. Access drives or driveways shall not be less than twelve (12) feet wide.

TOWN

GENERAL GOVERNMENT – TOWN CLERK

7. *Signs.* All existing signs are grandfathered. The following types of signs shall be permitted in connection with a salvage yard.

a) One (1) freestanding (pylon) sign subject to the following requirements:
   (i) Maximum height - forty (40) feet.
   (ii) Maximum sign area- three hundred (300) square feet per side.
   (iii) Minimum distance from lot lines-ten (10) feet.
   (iv) Illumination shall be either by a steady, stationary light

shielded and directed solely at the sign, by interior, non-exposed lights, or as an electric sign, or a combination thereof

b) Wall signs identifying or advertising the salvage yard and uses within the salvage yard, provided that no wall sign shall extend higher than the top of the roof or parapet wall and that no more than fifteen (15) percent of any individual wall facade may be covered with such signs.

c) The area of a sign shall include all lettering, wording, and accompanying designs and symbols, together with the background on which they are displayed, any frame around the sign, and any "cutouts" or extensions, but shall not include any supporting structure or bracing.

d) Signs need not be located on the same lot as the identified use, provided that such signs shall be (i) installed pursuant to an easement or license agreement with the owner of the off-site property and (ii) located within the Z-1 Salvage Yard Overlay district.

MOTION by Kevin Reilly, Planning Board: I move that the Town amend the Town of East Bridgewater Zoning Bylaws Section 5 by adding a new section Z-1. Salvage Yard Overlay District for Thatcher Street as written in the warrant.

Reilly advised that a Public Hearing was held on May 6, 2024, and the Planning Board unanimously voted to recommend accepting this Article. It brings regulations to non-conforming uses to establish standards.

VOTE REQUIRED: 2/3RD SUPERMAJORITY

MODERATOR DECLARED MOTION PASSED 2/3RD SUPERMAJORITY

ARTICLE 27: Voted to amend the Town of East Bridgewater Zoning Bylaws Section 13. Site Plan Approval by deleting the current language in its entirety and replacing it with new language as follows:

(0). INTENT
This section is intended to give the Town of East Bridgewater a tool to be used in both setting forth acceptable standards for regulating the uses within the lands zoned business or industrial (and certain specific uses in other zoning districts), and determining, as an integral part of the existing building permit issuance process, that said standards have been satisfied.
This section is not intended to impose impermissible restrictions on an allowed use, but is a method to assure, prior to issuance of a building permit, that all of the Zoning By-Laws will be satisfied, and that reasonable standards for development of the land in the best interest of the public have been followed. Therefore, the Planning Board is herein charged with administering this SITE PLAN APPROVAL Section.
(1). ADMINISTRATIVE PROCEDURES
(a). Any person desiring approval of a Site Plan under this Section shall submit said Plan, which shall be prepared by a registered civil engineer, together with ten (10) copies thereof, when filing a building permit application with the Building Inspector. An Application Fee in the amount of $200.00 shall be due and payable at the time of filing.
(b). The Building Inspector shall forward to the Planning Board seven (7) copies of the Site Plan for review in accordance with the requirements of this Section.
(c). The Site Plan shall show, at a minimum, zoning boundaries, existing and proposed topography, all existing and proposed buildings and their uses, elevations, parking areas, loading areas, driveway openings, service areas and all other open space areas, all facilities for sewage, refuse and other waste disposal, and for surface and subsurface water drainage and all landscape features (such as walks, planting areas with size and type of stock, trees and fences), lighting fixtures and patterns and signs on the lot. The Site Plan shall also show the name of the owner (and applicant, if different) and shall contain title and assessors references.
(d). The Planning Board shall within twenty-five (25) days of the filing of the building permit application, respond to the Building Inspector with a written recommendation regarding issuance of the Building Permit. In the case of the recommended disapproval of any Site Plan, the Planning Board shall provide a written statement setting forth the reasons for disapproval. If for any reason the Planning Board fails to respond within the time period set forth herein, the Building Inspector shall process the application for building permit as required.
(e). All appeals sought under this section shall proceed as set forth in Section 9 of the Zoning Act (Massachusetts General Laws, Chapter 40A, Section 9), with an appeal filing to the Board of Appeals.

(2). SITE PLAN STANDARDS
In reviewing the Site Plan, the Planning Board shall, at a minimum, consider the following matters:
(a). Protection of adjoining premises against detrimental or offensive uses on the site;
(b). Compliance with all applicable provisions of the Zoning By-Laws of the Town of East Bridgewater;
(b). Convenience and safety of vehicular and pedestrian movement within the site, and in relation to adjacent streets, property or improvements;
(c). Adequacy of the methods of disposal for sewage, refuse and other wastes resulting from the uses permitted or permissible on the site, and the methods of drainage for surface water;

(d). Adequacy of off-street parking for the use(s) proposed;
(e). Adequacy of space for the off-street loading and unloading of vehicles, goods, products, materials and equipment incidental to the normal operation of the establishment;
(f). Proper use of the site with respect to unit density and proximity of adjacent buildings to each other; and
(g). The adequacy of lighting to maintain a safe level of illumination on the site and whether lighting is properly shielded to protect adjacent properties.
The Planning Board may, as part of the review process, require the Applicant to provide renderings which illustrate buildings or conditions located or to be located on the subject property and/or narrative assessments of the on-site and off-site impacts of the proposed project. The Planning Board may require that such materials be prepared by qualified professionals.
(3). AUTHORITY OF THE BOARD
The Planning Board may deny Site Plan Approval if any proposed project is deemed not to meet standards for health, safety, welfare and amenities appropriate to the maintenance and preservation of health, safety, welfare and amenities in relation to adjacent and other properties in the immediate area of the subject property.
Failure by the applicant to submit any of the materials which may be required by the Planning Board may likewise constitute grounds for denial of Site Plan Approval.

MOTION by Kevin Reilly, Planning Board: I move that the Town amend the Town of East Bridgewater Zoning Bylaws Section 13. Site Plan Approval by deleting the current language in its entirety and replacing it with new language as written in the warrant and also amend the language as written in the warrant in red.

(1). ADMINISTRATIVE PROCEDURES

(a). Any person desiring approval of a Site Plan under this Section shall submit said Plan, which shall be prepared by a registered civil engineer, together with ten (10) copies thereof, when filing a building permit application with the Building Inspector. An Application Fee in an amount as may from time to time be established by the Planning Board shall be due and payable at the time of filing.

Reilly advised that a Public Hearing was held on May 6th, and the Planning Board unanimously voted to recommend accepting this Article. This change (1) Better spells out submission materials in support of an application for site plan approval and (2) standards and conditions the board will consider.
VOTE REQUIRED: 2/3RD SUPERMAJORITY
MODERATOR DECLARED MOTION PASSED 2/3RD SUPERMAJORITY

ARTICLE 28: Voted to amend The Town of East Bridgewater General Bylaws Part Three, Section XIV (a) by adding the following language:
Add a new Section e.
e. Waiver of Enforcement: The Select Board acting as the waiver granting authority may grant a waiver of enforcement allowing one or more permits to be issued providing that the principal who is delinquent in tax payments meets the following requirements:

1. Applicant has presented to the waiver granting authority a completed Application for Waiver Form.
2. Applicant has presented to the waiver granting authority a comprehensive summary of financial hardship and either a. or b. below.
    a. Applicant has presented verifiable evidence that non-issuance of the requested permit(s) to make critical repairs will directly impact the current habitability of the subject property.
    b. Applicant has presented verifiable evidence that non-issuance of the requested permit(s) to make critical repairs will directly impact the planned future marketability of the subject property.

Upon favorable action by the permit granting authority to grant the requested waiver a confirming document shall be issued to all applicable departments indicating that said waiver has been granted.
In all cases where a waiver has been granted said waiver shall expire no later than 12 months after the granting date, or after all of the work petitioned in the original waiver application has been completed, whichever event comes first.
Additional waiver(s) may be applied for under this section providing that the new waiver request fully complies with this section.

TOWN

GENERAL GOVERNMENT – TOWN CLERK

MOTION by Roy Gardner, Planning Board: I move that the Town amend The Town of East Bridgewater General Bylaws Part Three, Section XIV (a) by adding language as written in the warrant.
Gardner advised that the town currently has a bylaw denying permits to those in tax arrears. The Attorney General recommended a written waiver process.
VOTE REQUIRED: MAJORITY
MODERATOR DECLARED MOTION PASSED

ARTICLE 29: Voted to amend the Town of East Bridgewater Zoning Bylaws Section 7. Enforcement by adding new language in **bold** as follows:
SECTION 7. ENFORCEMENT
This By-Law, **as well as any approval, decision, or permit granted pursuant to it**, shall be enforced by the Building Inspector or if there is none, by the Select Board who shall grant no permit for the construction, alteration, relocation, occupancy or use of any building, structure or premises in violation of any provision of this By-Law. Whenever any permit or license is refused because of some provision of this By-Law, the reason therefor shall be clearly stated in writing.
The enforcing officer shall institute appropriate legal proceedings to enforce the provisions of this By-Law or to restrain by injunction any violation thereof, or both, and shall do all further acts, revoke the permit occupancy, institute and take any and all such action as may be necessary to enforce the provisions of this By-Law.
With each application for a permit to build there shall be filed a plan drawn to scale showing a lot, the area, and location of which justify the building. No building hereafter erected, altered or relocated shall be used and no change shall be made for the use of any building or of any parcel of land, unless an occupancy permit signed by the enforcing officer had been granted to the owner or occupant of such land or building. Such permit shall not be granted unless the proposed use of the land or building and all accessory uses comply in all respects with this By-Law and no use shall be made of such land or building except the use or uses authorized by such occupancy permit.
Whosoever is convicted of a violation of any provision by this By-Law shall be subject to a penalty in an amount not to exceed One Hundred Dollars ($100.00) for each offense. Each day that a violation continues shall constitute a separate offense.
MOTION by Kevin Reilly, Planning Board: I move that the Town amend The Town of East Bridgewater General Bylaws Part Three, Section XIV (a) by adding language as written in the warrant.
Reilly advised that a Public Hearing was held on May 6th, and the Planning Board unanimously voted to recommend accepting this Article. The change confirms the authority of the Building Commissioner.
VOTE REQUIRED: 2/3RD SUPERMAJORITY
MODERATOR DECLARED MOTION PASSED

SUPERMAJORITY MOTION TO ADJOURN MEETING AT 8:45

P.M

TOWN OF EAST BRIDGEWATER
ANNUAL TOWN ELECTION
May 18, 2024

A legal meeting of the Town of East Bridgewater was held at the East Bridgewater Jr/Sr High School, 143 Plymouth St. on May 18, 2024 to bring in their votes for the Election of Town Officers under a Warrant issued by the Select Board and dated, April 22, 2024

Wardens in each precinct received 300 ballots and receipts for same were obtained. Ballot boxes were inspected by the Warden and Clerk of each precinct and found to be empty and tabulators registered at zero. The keys to the ballot boxes and tabulators were given to the police officer on duty.

The following were sworn to faithful performance of their duties by Interim Town Clerk, Kathleen Cavanagh: Precinct I: Jennifer Turner - Warden, Elaine Meuse - Clerk; Patricia Short, Susan Margie and Maxine Tom. Precinct II: Cheryl Wood - Warden; Kristine Resendes and Trista Higgens - Clerks; Theresa Mitchell, Helen Crane and Melissa Blood; Precinct III, Lois Nelson - Warden; Sharon Dunn - Clerk; Eleanor Floeck, Norma Callahan and Barbara Maki; and Mary Langer; Precinct IV, Marcia Weidenfeller - Warden; Marijo Martin - Clerk; Jeanne Bennette, Antonio Resendes and Mary Langer; Michele Doll – Assistant Town

Specimen ballots, penalty, and instruction cards were posted according to law, as were the machine tapes that showed zero totals. The polls were declared open at 11:00 a.m. and closed at 7:00 P.M.

The total number of eligible voters qualified to vote at the time of the election was eleven thousand three hundred thirty-seven (11,337) of that total, nine hundred twenty-six (926) actually voted. The total number of absentee votes cast per precinct are as follows; Precinct I – three (3), Precinct II – two (2), Precinct III – three (3), Precinct IV – six (6). Eight percent (8%) of the voters participated in the election.

Interim Town Clerk Kathleen Cavanagh announced the total vote at 7:30 P.M. The following was the result upon completion of tabulation.

STATE PRIMARY
September 03, 2024

A legal meeting of the Town of East Bridgewater was held at the East Bridgewater Jr/Sr High School, 143 Plymouth St., on September 03, 2024, under a Warrant issued by the Select Board and dated August 22, 2024, to bring in their votes for the State Primary.

Wardens in each precinct received 550 Ballots, 250 Democratic, 250 Republican, and 50 Libertarian. Receipts for same were obtained. Ballot boxes were inspected by the Warden and Clerk of each precinct and found to be empty, and tabulators were registered at zero. Instruction and penalty cards were posted according to law, as were specimen ballots. The keys to the ballot boxes were given to the police officer on duty.

The following were sworn to faithful performance of their duties by Town Clerk, Kathleen Cavanagh: Precinct I: Warden - Jennifer Turner, Clerk - Elaine Meuse (D), Trista Higgins (R) Checkers - Patricia Short (U), Maxine Tom (U). Precinct II: Warden - Melissa Schrader (U), Clerk - Elaine Sands (U), Checkers - Theresa Mithcell (U), Helen Crane (U), and Barbara Maki (U). Precinct III: Warden - Lois Nelson (R), Clerk - Sharon Dunn (R), Cheryl Wood, (D), Checkers - Irene Andrews (U), Helen Crane (U), Precinct IV: Warden - Marcia Weidenfeller (U), Clerk - Marijo Martin (R), Kris Resendes (U), Checkers Jeanne Bennett (U), Kathleen Resmini (U) and Anthonio Resendes (U); Additional Staff: Michele Doll, Mellissa Blood.

There were a total of one thousand five hundred forty-eight (1548) voters, eight hundred sixty-seven (867) Democrats, six hundred seventy-two (672) Republicans, and nine (9) Libertarian voters. These totals include absentee and early ballots cast. The number of total eligible voters at that time was eleven thousand five hundred forty (11,540). A total of 13.4% of the voters in town participated in the election.

Town Clerk, Kathleen Cavanagh, announced the vote at 9:00 P.M. The following was the result upon completion of tabulation:

TOWN

SPECIAL TOWN MEETING
OCTOBER 07, 2024

A legal meeting of the inhabitants of the Town of East Bridgewater, qualified to vote in elections and town affairs was held at the East Bridgewater Jr/Sr High School, Monday evening, October 07, 2024, at the East Bridgewater Jr/Sr High School at 7:00 P.M. under a Warrant issued by the Select Board and dated September 09, 2024

Checking voters into the auditorium were Kristin Resendes, Lois Nelson, Jeanne Bennett, and Marcia Weidenfeller. There were one hundred sixty-four (164) voters present. Tellers appointed by Moderator Robert Looney and sworn to duty by Town Clerk Kathleen Cavanagh were Donald Nelson, Thomas Hamilton, James Weidenfeller, and Dale Julius. Non-voters present were Charles Seelig - Town Administrator; John Clifford - Town Counsel; Christopher Kenny - Town Counsel; Rebecca Johnson - Assistant to Town Administrative & Select Board; Paula Wolfe - Director of Assessing; Russell Hannigan – EBCAM; Patrick Franey – Building Commissioner; Jessica Henderson – Library Director; Jason DesRosier – Old Colony Planning; William Benner.

The Moderator called the meeting to order and read the list of non-residents at 7:06 P.M. The Moderator led the attendees in the Pledge of Allegiance. The Town Clerk, Kathleen Cavanagh, read the opening of the Warrant and the Return of Service. The Moderator requested attendees turn off their cell phones.

ARTICLE 1: Voted to raise and appropriate or transfer from available funds the sum or sums of money required to meet obligations for union and personal contracts.

MOTION by David Sheedy, Select Board: *I move that the Town vote to raise and appropriate the total sum of*
$37,200.00 with $13,200.00 to Account No. 1-610-510-5160 Library Salaries; $8,000.00 to Account No. 1-555-510-5114 IT Director Salaries, $10,000.00 to Account No. 1-122-510-5126 Select Board Clerical Salaries; and $6,000.00 to Account No. 1-910-510-5175 Health Insurance to meet obligations for union and personal contracts.

THE FINANCE COMMITTEE UNANIMOUSLY APPROVES THIS ARTICLE
MODERATOR DECLARED MOTION PASSED BY MAJORITY

ARTICLE 2: Voted to rescind the authorization(s) to borrow $295,000 from Article 17 of the Annual Town Meeting of May 9, 2022, and $1,475,197 from Article 36 of the Annual Town Meeting of June 23, 2020, for a total rescinded authorization to borrow amount of $1,770,197.

MOTION by Melanie Dean, Town Accountant: *I move that the Town vote to rescind the authorization(s) to borrow $295,000 from Article 17 of the Annual Town Meeting of May 9, 2022, and $1,475,197 from Article 36 of the Annual Town Meeting of June 23, 2020, for a total rescinded authorization to borrow amount of $1,770,197*

Melanie Dean, Town Accountant - advised that the money came from the Town Hall/Police Department generator project, which came under budget, and 57% of the funding came from MSBA for the Central School roof project.

THE FINANCE COMMITTEE UNANIMOUSLY APPROVES THIS ARTICLE
MODERATOR DECLARED MOTION PASSED BY 2/3RD

ARTICLE 3: Voted to rescind the following funding sources as voted as part of Article 2 of the Annual Town Meeting on May 13, 2024 - $500,000 from water enterprise fund retained earnings and $20,361 from EBCAM enterprise fund retained earnings.

MOTION by Melanie Dean, Town Accountant: *I move that the Town vote to rescind the following funding sources as voted as part of Article 2 of the Annual Town Meeting on May 13, 2024 - $500,000 from water enterprise fund retained earnings and $20,361 from EBCAM enterprise fund retained earnings.*

Melanie Dean, Town Accountant - advised rescinding it due to DOR requirements and revoting it in Article 4.

THE FINANCE COMMITTEE UNANIMOUSLY APPROVES THIS ARTICLE
MODERATOR DECLARED MOTION PASSED BY MAJORITY

ARTICLE 4: Voted to fund the fiscal year 2025 operating budgets of the water enterprise fund with $500,000 of retained earnings, and the EBCAM enterprise fund with $20,361 of their retained earnings, as certified on August 30, 2024.

MOTION by Melanie Dean, Town Accountant: *I move that the Town vote to fund the fiscal year 2025 operating budgets of the water enterprise fund with $500,000 of retained earnings, and the EBCAM enterprise fund with $20,361 of their retained earnings, as certified on August 30, 2024.*

Jim Weidenfeller – 41 Leo Way – Asked to have it explained why we are adding money into our enterprise fund when they are supposed to be self-sufficient.

Melanie Dean, Town Accountant - explained no general fund money is used, but rather revenue over expenses from the prior year is used to fund the enterprise fund.

THE FINANCE COMMITTEE UNANIMOUSLY APPROVES THIS ARTICLE
MODERATOR DECLARED MOTION PASSED BY MAJORITY

ARTICLE 5: Voted to raise and appropriate funds the sum of $2,800.00 to Account # 1-541-510-5126, Clerical Salaries to fund special longevity request for a staff member in the Council on Aging Department.

MOTION by Peter Spagone, Jr., Select Board, Select Board: *I move that the Town vote to raise and appropriate funds the sum of $2,800.00 to Account # 1-541-510-5126, Clerical Salaries to fund special longevity request for a staff member in the Council on Aging Department.*

ARTICLE 14: To see if the Town will vote to amend the Zoning Bylaws of the Town of East Bridgewater by adding a new section, Section 16: MBTA Communities North - Single and Multi-family Overlay District as written

Section 16: MBTA Communities North - Single and Multi-family Overlay District

A. Purpose

The purpose of the MBTA Communities North - Single and Multi-family Overlay District (MBTAODN) is to allow single and multi-family housing as of right in accordance with Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A). This zoning provides for as of right single and multi -family housing (high-density zoning) to accomplish the following purposes:

1. To provide an option for smaller lot single family residences with a goal of providing more reasonable cost smaller single family homes.
2. To provide an option for smaller lot duplex residential homes with a goal of providing more reasonable cost homes.
3. To provide options for larger scale multifamily residential housing with a goal of providing more reasonable cost housing options.
4. To offer mixed use development to foster both walkable neighborhoods in conjunction with more reasonable cost housing.

B. Establishment and Applicability

This MBTAODN consists of two separate overlay districts having a total land area of approximately 116.15 acres in size that is superimposed over the underlying zoning district (s) and is shown on the Zoning Map.

1. **Applicability of MBTAODN.** An applicant may develop single and multi-family housing located within a MBTAODN in accordance with the provisions of this section.
2. **Underlying Zoning.** The MBTAODN is an overlay district superimposed on underlying zoning districts. The regulations for use, dimension, and all other provisions of the Zoning [Bylaw/Ordinance] governing the respective underlying zoning district(s) shall remain in full force, except for uses allowed as of right or by special permit in the MBTAODN. Uses that are not identified in Section 16 are governed by the requirements of the underlying zoning district(s).

C. Definitions.

For purposes of this Section 16, the following definitions where applicable shall apply.

1. **Affordable unit.** A multi-family housing unit that is subject to a use restriction recorded in its chain of title limiting the sale price or rent or limiting occupancy to an individual or household of a specified income, or both.
2. **Affordable housing.** Housing that contains Affordable Units as defined by this Section 16.
3. **Applicant.** A person, business, or organization that applies for a building permit, Site Plan Review, or Special Permit.
4. **Area Median Income (AMI).** The median family income for the metropolitan statistical region that includes the Town of East Bridgewater, as defined by the U.S. Department of Housing and Urban Development (HUD).
5. **As of right.** Development that may proceed under the Zoning in place at time of application without the need for a special permit, variance, zoning amendment, waiver, or other discretionary zoning approval.
6. **Building coverage.** The maximum area of the lot that can be attributed to the footprint of the buildings (principal and accessory) on that lot. Building Coverage does not include surface parking.

TOWN

GENERAL GOVERNMENT – TOWN CLERK

7. **Compliance Guidelines.** Compliance Guidelines for Multi-Family Zoning Districts Under Section 3A of the Zoning Act as further revised or amended from time to time.

8. **DHCD.** The Massachusetts Department of Housing and Community Development, or any successor agency.

9. **Development standards.** Provisions of **Section 16 G. General Development Standards** made applicable to projects within the MBTAODN.

10. **EOHLC.** The Massachusetts Executive Office of Housing and Livable Communities, DHCD's successor agency.

11. **Lot.** An area of land with definite boundaries that is used or available for use as the site of a building or buildings.

12. **MBTA.** Massachusetts Bay Transportation Authority.

13. **Mixed-use development.** Development containing a mix of residential uses and non residential uses, including, commercial, institutional, industrial, or other uses.

14. **Multi-family housing.** A building with three or more residential dwelling units or two or more buildings on the same lot with more than one residential dwelling unit in each building.

15. **Multi-family zoning district.** A zoning district, either a base district or an overlay district, in which multi-family housing is allowed as of right.

16. **Open space.** Contiguous undeveloped land within a parcel boundary.

17. **Parking, structured.** A structure in which vehicle parking is accommodated on multiple stories; a vehicle parking area that is underneath all or part of any story of a structure; or a vehicle parking area that is not underneath a structure, but is entirely covered, and has a parking surface at least eight feet below grade. Structured Parking does not include surface parking or carports, including solar carports.

18. **Parking, surface.** One or more parking spaces without a built structure above the space. A solar panel designed to be installed above a surface parking space does not count as a built structure for the purposes of this definition.

19. **Residential dwelling unit.** A single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking. and sanitation.

20. **Section 3A.** Section 3A of the Zoning Act.

21. **Site plan review authority.** The Planning Board shall be the Site Plan Review Authority under Section 16.

22. **Special permit granting authority.** The Special Permit Granting Authority shall include the Planning Board or zoning administrators as designated by the Zoning for the issuance of special permits.

23. **Subsidized Housing Inventory (SHI).** A list of qualified Affordable Housing Units maintained by EOHLC used to measure a community's stock of low-or moderate income housing for the purposes of M.G.L. Chapter 40B, the Comprehensive Permit Law.

24. **Transit station.** An MBTA subway station, commuter rail station, or ferry terminal.

a. **Commuter rail station.** Any MBTA commuter rail station with year-round, rather than intermittent, seasonal, or event-based, service.

b. **Ferry terminal.** The location where passengers embark and disembark from regular, year -round MBTA ferry service.

c. **Subway station.** Any of the stops along the MBTA Red Line, Green Line, Orange Line, or Blue Line.

D. Permitted Uses

1. **Uses Permitted As of Right.** The following uses are permitted as of right within the MBTAODN.
   a. **Single-family housing**.

   b. Multi-family housing

   c. **Mixed-use development.** As of right uses in a mixed-use development are as follows:

GROUND FLOOR
Community space
Educational uses.
Personal services.
Retail.
Experiential retail, including retail associated with dance or exercise studios, music studios, photography studios, or other combination of education, services, and retail.
Restaurant, cafe, and other eating establishments without a drive-through and having a maximum of seventy-five (75) seats.
Office, professional office, medical and dental offices, and co - working space
Artists' studios, maker space, and small-scale food production ([no more than 5,000 SF), and retail associated with each use.
ANY FLOOR
Residential (required component).

2. **Uses Permitted by Special Permit.** The following uses [and accessory uses] require a Special Permit from the Planning Board.
3. **Accessory Uses.** The following uses are considered accessory as of right to any of the permitted uses in Section D.1.
   a. Parking, including surface parking and parking within a structure such as an above ground or underground parking garage or other building on the same lot as the principal use.
   b. [Identify as of right accessory uses appropriate to the above permitted uses.]

E. Dimensional Standards

1. **Table of Dimensional Standards.** Notwithstanding anything to the contrary in this Zoning, the dimensional requirements applicable in the MBTAODN are as follows:

TOWN OF EAST BRIDGEWATER - ZONING BY-LAW - MBTA OVERLAY DISTRICT NORTH (MBTAODN) SECTION 16. LOCATION - REQUIREMENTS FOR ALL PRINCIPAL BUILDINGS (Note 1)										
Residential Units	Minimum Lot Area (SQ FT)	Minimum Lot Width	Minimum Lot Depth	Minimum Side Yard	Minimum Rear Yard	Minimum Front Yard	Maximum Principle Building Footprint	Building Rectangle	Maximum Height	Average Units Per Acre
1	10,000	75	65	15	15	20	15%	45Wx30D	2-1/2 Stories	4
2	14,000	100	80	15	15	20	15%	80Wx45D	2-1/2 Stories	6
4	18,000	110	100	15	15	20	20%	80Wx45D	2-1/2 Stories	10
6	22,000	140	120	20	20	25	30%	90Wx50D	2-1/2 Stories	12
8	26,000	160	140	20	20	25	30%	100Wx60D	2-1/2 Stories	13
10	30,000	180	150	25	25	30	35%	120Wx80D	3-1/2 Stories	15
12	34,800	200	170	30	30	35	35%	140Wx100D	3-1/2 Stories	15

Notes:
1. This table contains the dimensional requirements for MBTA Overlay District - North (MBTAODN).
2. This district is for both residential housing and mixed uses as further defined herein.
3. All dimensions are in feet unless specified otherwise.
4. There is no Minimum Open Space requirement for this MBTAODN district.
5. Minimum building square dimension shall be 40% lot width x 40% lot depth as shown on this table.
5. Building square must be located behind the front yard setback.
6. Building square must include a minimum of 75% upland.
7. Principle building must be located entirely within the building square.

2. **Exceptions.** The limitation on height of buildings shall not apply to chimneys, ventilators, towers, silos, spires, or other ornamental features of buildings, which features are in no way used for living purposes and do not constitute more than 25% of the ground floor area of the building.
3. **Exceptions: Renewable Energy Installations.** The Site Plan Review Authority or Special Permit Granting Authority may waive the height and setbacks in **Section 16 E. Dimensional Standards** to accommodate the installation of solar photovoltaic, solar thermal, living, and other eco -roofs, energy storage, and air-source heat pump equipment. Such installations shall not create a significant detriment to abutters in terms of noise or shadow and m ust be appropriately integrated into the architecture of the building and the layout of the site. The installations shall not provide additional habitable space within the development.

F. Off-Street Parking

These parking requirements are applicable to development in the MBTAODN.

1. **Number of parking spaces.** The following **maximum** numbers of off-street parking spaces shall be permitted by use, either in surface parking or within garages or other structures:

Use	**Maximum Spaces**
Multi-family	1.5 spaces per bedroom in each Residential Dwelling Unit]
Mixed-Use (Non-residential)/ Commercial	[Sum of uses computed separately. (See 4, below.)]

2. **Number of bicycle parking spaces.** The following **minimum** numbers of covered bicycle storage spaces shall be provided by use:

Use	**Minimum Spaces**
Multi-family	[.5 spaces per Residential Dwelling Unit]

Mixed-Use (Non-residential)/ Commercial	[1 space per every 450 Gross Square Feet of floor area

3. **Bicycle storage.** For a multi-family development of [25] units or more, or a mixed use development of [25,000] square feet or more, covered parking bicycle parking spaces shall be integrated into the structure of the building(s).

4. **Shared Parking within a Mixed-Use Development.** Parking requirements for a mix of uses on a single site may be adjusted through the Site Plan Review process, if the applicant can demonstrate that shared spaces will meet parking demands by using accepted methodologies.

G. General Development Standards

1. Development standards in the MBTAODN are applicable to all multi -family development with more than [25] units or mixed-use development of more than 25,000SF within the MBTAODN. These standards are components of the Site Plan Review process in **Section 16 I. Site Plan Review.**
2. **Site Design.**
   a. **Connections.** Sidewalks shall provide a direct connections among building entrances, the public sidewalk (if applicable), bicycle storage, and parking and to abutting commercial areas, if applicable.

   b. **Vehicular access.** Where feasible, curb cuts shall be minimized, and shared driveways encouraged.

   c. **Open Space.**

   d. **Screening for Parking.** Surface parking adjacent to a public sidewalk shall be screened by a landscaped buffer of sufficient width to allow the healthy establishment of trees, shrubs, and perennials, but no less than [6 (six)] feet. The buffer may include a fence or wall of no more than three feet in height unless there is a significant grade change between the parking and the sidewalk.

   e. **Parking Materials.** The parking surface may be concrete, asphalt, decomposed granite, bricks, or pavers, including pervious materials but not including grass or soil not contained within a paver or other structure.

   f. **Plantings**. Plantings shall include species that are native or adapted to the region. Plants on the Massachusetts Prohibited Plant List, as may be amended, shall be prohibited.

   g. **Lighting.** Light levels shall meet or exceed the minimum design guidelines defined by the Illuminating Engineering Society of North America (IESNA) and shall provide illumination necessary for safety and convenience while preventing glare and overspill onto adjoining properties and reducing the amount of skyglow.

   h. **Mechanicals.** Mechanical equipment at ground level shall be screened by a combination of fencing and plantings. Rooftop mechanical equipment shall be screened if visible from a public right-of-way.

   i. **Dumpsters.** Dumpsters shall be screened by a combination of fencing and plantings. Where possible, dumpsters or other trash and recycling collection points shall be located within the building.

   j. **Stormwater management.** Strategies that demonstrate compliance of the construction activities and the proposed project with the most current versions of the Massachusetts Department of Environmental Protection Stormwater Management Standards, the Massachusetts Stormwater

Handbook, Massachusetts Erosion Sediment and Control Guidelines, and, if applicable, additional requirements under the [Municipality] MS4 Permit for projects that disturb more than one acre and discharge to the [City's/Town's] municipal stormwater system, and an Operations and Management Plan for both the construction activities and ongoing post -construction maintenance and reporting requirements.

3. **Buildings: General.**

a. **Position relative to principal street.** The primary building shall have its principal facade and entrance facing the principal street. See also Section G.7. Buildings: Corner Lots.

b. **Entries.** Where feasible, entries shall be clearly defined and linked to a paved pedestrian network that includes the public sidewalk.

4. **Buildings: Mixed-use development.**
   a. In a mixed-use building, access to and egress from the residential component shall be clearly differentiated from access to other uses. Such differentiation may occur by using separate entrances or egresses from the building or within a lobby space shared among different uses.
   b. Paved pedestrian access from the residential component shall be provided to residential parking and amenities, to the public sidewalk and to abutting commercial areas, as applicable.
   c. Materials for non-residential uses shall be stored inside or under cover and shall not be accessible to residents of the development.
   d. Parking and circulation on the site shall be organized so as to reduce the amount of impervious surface. Where possible, parking and loading areas shall be connected to minimize curb cuts onto public rights-of-way.

5. **Buildings: Shared Outdoor Space.** Multi-family housing and mixed-use development shall have common outdoor space that all residents can access. Such space may be located in any combination of ground floor, courtyard, rooftop, or terrace. All outdoor space shall count towards the project's minimum Open Space requirement.
6. **Buildings: Corner Lots.** A building on a corner lot shall indicate a primary entrance either along one of the street-facing facades or on the primary corner as an entrance serving both streets.
   a. Such entries shall be connected by a paved surface to the public sidewalk, if applicable.
   b. All facades visible from a public right-of-way shall be treated with similar care and attention in terms of entries, fenestration, and materials.
   c. Fire exits serving more than one story shall not be located on either of the street -facing facades.

8. **Buildings: Infill Lots.** If the adjacent buildings are set back at a distance that exceeds the minimum front yard requirements, infill buildings shall meet the requirements of **Section 16 E. Dimensional Standards.** Otherwise, infill buildings may match the setback line of either adjacent building, or an average of the setback of the two buildings to provide consistency along the street.
9. **Buildings: Principal Facade and Parking.** Parking shall be subordinate in design and location to the principal building facade.
   a. **Surface parking.** Surface parking shall be located to the rear or side of the principal building. Parking shall not be located in the setback between the building and any lot line adjacent to the public right-of-way.
   b. **Integrated garages.** The principal pedestrian entry into the building shall be more prominent in design and placement than the vehicular entry into the garage.
   c. **Parking structures.** Building(s) dedicated to structured parking on the same lot as one or more multi-family buildings or mixed-use development shall be subordinate in design and placement to the multi-family or mixed-use building(s) on the lot.
10. **Waivers.** Upon the request of the Applicant and subject to compliance with the Compliance Guidelines, the Site Plan Review Authority may waive the requirements of this **Section 16 G. General Development Standards,** in the interests of design flexibility and overall

project quality, and upon

a finding of consistency of such variation with the overall purpose and objectives of the MBTAODN.]

H. Affordability Requirements.

1. **Purpose.**
   a. Promote the public health, safety, and welfare by encouraging a diversity of housing opportunities for people of different income levels;
   b. Provide for a full range of housing choices for households of all incomes, ages, and sizes;
   c. Increase the production of affordable housing units to meet existing and anticipated housing needs; and
   d. Work to overcome economic segregation allowing the Town of East Bridgewater to be a community of opportunity in which low and moderate-income households have the opportunity to advance economically.

2. **Applicability.** This requirement is applicable to all residential and mixed-use developments with [ten (10)] or more dwelling units, whether new construction, substantial rehabilitation, expansion, reconstruction, or residential conversion (Applicable Projects). No projec t may be divided or phased to avoid the requirements of this section.

3. **Affordability requirements. [Either a or b, not both.]**
   a. **[Subsidized Housing Inventory.** [All] units affordable to households earning 80% or less of AMI created in the MBTAODN under this section must be eligible for listing on EOHLC ' s Subsidized Housing Inventory.]
   b. **[Non-SHI Affordable Units.** Affordable Units do not have to qualify for listing on EOHLC's Subsidized Housing Inventory but must be restricted in accordance with the metrics below.]

4. **Provision of Affordable Housing.** In Applicable Projects, not fewer than ten percent (10%) of housing units constructed shall be Affordable Housing Units. For purposes of calculating the number of units of Affordable Housing required within a development project, a fractional unit shall be rounded down to the next whole number. The Affordable Units shall be available to households earning income up to [eighty percent (80%)] of the AMI.

5. **Fee in Lieu.**
   a. As an alternative to the requirements of paragraph (3) of this section, and at the sole discretion and majority vote of the Select Board of the Town of East Bridgewater upon a recommendation of the Planning Board, the developer or property owner shall contribute a fee to the Municipality's Affordable Housing Trust Fund in lieu of providing all or a portion of the required Affordable Housing Units within the proposed development.
   b. The fee in lieu of providing one or more Affordable Housing Units shall be a minimum of [$400,000.00] per required Affordable Housing Units not provided within the development. This fee may be adjusted upward by a majority vote of [Select Board.
   c. Any payment to the Affordable Housing Trust Fund as an in lieu contribution for Affordable Housing Units shall be made as follows: at least 50 percent of the total owed prior to the issuance of a building permit; and the remaining total owed prior to the issuance of an occupancy permit.

6. **Development Standards.** Affordable Units shall be:
   a. Integrated with the rest of the development and shall be compatible in design, appearance, construction, and quality of exterior and interior materials with the other units and/or lots;
   b. Dispersed throughout the development;
   c. Located such that the units have equal access to shared amenities, including light and air, and utilities (including any bicycle storage and/or Electric Vehicle charging stations) within the

development;

d. Located such that the units have equal avoidance of any potential nuisances as [market -rate units] within the development;

e. Distributed proportionately among unit sizes; and

f. Distributed proportionately across each phase of a phased development.

g. [Occupancy permits may be issued for market-rate units prior to the end of construction of the entire development provided that occupancy permits for Affordable Units are issued simultaneously on a pro rata basis.]

7. **Administration.**
   a. The [Zoning Enforcement Officer/Planning Director/Building Inspector/Housing Coordinator] shall be responsible for administering and enforcing the requirements in this section.]

I. Site Plan Review

1. **Applicability.** Site Plan Review is required for a project that proposes [25] dwelling units or more. An application for Site Plan Review shall be reviewed by the Permitting Authority for consistency with the purpose and intent of Sections 16 D through 16 H.
2. **Submission Requirements.** As part of any application for Site Plan Review for a project within the MBTAODN submitted under Sections 16 E through 16 I (or, for projects not requiring Site Plan Review, prior to submission of any application for a building permit), the Applicant must submit the following documents to the Municipality:
   a. Application and fee for Site Plan Review.

   b. Site plans that show the position of the building on the site, points of vehicular access to and from the site and vehicular circulation on the site, stormwater management, utilities, and landscape treatments, including any screening of adjacent properties , and other information commonly required by Municipality for Site Plan Review.

   c. Elevations of the building(s) showing the architectural design of the building.

   d. All site plans shall be prepared by a certified architect, landscape architect, and/or a civil engineer registered in the Commonwealth of Massachusetts. All landscape plans shall be prepared by a certified landscape architect registered in the Commonwealth of Massachusetts. All building elevations shall be prepared by a certified architect registered in the Commonwealth of Massachusetts. All plans shall be signed and stamped, and drawings prepared at a scale of [one inch equals forty feet (1"=40') or larger], or at a scale as approved in advance by the Permitting Authority.

   e. Narrative of compliance with the applicable design standards of this Section 16.

3. **Timeline.** Site Plan Review should be commenced no later than 30 days of the submission of a complete application and should be completed expeditiously. The site plan review authority may, when appropriate, seek the input of other municipal boards or officials. In general, site plan review should be completed no more than 6 months after the submission of the application.
4. **Site Plan Approval.** Site Plan approval for uses listed in Section 16 D Permitted Uses shall be granted upon determination by the Site Plan Review Authority that the following conditions have been satisfied. The Site Plan Review Authority may impose reasonable conditions, at the expense of the applicant, to ensure that these conditions have been satisfied.
   a. the Applicant has submitted the required fees and information as set forth in Municipality's requirements for a Building Permit and Site Plan Review; and
   b. **[Use only** if there **are no development standards within the local zoning or included in this**

GENERAL GOVERNMENT – TOWN CLERK

MBTAODN district.] Any new building construction or other site alteration shall provide adequate access to each structure for fire and service equipment and adequate provision for utilities and stormwater drainage that demonstrates compliance of the construction activities and the proposed project with the most current versions of the Massachusetts Department of Environmental Protection Stormwater Management Standards, the Massachusetts Stormwater Handbook, Massachusetts Erosion Sediment and Control Guidelines, and, if applicable, additional requirements under the [Municipality] MS4 Permit for projects that disturb more than one acre and discharge to the [City's/Town's] municipal stormwater system, and an Operations and Management Plan for both the construction activities and ongoing post -construction maintenance and reporting requirements.

OR

b. **[Use if the municipality used Section G., above]** the project as described in the application meets the development standards set forth in Section 16 G. General Development Standards.]

5. **Project Phasing.** An Applicant may propose, in a Site Plan Review submission, that a project be developed in phases subject to the approval of the Site Plan Review Authority, provided that the submission shows the full buildout of the project and all associated impacts as of the completion of the final phase. However, no project may be phased solely to avoid the provisions of **Section 16 H. Affordability Requirements.**

J. Severability.
If any provision of this Section 16 is found to be invalid by a court of competent jurisdiction, the remainder of Section16 shall not be affected but shall remain in full force. The invalidity of any provision of this Section 16 shall not affect the validity of the remainder of the Town of East Bridgewater Zoning By -Law.

If the MBTA Communities Zoning By-Law, Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A), is found to be invalid by a court of competent jurisdiction, Section16 in its entirety shall be deleted from the East Bridgewater Zoning By-Law and shall not affect the validity of the remainder of the Town of East Bridgewater Zoning By-Law.

K. Sunset Provision.
Should the combined number of constructed residential units and the number of issued active building permits for residential units exceed 110% of the minimum residential units as referenced in Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A) then this overlay district (MBTAODN) shall be suspended until the target goal of residential units is changed in Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A) and the underlying implementation rules as updated.

MOTION by Kevin Rielly, Planning Board: *I move that the Town vote to amend the Zoning Bylaws of the Town of East Bridgewater by adding a new section, Section 16: MBTA Communities North - Single and Multi-family Overlay District as is printed in the handout entitled STM 10-7-24 Amended Articles: Articles 14, 15 and 18 and as shown on the screen.*

Kevin Reilly, Planning Board - stated that the Planning Board held a Public Hearing on September 16, 2024, and voted to recommend the adoption of the proposed bylaw and related map by a vote of five (5) in favor and two (2) opposed.

Roy Gardner, Planning Board reviewed Chapter 40A Section 3A Presentation of Massachusetts Zoning By Law. Melanie Dean, Town Accountant, reviewed the grants currently received for MassWorks for the Sewer Project, which specifically states that funds will be pulled from Towns that are not in compliance.

Kevin Riely of the Planning Board stated that the Town of East Bridgewater is considered an adjacent community under the MBTA Zoning Act.

PLANNING BOARD APPROVED THIS ARTICLE 5-2
MODERATOR DECLARED MOTION NOT PASSED BY HANDCOUNT 91-39

MOTION by Kevin Rielly, as a private citizen: *I move to amend that the Town vote to add to the proposed bylaw section J would add a new sentence to say should this section J be found to be invalid by any officer or the Commonwealth of Massachusetts or by a court of confident jurisdiction remainder this Bylaw likewise be considered as invalid.*

John Clifford, Town Counsel, asked for clarification on the amendment.

Kevin Rielly confirmed that the amendment was not part of the public hearing.

Roy Gardner, Planning Board, stated during the hearing that it was explained the provision was added to suspend the bylaw once the threshold number has been reached. The Attorney General's arbitrary decision does not approve the last paragraph. John Clifford, Town Counsel, amendment is beyond the scope of the article.

MODERATOR DECLARED MOTION TO AMEND FAILS

MOTION by Kevin Rielly, Planning Board: *I move that the Town vote to pass over Articles 15, 16, and 17.*
MODERATOR DECLARED MOTION TO PASS OVER FAILS BY HAND COUNT 73-46

ARTICLE 15: To see if the Town will vote to amend the Zoning Bylaws of the Town of East Bridgewater by adding a new section, Section 17: MBTA Communities Downtown Single and Multi-family Overlay District as written; or take any other action thereon or in relation thereto.

Section 17: MBTA Communities Downtown - Single and Multi-Family Overlay District

A. Purpose

The purpose of the MBTA Communities Downtown - Single and Multi-family Overlay District (MBTAODD) is to allow single and multi-family housing as of right in accordance with Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A). This zoning provides for as of right single and multi-family housing (high density zoning) to accomplish the following purposes:

1. To provide an option for smaller lot single family residences with a goal of providing more reasonable cost smaller single-family homes.
2. To provide an option for smaller lot duplex residential homes with a goal of providing more reasonable cost homes.
3. To provide options for larger scale multifamily residential housing with a goal of providing more reasonable cost housing options.
4. To offer mixed use development to foster both walkable neighborhoods in conjunction with more reasonable cost housing.

B. Establishment and Applicability

This MBTAODD consists of an overlay district having a total land area of approximately 17.22 acres in size that is superimposed over the underlying zoning district (s) and is shown on the Zoning Map.

1. Applicability of MBTAODD. An applicant may develop single and multi-family housing located within a MBTAODD in accordance with the provisions of this section.

2. Underlying Zoning. The MBTAODD is an overlay district superimposed on underlying zoning districts. The regulations for use, dimension, and all other provisions of the Zoning Bylaw governing the respective underlying zoning district(s) shall remain in full force, except for uses allowed as of right or by special permit in the MBTAODD. Uses that are not identified in Section 17 are governed by the requirements of the underlying zoning district(s).

C. Definitions.

For purposes of this Section 17, the following definitions where applicable shall apply.

1. **Affordable unit**. A multi-family housing unit that is subject to a use restriction recorded in its chain of title limiting the sale price or rent or limiting occupancy to an individual or household of a specified income, or both.

2. **Affordable housing**. Housing that contains Affordable Units as defined by this Section 17.

3. **Applicant.** A person, business, or organization that applies for a building permit, Site Plan Review, or Special Permit.

4. **Area Median Income (AMI).** The median family income for the metropolitan statistical region that includes the Town of East Bridgewater, as defined by the U.S. Department of Housing and Urban Development (HUD).
5. **As of Right.** Development that may proceed under the Zoning in place at time of application without the need for a special permit, variance, zoning amendment, waiver, or other discretionary zoning approval.

6. **Building coverage**. The maximum area of the lot that can be attributed to the footprint of the buildings (principal and accessory) on that lot. Building Coverage does not include surface parking.
7. **Compliance Guidelines**. Compliance Guidelines for Multi-Family Zoning Districts Under Section 3A of the Zoning Act as further revised or amended from time to time.
8. **DHCD.** The Massachusetts Department of Housing and Community Development, or any successor agency.
9. **Development standards**. Provisions of Section 17 G. General Development Standards made applicable to projects within the MBTAODD.
10. **EOHLC**. The Massachusetts Executive Office of Housing and Livable Communities, DHCD's successor agency.
11. **Lot**. An area of land with definite boundaries that is used or available for use as the site of a building or buildings.
12. **MBTA**. Massachusetts Bay Transportation Authority.
13. **Mixed-use development**. Development containing a mix of residential uses and non-residential uses, including, commercial, institutional, industrial, or other uses.
14. **Multi-family housing**. A building with three or more residential dwelling units or two or more buildings on the same lot with more than one residential dwelling unit in each building.
15. **Multi-family zoning district**. A zoning district, either a base district or an overlay district, in which multi- family housing is allowed as of right.
16. **Open space.** Contiguous undeveloped land within a parcel boundary.
17. **Parking, structured**. A structure in which vehicle parking is accommodated on multiple stories; a vehicle parking area that is underneath all or part of any story of a structure; or a vehicle parking area that is not underneath a structure, but is entirely covered, and has a parking surface at least eight feet

C. Definitions.

For purposes of this Section 17, the following definitions where applicable shall apply.

1. **Affordable unit**. A multi-family housing unit that is subject to a use restriction recorded in its chain of title limiting the sale price or rent or limiting occupancy to an individual or household of a specified income, or both.
2. **Affordable housing**. Housing that contains Affordable Units as defined by this Section 17.
3. **Applicant.** A person, business, or organization that applies for a building permit, Site Plan Review, or Special Permit.
4. **Area Median Income (AMI).** The median family income for the metropolitan statistical region that includes the Town of East Bridgewater, as defined by the U.S. Department of Housing and Urban Development (HUD).
5. **As of Right.** Development that may proceed under the Zoning in place at time of application without the need for a special permit, variance, zoning amendment, waiver, or other discretionary zoning approval.
6. **Building coverage**. The maximum area of the lot that can be attributed to the footprint of the buildings (principal and accessory) on that lot. Building Coverage does not include surface parking.
7. **Compliance Guidelines**. Compliance Guidelines for Multi-Family Zoning Districts Under Section 3A of the Zoning Act as further revised or amended from time to time.
8. **DHCD.** The Massachusetts Department of Housing and Community Development, or any successor agency.
9. **Development standards**. Provisions of Section 17 G. General Development Standards made applicable to projects within the MBTAODD.
10. **EOHLC**. The Massachusetts Executive Office of Housing and Livable Communities, DHCD's successor agency.
11. **Lot**. An area of land with definite boundaries that is used or available for use as the site of a building or buildings.
12. **MBTA**. Massachusetts Bay Transportation Authority.
13. **Mixed-use development**. Development containing a mix of residential uses and non-residential uses, including, commercial, institutional, industrial, or other uses.
14. **Multi-family housing**. A building with three or more residential dwelling units or two or more buildings on the same lot with more than one residential dwelling unit in each building.

15. **Multi-family zoning district**. A zoning district, either a base district or an overlay district, in which multi- family housing is allowed as of right.
16. **Open space.** Contiguous undeveloped land within a parcel boundary.
17. **Parking, structured**. A structure in which vehicle parking is accommodated on multiple stories; a vehicle parking area that is underneath all or part of any story of a structure; or a vehicle parking area that is not underneath a structure, but is entirely covered, and has a parking surface at least eight feet below grade. Structured Parking does not include surface parking or carports, including solar carports.
18. **Parking, surface**. One or more parking spaces without a built structure above the space. A solar panel designed to be installed above a surface parking space does not count as a built structure for the purposes of this definition.
19. **Residential dwelling unit**. A single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking, and sanitation.
20. **Section 3A**. Section 3A of the Zoning Act.
21. **Site plan review authority**. The Planning Board shall be the Site Plan Review Authority under Section 17.
22. **Special permit granting authority**. The Special Permit Granting Authority shall include the Planning Board or zoning administrators as designated by the Zoning for the issuance of special permits.
23. **Subsidized Housing Inventory (SHI).** A list of qualified Affordable Housing Units maintained by EOHLC used to measure a community's stock of low-or moderate income housing for the purposes of M.G.L. Chapter 40B, the Comprehensive Permit Law.
24. **Transit station**. An MBTA subway station, commuter rail station, or ferry terminal.
25. **Commuter rail station**. Any MBTA commuter rail station with year-round, rather than intermittent, seasonal, or event-based, service.
26. **Ferry terminal**. The location where passengers embark and disembark from regular, year-round MBTA ferry service.
27. **Subway station**. Any of the stops along the MBTA Red Line, Green Line, Orange Line, or Blue Line.

D. Permitted Uses

1. **Uses Permitted as of Right.** The following uses are permitted as of right within the MBTAODD.
   a. Single-family housing;

   b. Multi-family housing;

2. **Uses Permitted by Special Permit.** The following uses and accessory uses require a Special Permit from the Planning Board.
   a. Mixed-use development. As of right uses in a mixed-use development are as follows:

GROUND FLOOR
Community space
Educational uses.
Personal services.
Retail.
Experiential retail, including retail associated with dance or exercise studios, music studios, photography studios, or other combination of education, services, and retail.

Restaurant, cafe, and other eating establishments without a drive-through and having a maximum of seventy-five (75) seats.
Office, professional office, medical and dental offices, and co-working space
Artists' studios, maker space, and small-scale food production ([no more than 5,000 SF), and retail associated with each use.
ANY FLOOR
Residential (required component).

3. **Accessory Uses**. The following uses are considered accessory as of right to any of the permitted uses in Section D.1.
   a. Parking, including surface parking and parking within a structure such as an above-ground or underground parking garage or other building on the same lot as the principal use.
      a. Any use meeting the definition of "Accessory Use" under the terms of the Zoning By-Laws of the Town of East Bridgewater.

E. Dimensional Standards

1. **Table of Dimensional Standards.** Notwithstanding anything to the contrary in this Zoning, the dimensional requirements applicable in the MBTAODD are as follows:

TOWN OF EAST BRIDGEWATER - ZONING BY-LAW - MBTA OVERLAY DISTRICT NORTH (MBTAODN)

SECTION 16. LOCATION - REQUIREMENTS FOR ALL PRINCIPAL BUILDINGS (Note 1)

Residential Units	Minimum Lot Area (SQ FT)	Minimum Lot Width	Minimum Lot Depth	Minimum Side Yard	Minimum Rear Yard	Minimum Front Yard	Maximum Principle Building Footprint	Building Rectangle	Maximum Height	Average Units Per Acre
1	10,000	75	65	15	15	20	15%	45Wx30D	2-1/2 Stories	4
2	14,000	100	80	15	15	20	15%	80Wx45D	2-1/2 Stories	6
4	18,000	110	100	15	15	20	20%	80Wx45D	2-1/2 Stories	10
6	22,000	140	120	20	20	25	30%	90Wx50D	2-1/2 Stories	12
8	26,000	160	140	20	20	25	30%	100Wx60D	2-1/2 Stories	13
10	30,000	180	150	25	25	30	35%	120Wx80D	3-1/2 Stories	15
12	34,800	200	170	30	30	35	35%	140Wx100D	3-1/2 Stories	15

Notes:
1. This table contains the dimensional requirements for MBTA Overlay District - North (MBTAODN).
2. This district is for both residential housing and mixed uses as further defined herein.
3. All dimensions are in feet unless specified otherwise.
4. There is no Minimum Open Space requirement for this MBTAODN district.
5. Minimum building square dimension shall be 40% lot width x 40% lot depth as shown on this table.
5. Building square must be located behind the front yard setback.
6. Building square must include a minimum of 75% upland.
7. Principle building must be located entirely within the building square.

2. **Exceptions.** The limitation on height of buildings shall not apply to chimneys, ventilators, towers, silos, spires, or other ornamental features of buildings, which features are in no way used for living purposes and do not constitute more than 25% of the ground floor area of the building.
3. **Exceptions: Renewable Energy Installations.** The Site Plan Review Authority or Special Permit Granting Authority may waive the height and setbacks in **Section 17 E. Dimensional Standards** to

accommodate the installation of solar photovoltaic, solar thermal, living, and other eco-roofs, energy storage, and air-source heat pump equipment. Such installations shall not create a significant detriment to abutters in terms of noise or shadow and must be appropriately integrated into the architecture of the building and the layout of the site. The installations shall not provide additional habitable space within the development.

F. Off-Street Parking

These parking requirements are applicable to development in the MBTAODD:

1. **Number of parking spaces.** The following **maximum** numbers of off-street parking spaces shall be permitted by use, either in surface parking or within garages or other structures:

Use	**Maximum Spaces**
Multi-Family	1.5 spaces per bedroom in each Residential Dwelling Unit
Mixed-Use (Non-Residential)/ Commercial	Sum of uses computed separately. (See 4, below.)

2. **Number of bicycle parking spaces.** The following **minimum** numbers of covered bicycle storage spaces shall be provided by use:

Use	**Minimum Spaces**
Multi-Family	.5 spaces in each Residential Dwelling Unit
Mixed-Use (Non-Residential)/ Commercial	1 space per every 450 Gross Square Feet of floor area

3. **Bicycle storage.** For a multi-family development of twenty-five (25) units or more, or a mixed use development of 25,000 square feet or more, covered parking bicycle parking spaces shall be integrated into the structure of the building(s).

4. **Shared Parking within a Mixed-Use Development.** Parking requirements for a mix of uses on a single site may be adjusted through the Site Plan Review process, if the applicant can demonstrate that shared spaces will meet parking demands by using accepted methodologies.

G. General Development Standards

1. Development standards in the MBTAODD are applicable to all multi-family development with more than twenty-five (25) units or mixed-use development of more than 25,000 SF within the MBTAODD. These standards are components of the Site Plan Review process in **Section 17 I. Site Plan Review.**
2. **Site Design.**
   - **a. Connections.** Sidewalks shall provide a direct connection among building entrances, the public sidewalk (if applicable), bicycle storage, and parking and to abutting commercial areas, if applicable.
   - **b. Vehicular access.** Where feasible, curb cuts shall be minimized, and shared driveways encouraged.

TOWN

GENERAL GOVERNMENT – TOWN CLERK

c. Open Space. A minimum of twenty percent (20.00%) of the parcel shall be provided as open space.

i. Open space shall be used solely for recreation (active or passive), conservation, or agriculture purposes by residents and/or the public. Trails are considered an acceptable use. Where appropriate, multiple uses of open space is encouraged.

ii. All landscaped and hardscaped areas shall be permanently maintained with proper care, so that residents may utilize these areas as designed.

iii. Open space may not be used for components of sewage disposal systems serving the development.

iv. The required setbacks shall be maintained in a landscaped or naturally vegetated state, intended to screen and buffer the development from abutting and neighboring uses and may be included within the open space. This vegetated setback requirement may be eliminated where the proposed development abuts existing permanent open space

d. Screening for Parking. Surface parking adjacent to a public sidewalk shall be screened by a landscaped buffer of sufficient width to allow the healthy establishment of trees, shrubs, and perennials, but no less than six (6) feet. The buffer may include a fence or wall of no more than three feet in height unless there is a significant grade change between the parking and the sidewalk.

e. Parking Materials. The parking surface may be concrete, asphalt, decomposed granite, bricks, or pavers, including pervious materials but not including grass or soil not contained within a paver or other structure.

f. **Plantings**. Plantings shall include species that are native or adapted to the region. Plants on the Massachusetts Prohibited Plant List, as may be amended, shall be prohibited.

g. **Lighting.** Light levels shall meet or exceed the minimum design guidelines defined by the Illuminating Engineering Society of North America (IESNA) and shall provide illumination necessary for safety and convenience while preventing glare and overspill onto adjoining properties and reducing the amount of skyglow.

h. **Mechanicals.** Mechanical equipment at ground level shall be screened by a combination of fencing and plantings. Rooftop mechanical equipment shall be screened if visible from a public right-of-way.

i. **Dumpsters.** Dumpsters shall be screened by a combination of fencing and plantings. Where possible, dumpsters or other trash and recycling collection points shall be located within the building.

j. **Stormwater management.** Strategies that demonstrate compliance of the construction activities and the proposed project with the most current versions of the Massachusetts Department of Environmental Protection Stormwater Management Standards, the Massachusetts Stormwater Handbook, Massachusetts Erosion Sediment and Control Guidelines, and, if applicable, additional requirements under the East Bridgewater MS4 Permit for projects that disturb more than one acre and discharge to the Town's municipal stormwater system, and an Operations and Management Plan for both the construction activities and ongoing post- construction maintenance and reporting requirements.

3. **Buildings: General.**
   a. **Position relative to principal street.** The primary building shall have its principal facade and entrance facing the principal street. See also Section G.7. Buildings: Corner Lots.\

   b. **Entries.** Where feasible, entries shall be clearly defined and linked to a paved pedestrian network that includes the public sidewalk.

4. **Buildings: Mixed-use development.**

a. In a mixed-use building, access to and egress from the residential component shall be clearly differentiated from access to other uses. Such differentiation may occur by using separate entrances or egresses from the building or within a lobby space shared among different uses.
b. Paved pedestrian access from the residential component shall be provided to residential parking and amenities, to the public sidewalk and to abutting commercial areas, as applicable.
c. Materials for non-residential uses shall be stored inside or under cover and shall not be accessible to residents of the development.
d. Parking and circulation on the site shall be organized so as to reduce the amount of impervious surface. Where possible, parking and loading areas shall be connected to minimize curb cuts onto public rights- of-way.

5. **Buildings: Shared Outdoor Space.** Multi-family housing and mixed-use development shall have common outdoor space that all residents can access. Such space may be located in any combination of ground floor, courtyard, rooftop, or terrace. All outdoor space shall count towards the project's minimum Open Space requirement.
6. **Buildings: Corner Lots.** A building on a corner lot shall indicate a primary entrance either along one of the street- facing facades or on the primary corner as an entrance serving both streets.
   a. Such entries shall be connected by a paved surface to the public sidewalk, if applicable.
   b. All facades visible from a public right-of-way shall be treated with similar care and attention in terms of entries, fenestration, and materials.
   c. Fire exits serving more than one story shall not be located on either of the street-facing facades.
7. **Buildings: Infill Lots.** If the adjacent buildings are set back at a distance that exceeds the minimum front yard requirements, infill buildings shall meet the requirements of Section 17 E Dimensional Standards. Otherwise, infill buildings may match the setback line of either adjacent building, or an average of the setback of the two buildings to provide consistency along the street.
8. **Buildings: Principal Facade and Parking.** Parking shall be subordinate in design and location to the principal building facade.
   a. **Surface parking.** Surface parking shall be located to the rear or side of the principal building. Parking shall not be located in the setback between the building and any lot line adjacent to the public right-of-way.
   b. **Integrated garages.** The principal pedestrian entry into the building shall be more prominent in design and placement than the vehicular entry into the garage.
   c. **Parking structures.** Building(s) dedicated to structured parking on the same lot as one or more multi- family buildings or mixed-use development shall be subordinate in design and placement to the multi- family or mixed-use building(s) on the lot.
9. **Waivers.** Upon the request of the Applicant and subject to compliance with the Compliance Guidelines, the Site Plan Review Authority may waive the requirements of this Section 17 G. General Development Standards**,** in the interests of design flexibility and overall project quality, and upon a finding of consistency of such variation with the overall purpose and objectives of the MBTAODD.

H. Site Plan Review

1. **Applicability.** Site Plan Review is required for a project that proposes twenty-five (25) dwelling units or more. An application for Site Plan Review shall be reviewed by the Permitting Authority for consistency with the purpose and intent of Sections 16 D through 16 H.
2. **Submission Requirements.** As part of any application for Site Plan Review for a project within the MBTAODD submitted under Sections 16 E through 16 I (or, for projects not requiring Site Plan Review, prior to submission of any application for a building permit), the Applicant must submit the following documents to the Municipality:
   a. Application and fee for Site Plan Review.

TOWN

GENERAL GOVERNMENT – TOWN CLERK

b. Site plans that show the position of the building on the site, points of vehicular access to and from the site and vehicular circulation on the site, stormwater management, utilities, and landscape treatments, including any screening of adjacent properties, and other information commonly required by Municipality for Site Plan Review.

c. Elevations of the building(s) showing the architectural design of the building.

d. All site plans shall be prepared by a certified architect, landscape architect, and/or a civil engineer registered in the Commonwealth of Massachusetts. All landscape plans shall be prepared by a certified landscape architect registered in the Commonwealth of Massachusetts. All building elevations shall be prepared by a certified architect registered in the Commonwealth of Massachusetts. All plans shall be signed and stamped, and drawings prepared at a scale of one inch equals forty feet (1"=40') or larger, or at a scale as approved in advance by the Permitting Authority.

e. Narrative of compliance with the applicable design standards of this Section 17.

3. **Timeline.** Site Plan Review should be commenced no later than thirty (30) days of the submission of a complete application and should be completed expeditiously. The site plan review authority may, when appropriate, seek the input of other municipal boards or officials. In general, site plan review should be completed no more than six (6) months after the submission of the Application.
4. **Site Plan Approval.** Site Plan approval for uses listed in Section 17 D Permitted Uses shall be granted upon determination by the Site Plan Review Authority that the following conditions have been satisfied. The Site Plan Review Authority may impose reasonable conditions, at the expense of the Applicant, to ensure that these conditions have been satisfied.
   a. the Applicant has submitted the required fees and information as set forth in the Municipality's requirements for a Building Permit and Site Plan Review; and
   b. the project as described in the Application meets the development standards set forth in Section 17 G. General Development Standards.
5. **Project Phasing.** An Applicant may propose, in a Site Plan Review submission, that a project be developed in phases subject to the approval of the Site Plan Review Authority, provided that the submission shows the full buildout of the project and all associated impacts as of the completion of the final phase. However, no project may be phased solely to avoid the provisions of Section 17 H. Affordability Requirements.

I. Severability.
If any provision of this Section 17 is found to be invalid by a court of competent jurisdiction, the remainder of Section16 shall not be affected but shall remain in full force. The invalidity of any provision of this Section 17 shall not affect the validity of the remainder of the Town of East Bridgewater Zoning By-Law.
If the MBTA Communities Zoning By-Law, Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A), is found to be invalid by a court of competent jurisdiction, Section 17 in its entirety shall be deleted from the East Bridgewater Zoning By-Law and shall not affect the validity of the remainder of the Town of East Bridgewater Zoning By-Law.

J. Sunset Provision.
Should the combined number of constructed residential units and the number of issued active building permits for residential units exceed 110% of the minimum residential units as referenced in Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A) then this overlay district (MBTAODD) shall be suspended until the target goal of residential units is changed in Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A) and the underlying implementation rules as updated.

MOTION by Robert Looney, Moderator: *All in favor of Article 15 as presented in the warrant say aye.*
MODERATOR DECLARED ARTICLE 15 DOES NOT PASSED

ARTICLE 16: To see if the Town will vote to amend the Zoning Bylaws of the Town of East Bridgewater by adding a new zoning map, the MBTA DOWNTOWN OVERLAY DISTRICT ZONING map as shown; or take any other action thereon or in relation thereto.

TOWN

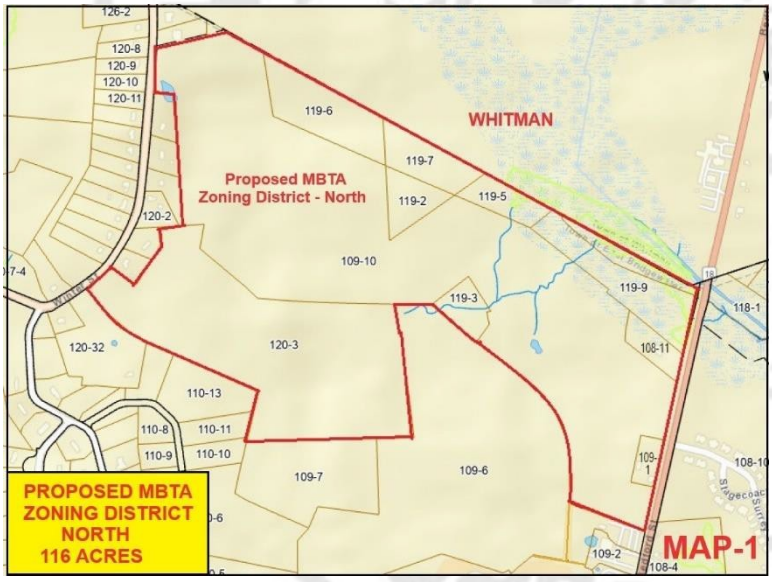
MOTION by Robert Looney, Moderator: *All in favor of Article 16 as presented in the warrant, say aye.*
MODERATOR DECLARED ARTICLE 16 FAILS

ARTICLE 17: To see if the Town will vote to amend the Zoning Bylaws of the Town of East Bridgewater by adding a new zoning map, the MBTA ZONING DISTRICT NORTH ZONING map as shown; or take any other action thereon or in relation thereto.



MOTION by Kevin Reilly, Planning Board: *All in favor of Article 17 as presented in the warrant, say aye.*
MODERATOR DECLARED ARTICLE 17 FAILS

ARTICLE 18: Voted to amend the East Bridgewater Zoning Bylaws, Section 6.D. (7) as follows (Text in bold to be added; text in ~~strikethrough~~ to be deleted)

(7). Accessory Dwelling Units.

Purpose: The purpose of this section is:

1. To provide an opportunity for expanded use of lots located within a residential zone and which are currently improved by single-family dwellings**;**

2. To diversify housing options and to provide greater accessibility to affordable living spaces;

3. To protect residential stability, enhance property values, and to preserve the single-family character of neighborhoods;

4. To make it possible for the Town to ensure code compliance and safety.

(7).1 Accessory Dwelling Unit ("ADU") - Definition – an accessory living unit which is either located within or is attached to an existing single-family dwelling or is a stand-alone structure located on a lot improved by an existing single-family dwelling, that provides accommodations for living, sleeping, eating, cooking and sanitation but which shall not be designed, built, or used as a separate, independent dwelling.

(7).2 Use and Dimensional Regulations: The Building Commissioner may issue a building permit for the construction and use of an ADU, provided the following conditions are met:

a). The lot on which the ADU is to be located is zoned for residential use;

b). The ADU must be accessory to a single- family dwelling and only one ADU may be created on any eligible lot. That ADU may be an integral part of the existing primary residence or a separate stand-alone structure;

c). If developed as a stand-alone structure, the ADU must be situated on the lot so as to comply with all applicable dimensional requirements for properties located within the corresponding residential zone.

d). No stand-alone ADU shall be greater than a single story in height.

e). The gross floor area of the ADU, whether constructed as part of an existing dwelling or as a stand-alone structure, shall not be greater than fifty percent (50%) of that of the primary dwelling on the lot or nine hundred (900) square feet. whichever is smaller.

f). One additional off-street parking space is provided for the use of the occupants of the ADU unless the property where the ADU is to be located is within one-half mile of a bus or commuter rail station.

g). A floor plan is submitted showing both existing condition and proposed changes to the interior and exterior of the building. The exterior of the structure does in the opinion of the Building Commissioner retain the characteristics of a single-family residence; and

h). If the ADU is to be a stand-alone structure, the Planning Board has approved a site plan detailing the location of the ADU on the lot and containing such other information as the Planning Board may require in order to grant such approval.

(7).3 Rental of an ADU – short-term rentals of any ADU constructed pursuant to the terms of this ByLaw to persons unrelated to the owner(s) of the lot on which the ADU is constructed are prohibited. For purposes hereof, "short-term rentals" shall mean any rental for a period of less than one (1) year.

(7).4 Enlargement of an ADU. Once a stand-alone ADU is constructed or an ADU is added to a single-family residence, the unit shall never be enlarged beyond the square footage allowed in sub-section (7).2d.

(7).5 Appeals. If the Building Commissioner finds that any of the previous conditions are not satisfied and therefore refuses to issue a Building Permit for construction of an ADU, the owner(s) of the lot in question may appeal such decision to the Zoning Board of Appeals which may, after hearing, allow such construction upon a finding that the Application complies in principal with the 2024 "Affordable Housing Act", so-called.

(7).6 Administration and Enforcement. It shall be the duty of the Building Commissioner to administer and enforce the provisions of this section.

a). The Building Commissioner shall not issue any permit for an ADU which would result in a violation of any provision of this Chapter or in a violation of the terms and conditions of any Variance affecting the lot on which the ADU would be located.

MOTION by Kevin Rielly, Planning Board: *I move that the Town vote to amend the East Bridgewater Zoning Bylaws, Section 6.D. (7) as is printed in the handout entitled STM 10-7-24 Amended Articles: Articles 14, 15, and 18, as shown on the screen.*

Kevin Rielly, Planning Board explained the state mandate, restrictions, and purpose of the by-law, which was triggered by the passage of the Affordable Homes Act.
Rich O'Flaherty, 31 Hobart Street, inquired about stipulations regarding renters.
Kevin Rielly, Planning Board answered no owner occupancy requirement under state law. Resident asked about amendment adding provisions about merged lots
John Clifford, Town Counsel, advised beyond the scope of the Article The moderator ruled the amendment out of order.

MODERATOR DECLARED MOTION PASSES BY HANDCOUT MAJORITY 64-

47 MOTION TO ADJOURN MEETING AT 9:10 P.M.

STATE ELECTION

November 05, 2024

A legal meeting of the Town of East Bridgewater was held at the East Bridgewater Jr/Sr High School, 143 Plymouth St., on November 05, 2024, under a Warrant issued by the Select Board and dated October 21, 2024, to bring in their votes for the State Election.

Wardens in each precinct received 500 Ballots. Receipts for the same were obtained. Ballot boxes were inspected by the Warden and Clerk of each precinct and found to be empty, and tabulators were registered at zero. Instruction and penalty cards were posted according to law, as were specimen ballots. The keys to the ballot boxes were given to the police officer on duty.

The following were sworn to faithful performance of their duties by Town Clerk, Kathleen Cavanagh: Precinct I: Warden - Jennifer Turner, Clerk - Elaine Meuse (D), Trista Higgins (R) Checkers - Patricia Short (U), Maxine Tom (U), Susan Margie (U), Robert St Pierre (U), and Susan Hedlund (U). Precinct II: Warden - Melissa Schrader (U) Clerk - Elaine Sands (U), Checkers - Theresa Mithcell (U), Ken Chadwick (U), Mary Langer (U) Marylou Comlin (D), and Barbara Maki (U). Precinct III: Warden - Lois Nelson (R), Clerk - Sharon Dunn (R), Cheryl Wood, (D), Checkers - Irene Andrews (U), Helen Crane (U), Paul Schell (D), Deborah Conrad (U) and Ronald Hedlund (U). Precinct IV: Warden - Marcia Weidenfeller (U), Clerk - Marijo Martin (R), Kris Resendes (U), Checkers Jeanne Bennett (U), Kathleen Resmini (U) Greg Roy (U) and Anthonio Resendes (U). Additional Staff: Michele Doll, Mellissa Blood.

There were a total of eight thousand six hundred sixty (8660) voters. These totals include absentee and early ballots cast. The number of total eligible voters at that time was eleven thousand six hundred three (11,603). A total of 74.6% of the voters in town participated in the election.

Town Clerk, Kathleen Cavanagh, announced the vote at 9:00 P.M. The following was the result upon completion of tabulation:

Clerk’s Office at (508) 378-1606 or email townclerk@eastbridgewater.com.

Respectfully submitted,

Kathleen
Cavanagh Town
Clerk

BOARD OF

To the Honorable Select Board and the Citizens of the Town of East Bridgewater

The Assessors are required to value all property in their community at full and fair market value annually. Market value for residential is determined by using comparable sales from the preceding year as of the first of January.

The town will be conducting a Five-Year Revaluation Program for Fiscal 2026. For Fiscal 2025 the town went through an interim certification review by the Department of Revenue. Residential property values rose on average 2%.

The total Real Property Valuation was approved by the Massachusetts Department of Revenue on September 26, 2024. The Tax Rate for Fiscal 2025 was approved at $13.67 per $1,000 of valuation by the Massachusetts Department of Revenue on October 29, 2024.

Total Real Property Valuation	$ 2,717,435,800.00
Total Tax Levied on Property	$ 37,147,347.38
Tax Levy Growth	788,652.00

Summary of the Tax Recapitulation for Fiscal 2025

Gross Amount to be Raised

$65,115,792.81 Estimated Receipts and Other Available Funds $27,968,445.43 Amount to be Raised by Taxation

$37,147,347.38

The following Fiscal 2025 Real Estate Tax Exemptions/Abatements were granted as of 3/17/2025.

Exemptions for Fiscal Year 2025 included 243 applications as of 3/17/2025 for a total of $319,811.12. The Department received 21 Abatement applications and granted a total of $2,797.56 in abatements. The Senior Work off Program had 35 participants for a total of $37,950.

The town currently has a total of 3893 single family homes, 474 condominiums, 195 multifamily homes, 145 commercial properties, 127 industrial properties and 402 parcels of land. There are currently 112 parcels in Chapter Land. The average property value of a single-family home is $524,929 with an average tax bill of $7170.53.

The Board of Assessors and I would like to extend warm thanks to the staff of the Assessor’s Office, Marilyn Klim, Sheila DaSilva and Olivia Verhaegen for their dedication and professionalism. The Board would also like to thank all the Town Departments with which we interact daily. A special thank you is extended to the Town Accountant, Treasurer/Collector and Town Clerk for their assistance during the process of setting the tax rate.

Respectfully Submitted,

Paula Wolfe, CMA, RMA,
MAA Director of
Assessing

Steve Solari, Chairman, Board of
Assessors Susan Mulloy, Clerk, Board
of Assessors
David Lincoln Phillips, Member, Board of Assessors

BOARD OF

TOWN

The function of the Accounting Department is to protect the Town's financial interests and ensure that Town resources are received and expended according to the Town's by-laws, Massachusetts General Law and sound business practices. The Accounting Department works closely with all departments, boards, and committees to provide the necessary financial assistance they need to operate on a daily basis, maintains the Town's General Ledger, monitors all expenditures and revenues, and files all financial data with the Department of Revenue.

It has been another fast and busy year in the Accounting Department. It has been wonderful to grow our relationships with all departments during my time here. The hard work and diligence of everyone we work with does not go unnoticed.

The year ended with a tough good-bye and a pleasant hello, as Christine Pomeroy retired from the Accounting Department after 14 dedicated years. With her departure, we welcomed Emily Flanagan as the new Assistant Town Accountant and the transition has been going wonderfully. The Accounting Department, and all other Town departments, wish Christine a happy and healthy retirement. Her positive attitude and laughter will be missed.

Emily and I look forward to another year serving the Town and all its departments.

Respectfully

submitted, Melanie

TREASURER / COLLECTOR

To the Honorable Select Board and Citizens of East Bridgewater:

I would like to start off by saying “Thank you” to the Select Board for appointing me as Treasurer/Collector in May 2023 and giving me the opportunity to continue to serve the Town of East Bridgewater in a new capacity.

The department of the Treasurer/Collector is a two-part position that conducts several of the Town’s obligations. The Treasurer’s Office is responsible for processing the following for both Town and School: all new hire paperwork, administrating payroll, and issuing checks for vendor bills. As well as handling all employee and retirees’ questions and concerns about insurance and retirement benefits. The Collector’s Office is responsible for the issuance and collection of all Real Estate, Personal Property, Motor Vehicle Excise, and Water & Trash bills. All payments received are processed and posted to accounts in a timely manner. Our number one concern is our taxpayers. We are quick to help and come up with a solution to any situation that may arise in a polite and professional manner.

Bills can be paid in the office, dropped in the drop box after hours, as well as online at www.eastbridgewaterma.gov.

At this time, I would like to take this opportunity to say thank you to the staff, Kerry Twohig, Assistant Treasurer/Collector, Trisha Black, Payroll and Benefits Administrator, and Katie Nugent, Principal Clerk.

I am pleased to submit the following schedules in connection with the Town of East Bridgewater’s
Fiscal Year 2024 Annual Report of the Treasurer/Collector.

- Treasurers Receipts
- Collector’s Receipts
- Trust Fund Balance
- Debt Service
- 2024 Employee Wages

Respectfully Submitted,

Megan Crosby
Treasurer/Collector

BUILDING COMMISSIONER / ZONING ENFORCEMENT

Dear Honorable Select Board and the Citizens of East Bridgewater:

I hereby submit the Annual Report of the Building Department for Calendar Year 2024. The Building Department has many diverse responsibilities, but our primary mission is to assist the citizens of East Bridgewater through a coordinated effort with other departments to understand the permit process, building codes and zoning by-laws. We are here to provide efficient and comprehensive service by verifying that these standards set forth ensure the health, safety and general welfare of the community are being met.

The Building Inspector oversees all building construction in Town and has regulatory responsibility in many areas, including building code compliance, zoning, architectural access, and local by-laws. Administrative Assistant, Ellen McKenzie, processes permits, oversees the day to day including working closely with residents, contractors, engineers, vendors and provides administrative services to the Inspectors. Senior Clerk, Candy Boyle, facilitates permit applications and permit related documents, scheduling inspections for the inspectors, along with working closely with the Planning Board. A joint effort by the staff assists with day-to-day activity of the Planning/Building/Zoning Departments.

This year our annual “Holiday Open House” was an enjoyable event. With online permitting we don’t see the contractors very often, so it is nice to catch up with them. All are welcome, hope to see you next year. We hold this event in December, and you will find it posted on the Building Department page of the Town website, and in the Town Hall.

This year there were 1,310 permits consisting of Building, Sheet Metal, Plumbing/Gas and Electric issued for new homes, additions, and remodels as well as commercial permits totaling $194,899 in fees collected.

The Building Department, in cooperation with the Fire Department, also performs annual inspections of public assembly buildings.

I would like to thank the Town Administrator and the Select Board along with all Town Departments for their assistance and support. I would like to acknowledge the Wiring Inspector, David Bentley, Jr., and Plumbing/Gas Inspector, William Mike Doyle, for their dedicated and indispensable role in making East Bridgewater a safer place to live and work. I would especially like to thank the office staff for their cheerful attitudes and dedication to public service.

Respectfully

submitted, Patrick

Franey,
Building Commissioner/Zoning Enforcement Officer

BUILDING COMMISSIONER / ZONING ENFORCEMENT

CONSERVATION

To the Honorable Select Board and Citizens of East Bridgewater:

The Conservation Commission meets the second and fourth Monday of each month at 6:30 p.m. at the Town Hall Building, in the second-floor large conference room.

In FY 2024, the Conservation Commission held hearings for 30 applications filed under the Wetlands Protection Act. Of the 30 Wetlands Protection Act applications 3 were Requests For Determination of Applicability, 2 were Abbreviated Notices of Resource Area Delineation and 25 were Notices of Intent . The Commission also reviewed and issued 17 Certificates of Compliance under the Wetlands Protection Act.

Respectfully submitted,

Claire Yocum, Chairperson Elliot B. Jacobs, Member Kathleen Cavanagh, Member Steven M. Sears, Vice Chair Amanda Timperman-Freda, Member
Paul Gallant, Clerk Craig Winsor, Member

INSPECTOR OF WIRES

To the Honorable Select Board and the Citizens of East Bridgewater:

We respectfully submit the report of the Inspector of Wires for the year ending 2024. This year there were 368 permits issued for new single-family homes, additions, pools, generators, solar and renovations of existing homes along with homeowners upgrading their electrical services. In addition, there were a few commercial projects and renovations. In efforts to help expedite the permitting and inspection process for both citizens and contractors the department continues to utilize online permitting. You can apply from your home or office, or you are welcome to come in and we'll be glad to assist. At this time, we would like to express our appreciation to all Town Officials, Town Departments and personnel for their assistance given to this department.

Respectfully submitted,

David Bentley, Jr., Inspector of Wires H. Greg Paul, Assistant Inspector of Wires

INSPECTOR OF PLUMBING & GAS

To the Honorable Select Board and the Citizens of East Bridgewater:

We respectfully submit our report of the Inspector of Plumbing & Gas for the year ending 2024.

This year there were 307 gas & plumbing permits issued for new residential construction, fixture replacements, renovations, and commercial projects. Permits were issued to journeymen, master plumbers and gas fitters with valid licenses and inspections were conducted as required by Mass Uniform Plumbing and Gas Code. In efforts to help expedite the permitting and inspection process for both citizens and contractors the department continues to utilize online permitting. You can apply from your home or office, or you are welcome to come in and we'll be glad to assist. We wish to take this opportunity to thank our colleagues in the office. Without their assistance our work would be nearly impossible.

Respectfully submitted,

W. Michael Doyle, Inspector of Plumbing & Gas Kevin Boyle, Assistant Inspector of Plumbing & Gas

PLANNING

To the Select Board and the Residents of East Bridgewater:

The Planning Board hereby submits the Annual Report for the Calendar Year 2024. Board Meetings are held on the first and third Monday evening of each month at 7:00 P.M. at the Town Office Building in the second floor Conference Room.

During 2024 calendar year, the Board conducted several Public Hearings for Subdivisions and Special Permits: a Special Permit was granted allowing the expansion of the existing warehouse at 140 Laurel Street; a one lot single family residential subdivision with two estate lots was approved for the property at 374 Plymouth Street and a one lot single family residential subdivision for the property at 653 Union St. was also approved. Several Form A Plans and Site Plans were also approved. The Board worked with the Old Colony Planning Council and the Select Board to update the Master Plan. OCPC also worked with the Board in its efforts to develop a plan to bring the Town into compliance with the provisions of the so-called MBTA Communities Act which requires communities to designate at least one zoning district of reasonable size in which multi- family housing is permitted as a matter of right.

The Board submitted a number of articles for consideration at the Town Meetings which occurred during the year. Articles establishing an overlay district for the salvage yard on Thatcher Street, amending the existing ARPUD ByLaw, replacing the former Site Plan Review ByLaw and amending the existing ByLaw regarding accessory dwelling units were all approved. The proposed MBTA Communities zoning ByLaw was defeated.

The Board welcomed two new members, Myles Heger and Dwayne Crosby, during the year. Sherrie Bates, who had served as the Clerk of the Board, did not seek re-election. Our thanks to Sherrie for her service to the Town and the Board.

We would like to thank the Building Commissioner, Patrick Franey, for his cooperation and assistance throughout the year and to thank our office staff, Ellen McKenzie and Candy Boyle, for all of their good work. We also recognize the many Town Departments for their cooperation and kind assistance.

Respectfully

Submitted, Kevin

PLANNING

PLANNING & LAND USE SERVICES – PLANNING BOARD 148

SEALER OF WEIGHTS &

To the Honorable Select Board,

As the Sealer of Weights and Measures for the Town of East Bridgewater I offer the following report for 2024. According to the records, there are over 114 measuring devices in the town resulting in about 120 inspections. Among them are gasoline and diesel pumps, store scales, postal scales, pharmacy scales, loading dock scales, and truck scales. It has been a very interesting job going about the town and learning about the variety of interesting businesses in town. These will all be examined again during 2025 along with any additional devices brought online.

I have made myself available for concerns of residents, directly through a call to the town's telephone system or by calling my number on the inspections label. I look forward to serving the Town of East Bridgewater for the coming year. If shoppers in retail stores, feel that they were charged more than the posted price they should bring it to the attention of the clerk or store manager. The state law concerning labeling errors is posted at each register and can provide immediate relief. If there continues to be a concern or with any measuring device, please give me a call. I can be reached through the Bridgewater Building Inspector's office or by calling the number on the label on the device, 508-697-0904 and the call will be forwarded to my cell phone.

Respectfully
submitted David R.
Moore
Sealer of Weights and Measures

ZONING BOARD OF APPEALS

Dear Honorable Select Board and the Citizens East Bridgewater:

The Zoning Board of Appeals is governed by Chapter 40A of the Massachusetts General Laws and the Town of East Bridgewater Zoning By-Laws. The Board gives due consideration to promoting health, safety, convenience and welfare, and to encourage the most appropriate use of land in order to conserve property values. Applications may be obtained at the Board of Appeals Office in the Planning/Building Department located on the second floor of the Town Office Building during regular business hours. The Board conducted 9 Public Hearings during the year of 2024, which consisted of the following:

	APPROVED	DISAPPROVED	WITHDRAWN	PENDING
VARIANCES	4	0	1	0
SPECIAL PERMITS	3	0	0	0
APPEALS	0	0	0	0

COMPREHENSIVE PERMIT – Still Open – Residence at Meadow Brook public hearing, 848 – 906 N. Bedford St.

80 Townhouse style home-ownership units off Winter Street.
160 rental apartment units (in 4 multi-family buildings) off North Bedford Street.

The Zoning Board of Appeals meets on the first Wednesday of each month at 7:00 p.m. in the Town Office Building on the second floor, in the large conference room. We wish to thank all Town Officials, Town Departments and their staff for their help, interactions and cooperation in the past year.

Respectfully submitted,

Robert Looney, Chairman Gerry Leavitt, Vice Chairman Kevin C. Marchant,
Clerk Gregg C. Heger, Alternate Member James A. Ross,
Alternate Member

SEALER OF WEIGHTS &

FIRE

To the Honorable Select Board and the Citizens of East Bridgewater:

During the 2024 calendar year, the Fire Department welcomed three (3) new full-time members, Firefighter/EMTP Michael Rosa, Firefighter/EMTP Stephanie Wright and Firefighter/EMT Peter Lee, who filled vacancies caused by resignations and are eagerly serving our citizens.

Calendar year 2024 saw a 2% increase in our overall call volume (49 calls) from the previous year. However, we saw a slight decrease in EMS calls for service (7 calls) attributed to the closing of Compass Medical facility. There was an overall increase in fires from the previous calendar year, but a 20% decrease in structure fires. In 2024 we responded to 13 fires in structures, compared to 17 in 2023. In total, the fire department responded to 41 fire incidents which resulted in an estimated $737,050.00 in property loss. A breakdown of the incidents is as follows:

MFIRS/NFIRS #	CATEGORY	2024 RESPONSES	2023 RESPONSES
100-199	Fires Inside/Outside Structures/Explosions (excl 111)	41	37
200-299	Overpressure Rupture/Overheat	1	0
300-399	Rescue/EMS Incidents (Ambulance)	2,035	2,042
400-499	Hazardous Conditions	81	99
500-599	Service Calls	100	74
600-699	Good Intent Calls	68	72
700-799	False Alarm/False Calls	273	222
800-899	Severe Weather/Natural Disaster	4	7
900-999	Special Incident Types	1	2
Total Incidents		**2,604**	**2,555**

Of the 41 responses for Fires Inside/Outside Structures, 13 were for Building/Dwelling fires, 10 for Cooking fires,
2 Fuel Burner/Boiler Malfunction, 5 Motor Vehicle/Off-Road Vehicle fires, and 11 Outside Fire/Outside Equipment/Trash or Rubbish fires. Of the 2,035 Rescue/EMS responses, 1,885 were Medical Emergencies and 145 Motor Vehicle Crashes. 1,565 patients were treated and transported to hospitals in Fire Department ambulances during the year. The department responded mutual aid to other towns for 72 incidents in 2024 and received mutual aid from other towns for 70 incidents. The Department conducted 399 inspections and over 20 fire drills. Fees collected for various statutory or local option permits were submitted to the Town Treasurer in the amount of $14,520.00.

In 2022 the Fire Department applied for, and was awarded, a Staffing for Adequate Fire and Emergency Response (SAFER) grant through FEMA to add four (4) additional Firefighter/Paramedics. This grant took effect on January 8, 2023, and will be active until January 7, 2026. The purpose of the SAFER grant is to provide adequate protection from fire and fire-related hazards, and to fulfill the traditional missions of fire departments. This grant was a highly competitive nationwide grant, and the Town was awarded $976,818.00 to fund four (4) new firefighter/paramedics at 100% pay for salaries and benefits for three (3) years. This grant has saved the Town $484,141.6395 for the cost of salaries and benefits for the four firefighters since its inception.

The SAFE and Senior SAFE programs continue to educate the children and seniors of East Bridgewater. Funding for the SAFE and Senior SAFE programs continues to be provided through grants from the Department of Fire Services. Since the creation of the SAFE program by the legislature over twenty years ago, the average annual child fire deaths have been reduced by 70%. The SAFE and Senior SAFE programs educate people of all ages, from preschool through seniors on fire prevention. Captain/Paramedic Jeffrey Kelley is the Public Education Coordinator and directly oversees the SAFE program. He is committed to making the citizens of East Bridgewater safer, as are all the firefighters, through public education and awareness.

FIRE

PUBLIC SAFETY – FIRE
DEPARTMENT

FIRE

The Fire Department also offers to our senior population and citizens with disabilities the opportunity to have us come out and check your smoke and carbon monoxide detectors free of charge. Residents who are enrolled in our Smoke Detector Program are visited annually to check their detectors and replace the batteries. No dwelling in East Bridgewater should be without smoke and carbon monoxide detectors, as these simple devices may quite literally save your life. For more information regarding this program, contact the Fire Department at (508) 378- 2071.

The Fire Department continues to seek alternative sources of funding and has been awarded over $1,831,777.91 in federal and state grants and FEMA disaster reimbursements since 2010. We will continue to apply for grants for as long as the federal government and Commonwealth of Massachusetts continues the grant programs.

In the spring of 2023, the fire department partnered with the East Bridgewater School District to offer a fire academy program. Since it began, seven (7) senior class members have completed the program and five more are signed up for the spring 2025 academy. The academy is taught by members of the fire department over a three (3) month period and is overseen by Captain Jeffrey Kelley. Our goal with this program is to get young people interested in the fire and EMS service and hopefully be able to offer them employment in the Town they grew up and were educated in.

In December 2024, dispatch duties for the fire department were transferred to the Holbrook Regional Emergency Communications Center (HRECC). This was provided by a grant through State 911 which covers 100% of the cost for the first three (3) years, 50% for the fourth year and 25% for the fifth year. After which the Town will be responsible to pay for the services.

My sincerest thanks to the Select Board, Town Administrator's office, Finance Committee, Capital Needs Committee, members of the Fire Department and all other Town Department's for their continued cooperation, support, and assistance during the past year. To the citizens of East Bridgewater, thank you for the continued, unwavering support of your fire department. Without your support, it would be difficult to accomplish our main goal of helping you in your time of need.

Respectfully
Submitted, Timothy
M. Harhen Chief of
Department

FOREST WARDEN

To the Honorable Select Board and the Citizens of East Bridgewater:

The 2024 calendar year was a quieter year for outside fires. The Fire Department responded to 11 outside fires, a 35% increase from the previous calendar year. These fires burned approximately 1 acres of vegetation and caused less than 100 dollars in property damage. During the State allowed open burning season, which runs on a yearly basis from January 15th through May 1st and is regulated by the Department of Environmental Protection (DEP), the Fire Department issued over 600 burning permits which resulted in approximately 900 renewals.

I would like to thank all the members of the Fire Department and other Town Departments for their assistance to me in the performance of my duties as Forest Warden.

Respectfully
Submitted, Timothy
M. Harhen Forest
Warden

PARKING

Under Massachusetts General Laws, individuals may challenge parking tickets by submitting an appeal request. Appeals can be submitted online via the designated form, by email to parkingclerk@eastbridgewaterma.gov, or by mailing your appeal to:

Parking Clerk
Town of East
Bridgewater 175 Central
Street
East Bridgewater, MA 02333

If mailing your appeal, please include a copy of the ticket/notice and keep the original for your records. If submitting by email, attach an image of the ticket or upload it through the online form.

Appeals must be received by the Office of the Parking Clerk within 21 days of the ticket's issue date.

The Parking Clerk, appointed by the Select Board, fulfills duties outlined in Massachusetts General Laws, Chapter 90, Section 20A, including handling ticket collections and serving as the hearing officer for appeals.

The Town of East Bridgewater does not manage parking ticket inquiries or payments directly. For assistance with ticket inquiries or to make payments, please contact the Plymouth County Parking Office at 508-830-9140, or pay online via the Plymouth County Parking Department website.

Respectfully submitted by:

Rebecca Johnson

POLICE

To the Honorable Select Board and the Citizens of the Town of East Bridgewater:

The Police Department is pleased to submit the Annual Report for the Calendar Year 2024. Through collaborative efforts and partnerships, the East Bridgewater Police Department guards the life, property, and constitutional rights of all and pursues justice with compassion and respect for all our citizens to ensure a safe and secure community. The EBPD.org website was redesigned and made more user-friendly to assist citizens with various tasks, like obtaining an accident report or applying for a license to carry. Since 2024 was the presidential election year, the Police Department worked with the Town Clerk's office to ensure a smooth and safe election day. Precautions were taken including training staff in Civilian Response to Active Shooter Events (CRASE), evacuation points, and Stop the Bleed training. A protective sweep was performed by Officer DeJesus and K-9 Thor, along with other area K-9s, to ensure a safe start to the voting day.

Patrol Division

The Patrol Division consists of six Patrol Sergeants who support and supervise thirteen Police Officers, thirteen Reserve/Special Police Officers, and two K9s. In 2024, the Patrol Division responded to over 20,668 police-related calls for service that included 911 calls, medical emergencies, overdoses, crimes in progress, citizen complaints, motor vehicle crashes, domestic disturbances, and a variety of other emergency and non-emergency requests. Officers prepared 959 incident offense reports and 317 arrest/summons reports. Officers responded to 379 traffic accidents and conducted 3,085 traffic enforcement stops. The Dispatch Center, which was comprised of 7 full- time and 2 part-time dispatchers, received 21,132 calls for service. Later in 2024, we prepared to transition our dispatch services to the Holbrook Regional Emergency Communications Center (HRECC). In December 2024, we transferred 911 calls for service and calls for the Fire Department, with calls for the Police Department to follow in January 2025. Police officers now cover the desk for walk-in emergencies and regular business.

K-9 Division

The K-9 Division consists of Officer Joshua DeJesus and K-9 Thor and School Resource Officer (SRO) Tallitha Connor and K-9 Morgan. Officer DeJesus' partner Thor is trained as a patrol K-9 for tracking and apprehension and as a drug detection K-9. In 2024, the Plymouth County Comfort Dogs Program provided funding for Officer Connor and K-9 Morgan to attend training and community policing events, as well as make safety modifications to their cruiser, and obtain insurance for K-9 Morgan.

Investigative Division

The Investigative Service Division consists of three Detectives, including a Detective Sergeant. Each Detective is assigned to a specialized Task Force, in addition to their responsibilities within the Town of East Bridgewater.

POLICE
EAST BRIDGEWATER

POLICE
EAST BRIDGEWATER

These investigators collaborate with other local, state, and federal law enforcement agencies including the FBI, DEA, ATF, HSI. The Task Forces our Detectives are assigned to include the Massachusetts State Police Commonwealth Interstate Narcotics Reduction Enforcement Team (CINRET), the FBI Metro Boston Gang Task Force, the WEB Major Crimes and Drug Task Force, the Plymouth County District Attorney's Human Trafficking Task Force, the Massachusetts ICAC (Internet Crimes against Children) Task Force, and the FBI Child Exploitation and Human Trafficking Task Force. The mission of these task forces is to find and target criminals associated with narcotics, weapons, cybercrime and other violent or major crimes. Between our detectives and their respective task forces, numerous weapons, drugs, sex offenders and illegal proceeds have been taken off the streets of East Bridgewater and the surrounding communities within Southeastern Massachusetts.

Massachusetts Police Accreditation Commission Certification

In October 2024, the Department received Certification by the Massachusetts Police Accreditation Commission (MPAC). To attain this certification, the Department must comply with 178 mandatory standards covering critical aspects of policing, including jurisdiction and mutual aid evidence collection, communications, community involvement, and training in use of force and de-escalation. Achieving certification was a rigorous process that involved an independent review of the Department's policies and practices by assessors from outside agencies to ensure the Department meets MPAC's high standards in law enforcement. Certification/Accreditation is awarded to law enforcement agencies who demonstrate both professional conduct and a continued commitment to excellence by living up to a body of standards that are reflective of the protection of life, health, safety, and rights of its citizens.

Traffic Enforcement Grant

In 2024, the East Bridgewater Police Department was awarded a total of $29,998 in federal grant funds distributed by the Executive Office of Public Safety and Security's Office of Grants and Research (OGR). The East Bridgewater Police Department received the grant from the National Highway Traffic Safety Administration (NHTSA). The grant helps to fund targeted traffic enforcement campaigns by the Patrol Division (seatbelts, OUI, distracted driving, crosswalks), safety equipment (portable electronic speed signs), and non-enforcement activities to help reduce vehicle crashes and the resulting injuries and loss of life. The funds are distributed to local agencies by the Executive Office of Public Safety and Security's Office of Grants and Research (OGR).

FY-24 Edward J. Bryne Justice Assistance Grant (JAG) Program

Detective Sergeant Cramer researched, wrote, and secured a 2024 Edward J. Byrne Justice Assistance Grant (JAG). The Executive Office of Public Safety and Security's Office of Grants and Research is responsible for administering the grant program, originating from the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance. The primary focus of the grant is to impact specific public safety needs by prevention/intervention, diversion, and/or enforcement. The priority areas include combatting drug use, domestic violence and sexual assault, gang and gun violence, missing persons cases, hate crimes, technology upgrades

POLICE

PUBLIC SAFETY – POLICE DEPARTMENT

and investigative tools, and school safety and security. The East Bridgewater Police Department was awarded a total of $43,200. Approximately $12,000 was awarded to purchase a new covert static surveillance camera. The remaining $31,200 was awarded to pay for two proactive anti-crime enforcement initiatives. The focus of the first initiative is to combat illicit narcotics activity. Officers proactively patrolled the town in unmarked cruisers, specifically problem areas, to disrupt illicit drug activity.

School Safety

In 2024, School Resource Officer (SRO) Connor oversaw safety and crime prevention in schools. The SRO helps train and educate school staff members and students, to develop safety plans as an ALICE instructor and serve as a liaison between schools and outside agencies, in addition to enforcing laws. The department has three certified ALICE instructors that assist the school's own certified instructors to bring the program to the school staff and provided a Stop the Bleed overview. The SRO collaborates with the schools instructing Botvin life skills, helps with the Little Vikings summer program, Community Helpers, Halloween safety and bus evacuations. SRO Connor participated in the planning and leading a team at the District Attorney's DARE Summer Camp in July 2024. The SRO also works in the High Roads alterative placement school and is involved as a pilot program (1 of 4 schools statewide) TraffickSTOP (Signs to Observe and Prevent) a program designed to educate high school students on identifying and preventing human trafficking.

Specialized Training

The East Bridgewater Police Department has remained committed to supplying the absolute best law enforcement training for its officers. The Department has continued to use online and in-person training through the MPTC (Municipal Police Training Council), MPI (Municipal Police Institute) and PoliceOne Academy. Some of the recent specialized trainings include; De-escalation, Social Media Exploitation, Social Media Investigations, School Safety, Financial Crimes Investigations, Crisis Negotiator Training, Suicide Prevention, Cyber Crimes Investigations, Firearms Safety, Defensive Tactics, Legal Updates, Domestic Violence Training, Mental Health Training, Critical Incident Stress Management (CISM) Training, Human Trafficking/Sexual Exploitation of Children Training, Physical Surveillance Techniques, Technology Threats/Trends Narcotics Investigations, Solving Crimes Trends/Electronic Stakeouts, Cell Phone Extraction, Identity/Imposter Training, Officer Involved/Officer Shooting Investigation, Civil Rights, Sexual Assault Investigation, Employee Background Investigation, Juvenile law updates, Digital Evidence, Organized Retail Crimes, Active Attack Integrated Response (AAIR) and Homicide Investigation. Many of these training courses were necessary to certify East Bridgewater Police personnel as MPTC instructors, allowing the Department to move forward with in-house training and obtain certification through MPAC.

MED-Project

Our department remained committed to MED-Project's mission, by maintaining a drug drop box in our lobby to safely dispose of unwanted medication and sharps. Medicines help treat diseases, manage chronic conditions, and improve health and well-being for millions of Americans. It is vitally important that patients take their medicines as prescribed by their health care provider and as shown on the label or packaging. It is also important to be sure to store medications securely to prevent accidental ingestion or misuse by others in your household, especially children. In addition to the drug drop box, the East Bridgewater Police Department has participated in the National Drug Take Back program that ran in conjunction with the Community Shredding event with the Council on Aging, the East Bridgewater Fire Department, and the Department of Public Works.

Partnership with LOSS Team Plymouth County

The East Bridgewater Police Department has partnered with Local Outreach to Suicide Survivors (LOSS) Team Plymouth County to support those impacted by a death by suicide. LOSS Team Plymouth County launched in January 2023. It is a group of trained volunteers who collaborate with police departments across Plymouth County to bring hope and support to survivors in the immediate wake of the loss of a loved one. Through the new

POLICE

PUBLIC SAFETY – POLICE DEPARTMENT

partnership, when a death is initially determined to be a suicide, East Bridgewater Police will contact the LOSS Team, and volunteers will respond to the scene to speak with the survivor(s). The outreach team involves two or more volunteers, including a suicide loss survivor, who connect the survivors to services and resources for use whenever they feel ready. The outreach team provides a packet with information, such as how to talk to kids about a suicide loss and how grief is experienced differently among people. The team also leaves resources, such as contact information for the state's Behavioral Health Help Line and Alliance of Hope, and a list of suggested podcasts and books.

UniPay Online Payment Center

In 2024, the department began offering an online payment center through UniPay, providing a convenient payment option for firearms licensing, police details, and donations to our K-9 Unit. The payment center link is available on the EBPD website.

Community Policing:

The officers in our department are dedicated to the residents of East Bridgewater and take immense pride in collaborating with the community at events throughout the year.

Coffee with a Cop – Officers and community members met at the East Bridgewater Council on Aging to make connections, discuss any concerns, and enjoy coffee and refreshments provided by the department.

9/11 Memorial Service – Officers and staff attended the annual memorial service to honor of the victims of 9/11 and in particular, East Bridgewater native and Secret Service Master Special Officer Craig Miller, who died in New York City on Sept. 11, 2001.

Holiday Meals – In collaboration with Guns N' Hoses and East Bridgewater High School seniors, officers
delivered 33 Thanksgiving meals and 39 Christmas meals with gifts to families in need.

R.A.D. (Rape Aggression Defense) Classes – R.A.D. classes were held several times in 2024. These classes consist of eight hours of self-defense lessons that teach valuable techniques for defending oneself in a threatening situation. R.A.D. is a hands-on class with the option of participating in a simulation exercise on the last day, allowing students to use the skills they have learned to fight off a mock attacker. The department has one R.A.D. certified officer and three officers certified to teach R.A.D. Kids.

Massachusetts Military Support Foundation – Officers participated in the 7th Annual Coats4Vets event at Gillette Stadium, bringing home a cruiser of coats for Veterans in our community.

Bicycle and Halloween Safety Presentations – In the Summer, officers presented bicycle and summer safety tips to students and teachers at a day care center in Town. In October, officers returned to review tips with students and teachers for being safe while trick-or-treating on Halloween.

Gun Safety at the East Bridgewater Council on Aging -The Chief and Deputy Chief presented a firearms safety class on how to secure your firearms when not in use. This presentation included giving away locks from Project Child Safe; the department received a case of gun cable locks at no charge through Project Child Safe to promote responsible firearms ownership.

Safety & Wellness Fair for Seniors – The fair was hosted in conjunction with the East Bridgewater Council on Aging, the Plymouth County Sheriff's Department, the East Bridgewater Fire Department, and the Plymouth County District Attorney's Office at The Center at Sachem Rock.

BFIT Challenge at TD Garden – Several of our officers participated in the BFIT Challenge at TD Garden. Our EBPD Team raised over $2,000 for the 100 Club, a non-profit organization that provides immediate

POLICE

PUBLIC SAFETY – POLICE DEPARTMENT

financial assistance to the dependent families of peace officers and firefighters who are killed or seriously injured in the line of duty.

Life Saving award - On April 2, at 12:52 a.m., East Bridgewater Police dispatch received a 911 call from a resident stating that her husband, who has heart issues, was unconscious and unresponsive. Sgt. Dennis Andre and Officer Matthew Monteiro were dispatched to the residence. Upon arrival, they were directed toward the patient, who was unresponsive and was not breathing. The officers began CPR and administered a shock via a defibrillator. The patient began breathing again as paramedics arrived and continued critical care, he was transported to the hospital and survived. Sgt. Andre and Officer Monteiro received lifesaving medals for their heroic efforts.

The East Bridgewater Police Department continues to be dedicated to serving and supporting the community by helping to create and maintain a safe environment for all.

Respectfully submitted,

Michael Jenkins, Chief of Police and Michael McLaughlin, Deputy Chief of Police

DEPARTMENT OF PUBLIC

To the Honorable Select Board

As the Director of Public Works for the Town of East Bridgewater, pleased to present our department's annual report for 2024.

Highway & Land Management Division

Winter returned to East Bridgewater in late 2024. Although like the last several years we did not have any significant snow fall, temperatures dropped early in the season and stayed cold for the duration of the winter. That had not occurred for nearly a decade previous. The area also experienced late summer and fall drought. Several roadway improvement projects including the resurfacing Bridge Street, Grove Street, North Water Street, a section of Winter St and Maple and Hobart Street. Sections of sidewalk were reconstructed along North Bedford Street, Union Street and Maple Ave. The division completed 1376 work orders related to road and grounds maintenance. 192 miles of roadway were swept to remove debris and roadsides
were mowed during the growing season to control vegetation growth. We undertook an aggressive program to identify and remove over 100 white & green ash trees along the roadsides that have been infested by the emerald ash borer. The DPW continued to work to improve the on-going maintenance programs for all town athletic fields and green spaces.

Water Division

The East Bridgewater Water Department is pleased to present our 2024 Annual Report, summarizing the accomplishments and ongoing efforts of our team in delivering safe, clean, and reliable drinking water to the residents of East Bridgewater. Throughout the year, we have continued our commitment to system maintenance, infrastructure improvements, and regulatory compliance to ensure the highest water quality standards are met.

Water Treatment Division

In 2024, our Treatment Division successfully produced 313 million gallons of drinking water, ensuring an uninterrupted supply to our community. Routine maintenance and system enhancements have been key in maintaining operational efficiency. Additionally, we continued our collaboration with an engineering firm to advance the development of a new well at our Pond Street location, a crucial step in enhancing our water supply capabilities. We also rehabilitated the retention ponds at both treatment plants to improve water management and sustainability. Furthermore, our monthly sampling programs have been diligently conducted to ensure the continued safety and quality of our drinking water.

Pumping Stations

Our five pumping stations underwent annual cleaning and received necessary upgrades to maintain peak performance. These proactive measures help prevent mechanical failures and ensure reliable operation throughout the year.

Distribution Division

Our Distribution Division worked diligently to maintain and improve the town's water infrastructure. Key achievements
include:
· Repairing multiple water leaks throughout the system.
· Installing five new fire hydrants to enhance fire protection.
· Installing three new gate valves to improve system control and reliability.
· Nearing the completion of our meter replacement program, with only a few meters left to be replaced.
· Conducting thorough testing of backflow preventers to safeguard against contamination.
· Initiating our Lead and Copper Service Line Inventory, a critical step in identifying and addressing aging

DEPARTMENT OF PUBLIC

infrastructure. Regulatory Compliance

PUBLIC WORKS – DEPARTMENT OF PUBLIC WORKS

DEPARTMENT OF PUBLIC

Compliance with state and federal regulations remains a top priority for the Water Department. Our team adheres to all State (DEP) and Federal (EPA) regulations by conducting extensive testing at daily, monthly, quarterly, and yearly intervals. These tests monitor for over 300 potential contaminants, ensuring that our drinking water meets or exceeds all safety standards.

Looking Ahead
As we move into 2025, we remain dedicated to continuous improvements, infrastructure resilience, and the ongoing
safety of East Bridgewater's water supply. We appreciate the support and cooperation of our residents as we work toward sustaining and enhancing our community's water system.

Solid Waste & Recycling Division

With 2986 households participating in East Bridgewater's curb side collection program they generated and disposed of 4207 tons of solid waste at the curb. Of that "waste" 968 tons of paper, plastics, tin, aluminum, and cardboard were recycled.

Facilities Division

The Facilities/Grounds Division completed 2071 work orders during 2024.

A Green Communities grant of $200,000 funded several Energy Efficiency projects which included the installation of new energy efficient circulator pumps with Variable Speed Frequency drives, Interior LED lighting upgrades at the Middle School, replacement of four transformers at Middle school, weatherization measures and attic insulation at the Library and the final phase of interior LED lighting upgrades at the High school. The new 300kw generator installation was completed at the Town Hall/Police station. The Library HVAC upgrade and flat roof replacement project was completed. The Library Teen room was updated with fresh paint and new carpet. Masonry repairs were made to the front façade of the Library. The synthetic turf field at the High school was replaced and the track was resurfaced.

I am extremely proud of the efforts of the team within our public works organization as they continue to provide the essentials services to the town of East Bridgewater

With the cooperation and support of all municipal departments, Boards and Commissions, the Department of Public Works strives to enhance the overall operation and resident's experiences with all of town's buildings, infrastructure, and open spaces.

Respectfully

submitted, John B.

Haines

Elaine Fiore
Joyce Krystofolski

Ross Rossetti – Superintendent/Pilot Matthew McPhee- Asst. Superintendent
Ellen Bidlack – Entomologist
Denise DeLuca – Administrative Assistant

The Commissioners of the Plymouth County Mosquito Control Project (PCMCP) are pleased to submit the following report of our activities during 2024.

The Project is a special district created by the State Legislature in 1957, and is composed of the 27 municipalities in Plymouth County and the Town of Cohasset. The Project is a regional response to a regional problem, and provides a way of organizing specialized equipment, specially trained employees, and mosquito control professionals into a single agency with a broad geographical area of responsibility.

In the spring, larviciding efforts begin as water temperatures rise and mosquito larvae begin to feed. The Project ground and aerial larvicided 20,114 acres and this was accomplished using an environmentally selective bacterial agent. Upon emergence of the spring brood of mosquitoes, ultra-low volume adulticiding began on June 3rd, 2024 and ended on September 30th, 2024. The Project responded to 16,502 requests for spraying and larval checks from residents covering all of the towns within the district.

The Department of Public Health (DPH) has developed an “Arbovirus Surveillance and Response Plan” for the state. The Plan creates a system which estimates the human risk for contracting Eastern Equine Encephalitis and West Nile Virus using several factors including the number of infected mosquitoes. Based on guidelines defined by the Plan, all towns in Plymouth County Mosquito Control Project started the season at “Low Level Risk” for Eastern Equine Encephalitis. At the end of the season the following towns were still at “Low Level Risk”: Abington, Brockton, Cohasset, Duxbury, East Bridgewater, Hanover, Hanson, Hingham, Hull, Marshfield, Norwell, Pembroke, Rockland, Scituate, West Bridgewater, and Whitman. The following towns were at “Moderate Level Risk”: Bridgewater, Carver, Halifax, Kingston, Lakeville, Mattapoisett, Marion, Middleboro, Plymouth, Plympton, Rochester, and Wareham. The towns of Carver, Middleboro and Plymouth were temporarily raised to “High Level Risk” due to EEEV activity that included 4 horse cases and 1 human case. Statewide there were 4 human cases and 4 animal cases.

The Commonwealth of Massachusetts responded to the EEEV activity by conducting wide scale aerial adulticiding. The area treated was 157,000 acres and included parts of the towns of Carver, Halifax, Kingston, Middleboro, Plymouth, Plympton, Rochester, and Wareham. Applications of this kind are complex and involve a large number of state agencies including DPH, The Department of Agricultural Resources and The State Reclamation and Mosquito Control Board. The Project assisted with these applications in a number of ways, including supplying equipment and helping to document efficacy of the application.

PCMCP followed the “Arbovirus Surveillance and Response Plan” and responded to the EEEV by increasing our adulticiding and mosquito surveillance. The Project conducted wide area applications by truck in locations where EEE was detected. We also submitted extra mosquito samples for virus testing.

West Nile Virus activity was widespread in Massachusetts. Statewide there were 18 human cases, none of them were in the district. All of the district started the season at the “Low Risk Level” for West Nile Virus. However, later in the season the human risk was raised to moderate for most towns and the following towns were raised to the “High Risk Level” Brockton,

Abington, Whitman, East Bridgewater, Rochester, Marion and Mattapoisett. As part of our West Nile Virus control strategy a total of 57,096 catch basins were treated with larvicide in member towns to prevent WNV.

The Project participates in DPH's mosquito surveillance program. As part of that program, we collected 115,484 mosquitoes and submitted 35,177 mosquitoes for testing. The mosquitoes were combined into 824 groups or pools. DPH also tested 13,789 mosquitoes from the district. In all there were 65 isolations of EEEV from mosquito samples. EEEV was found in Abington, Carver, Halifax, Kingston, Marion, Mattapoisett, Middleboro, Plymouth, Rochester, Wareham, West Bridgewater and Whitman. There was a total of 109 WNV isolations from Abington, Bridgewater, Brockton, Cohasset, Duxbury, East Bridgewater, Halifax, Hanover, Hanson, Hanover, Hingham, Hull, Kingston, Marion, Marshfield, Mattapoisett, Middleboro, Pembroke, Plymouth Rochester, Rockland, Scituate, Wareham, West Bridgewater, and Whitman.

The health threat of EEE and WNV continues to ensure cooperation between the Plymouth County Mosquito Control Project, local Boards of Health and the Department of Public Health. In an effort to keep the public informed, EEE and WNV activity updates are regularly posted on the Department of Public Health website.

The introduced mosquito *Aedes albopictus* has the potential to become a serious pest and a vector of disease. The mosquito has been present in Massachusetts since 2009. The larvae live in containers and are closely linked with human activity. They are especially associated with used tires. The Project began a tire recycling program in October 2017. During the 2024 season we recycled 1,533 tires bringing us to a total of 13,615 tires for the program.

The figures specific to the town of East Bridgewater are given below. While mosquitoes do not respect town lines the information given below does provide a tally of the activities which have had the greatest impact on the health and comfort of East Bridgewater residents.

Insecticide Applications: Our greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes and other standing water areas. Field Technicians continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present. In East Bridgewater 215 larval sites were checked.

During the summer 340 catch basins were treated in East Bridgewater to prevent the emergence of *Culex pipiens,* a known mosquito vector in West Nile Virus transmission.

Our staff treated 4,068.42 acres using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in June and the last in September.

Water Management: During 2024 crews removed blockages, brush and other obstructions from 7,815 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito production. This work, together with machine reclamation, is most often carried out in the fall and winter.

Mosquito Survey: Our surveillance showed that the dominant mosquitoes throughout the district were generally *Cq. peturbans* and *Cx. pipiens/restuans.* In the Town of East Bridgewater the three most common mosquitoes were*, Cq. perturbans, Cs. melanura* and *Cx. pipiens/restuans.*

Education and Outreach: Our Community Liaison, Erin Morrill, has been reaching out to schools and daycares to update IPM plans in preparation for the upcoming mosquito season. In-person visits to local BOH's are ongoing with the aim to meet with every community before the summer. Erin has been working with interested parties to set up educational presentations starting in the spring. If your town is interested in setting up a presentation at summer camps, schools, fairs, libraries, or councils on aging please contact our office.
Our Project website is a great resource for information on upcoming meetings, the annual budget, educational information, and Project services. Announcements and important dates can be found on the home page. Please visit us at www.plymouthmosquito.org or call our office with any matters of concern.

Sincerely,

Ross Rossetti
Superintendent

SOUTHEASTERN REGIONAL SERVICES GROUP

Procurement and other services are provided to the Town of East Bridgewater by the Southeastern Regional Services Group (SERSG) and have been since the organization's inception in 1993. Annual dues of $4,100 support one Regional Administrator, who serves twenty-five towns and cities; the last dues increase was in 2012. The Town saves this amount by devoting less skilled-staff time to common procurements and document preparation. SERSG contract prices are generally lower than state contracts and require less time to use.

East Bridgewater used SERSG contracts for many purchases, utilized subsidized trainings, and participated in six bids between July 1, 2023 and June 30, 2024 to secure vendor contracts. Those contracts were for DPW Services, Drug and Alcohol Testing Services, Office Supplies, Paper, DPW Supplies, and Water and Sewer Treatment Chemicals.

- DPW Service bids were received in December of 2022 and resulting contracts took effect in March 2024. These contracts were for 18 services with an estimated value of $1,650,322.35.

- Drug and Alcohol Testing Services is currently active. This federally required service is now secured with a three-year contract that took effect on 1/1/24 and will expire on 12/31/2027

- East Bridgewater is currently participating in a two-year Office Supply contract, which provides a 57.8% discount off list price (for non-excluded items using a standard wholesaler's catalog), with ink and toner cartridges discounted by 32.8%. East Bridgewater spent $22,767 on office supplies in fiscal year 2023, while saving $28,985 off list price.

- The Town and schools pay competitive fixed prices for Paper using a SERSG contract, which provides 15 distinct items with both recycled and non-recycled options. By the end of this period, East Bridgewater had spent $12,917 under this contract.

- In spring 2023, contracts were secured for 24 DPW Supply items. The estimated value of these supply contracts is
  $355,621.02.

- East Bridgewater saves using SERSG contracts instead of state contracts even for common purchases like fuel. This is because per gallon prices for gas and diesel fuel are $0.07 and $0.05 lower than the state contract prices respectively. Savings off state contract prices for these two items alone is $3,860.

Michael Kelly, Regional Administrator

SOUTH SHORE RECYCLING COOPERATIVE

2024 REPORT OF SOUTH SHORE RECYCLING COOPERATIVE

The South Shore Recycling Cooperative (SSRC) is a voluntary association of South Shore towns. It was established by Intermunicipal Agreement and Special Legislation in 1998 to help member towns improve their recycling programs, and reduce the amount, toxicity and cost of disposal.

Eighteen towns are current SSRC Members: **Abington, Braintree, Cohasset, Duxbury, East Bridgewater, Hanover, Hanson, Hingham, Hull**, **Kingston,** new member **Marshfield, Norwell, Pembroke, Plymouth, Rockland, Scituate, Weymouth**, and **Whitman**. **Middleborough** was a Member through June 30. Representatives from each member town are appointed by Chief Elected Official(s) *(list attached).*

In FY24, the SSRC raised **$95,150:** $87,300 from Member Town dues, $1,200 in sponsorships, $4,000.00 in grant funding, and $1,562 in interest.

Total expense in FY24 was **$94,037**. This paid for the services of the Executive Director, the Hazardous Waste Specialist and assessors, and for waste reduction and recycling activities that benefit our member towns detailed below.

In addition to services and advocacy outlined below, membership in the SSRC **saved /earned Member Towns more than $323,000** in CY2024. See page 6 for details. Supporting documents are available upon request.

MATERIALS MANAGEMENT

Household Hazardous Waste Collections - The SSRC arranges for and administers Household Hazardous Waste Collections on behalf of its Member Towns. Of the twelve collections in 2024, it coordinated four multi -town events involving eleven towns, creating further savings.

Member Towns saved staff time to contract, schedule, publicize and staff collections. The Executive Director, Hazardous Waste Specialist and/or HHW Assessors assisted at all events. The Executive Director coordinates the billing.

2,405 households attended our **twelve collections** in 2024. The **reciprocity policy** also enabled **924** of those residents to attend other Member Towns' collections, the most ever. This arrangement qualifies member towns for additional MassDEP **Recycling Dividend Program** points and earned them an extra **$29,480** in the 2024 grant cycle.

Capacity of vendors to conduct household hazardous waste (HHW) events is tight. Anticipating a continued supply shortage, the SSRC is planning a regional HHW Depot to replace most of our "pop-up" events. SSRC applied for and was awarded a grant of $250,000 from MassDEP, $120,000 from the Community Compact Cabinet through the Metropolitan Area Planning Council, as well as technical assistance from both. Participating Member Municipalities and the SSRC itself are providing additional funds. The Hanover Transfer Station is the most likely site.

In addition to the convenience of access to eleven events for Member Town residents, the total cost savings and benefits of the HHW program in 2024 is estimated at **$66,120.**

General Recyclables – The "blended value" of mixed traditional recyclables (paper, cardboard, bottles and containers) was ranged from $39-$59/ton in 2024, offsetting the processing cost of about $120/ton to sort, bale and deliver to end markets. Costs for separated recyclables sorted by residents are typically lower, values higher. The average net cost of mixed recycling was about $69/ton, which is still less than the cost of disposal, which averaged

TOWN OF EAST BRIDGEWATER
INCORPORATED 1823

$96/ton among out Members.

The SSRC Director continues to monitor and report market fluctuations, seek out advantageous vendor options and pricing, and assist with resident education to improve material quality.

The Director is pursuing regulatory and legislative relief to achieve relief from these and other material management costs.

Other Materials – The SSRC enabled its Members to save money, find better service and/or earn rebates for such things as:

- Propane tank collections – To address widespread lack of access to proper propane tank and fire extinguisher recycling service, SSRC piloted 2 collections in conjunction with HHW events. Over 100 households delivered 411 units at no cost to the towns.
- Tires – Collaborated with Plymouth County Mosquito Control on 4 free tire collections. Residents throughout the service area recycled 359 tires through the program, saving them and their towns about $2K.
- Textiles – SSRC connected Member Towns with new service providers (BBBSF, Helpsy) that pay our Towns higher per-ton rebates than the Towns were receiving, as well as curbside service with a smaller rebate, providing more options for collection. Combined rebates and disposal cost savings totalled $168,425.
- Mattresses – Two mattress recycling companies (HandUp and Tough Stuff) presented at Board meetings, offering more competitive rates for our municipalities' programs.
- Food waste – Two food waste management companies (RecycleWorks and Black Earth Compost) presented at
  Board meetings, offering more competitive rates and programs for our municipalities' programs.

PUBLIC OUTREACH:

Radio Public Service Announcements – With funding from MassDEP and Covanta SEMASS, the SSRC aired **8 PSAs** for 6 weeks on WATD FM and its 2 sister stations. They covered "bring your own bag", textiles, proper preparation of recyclables, plastics and composting. In addition to educating residents, this helped our towns to qualify for MassDEP incentive grant funding. Listen at ssrcoop.info/radio-ads/

Website - **ssrcoop.info** provides both general and town-specific recycling and household hazardous waste collection information, meeting minutes and annual reports, a monthly newsletter, and links to other sites. Traffic remained high, with 82K page views by 44K visitors in 2024. 80% of visitors were new.

Facebook: The SSRC posts waste reduction and recycling tips regularly on its Facebook page, which has 724 followers.

Press Contacts - The SSRC is a resource to and a presence in print, web and cable media. An Op-Ed cowritten by the Executive Director and 9 colleagues about the need for extended producer responsibility policies nationwide was published in Waste Dive.

Resident Contacts – The Director fielded hundreds of calls and emails from residents and businesses in 2024. Most were about hazardous waste, but she also advised how to properly dispose of everything from fire extinguishers to fiberglass, Teflon pans to a treadmill. She also mentors Cohasset Middle School students doing research projects each semester.

ADVICE, ASSISTANCE AND NETWORKING

Consultations with the Executive Director are frequently sought by the solid waste managers. She stays current on local and national solid waste issues, attending conferences, meetings and webinars, visiting local disposal and recycling facilities, and reading professional publications. She provided requested advice and help on a **wide range of issues,** from fee setting and hauling contracts to host community agreements.

Commodity pricing – The Director subscribes to Secondary Materials Pricing, and sends out quarterly summaries of index pricing and blended value tables to the Managers. This information indicates what towns should be paying/receiving for their recyclables.

Grant assistance – Our Member Towns were collectively awarded **$175,570** in MassDEP grants in 2024.

Membership in SSRC qualified our Member Town's for **$59,560** in Recycling Dividend Program funds.

Maximizing these grant funds is a frequent topic at our Board meetings, and the Director shares specific action items via email. The SSRC summer intern entered all Member Towns' information in the Beyond the Bin recycling directory, to qualify them for grant money. The Director helped several Member Towns submit their MassDEP Data Surveys and/or Grant applications. Funds may be used for a broad range of recycling-related equipment, outreach, activity, memberships and conferences, and for hazardous waste management costs.

Newsletter - The SSRC emailed eight **SSRC News** issues, posted at ssrcoop.info/newsletters/ to 1,999 subscribers (up from 1,768 in 2023), including many residents. They cover a wide range of topics, including local, state and national waste issues, how to be a better recycler, and where our materials go. The open rate averages 58%.

ADVOCACY

The Executive Director promotes legislation the Board deems beneficial to its solid waste programs. She works with our Beacon Hill delegation and is an active adviser to the Mass. Product Stewardship Council. 2024's focus legislation concerned **packaging/paper, mattress and paint producer responsibility**. See our Advocacy page at ssrcoop.info/advocacy/ for more information.

The Director represents the Board on the MassDEP Solid Waste Advisory Committee (SWAC). She is advocating for more detailed reporting requirements by recycling processors in discussions with MassDEP, and for the establishment of an official Hazardous Waste subcommittee to the SWAC.

The SSRC exists to assist its member towns in improving their solid waste disposal and recycling functions. It always welcomes suggestions on how it can better serve its Members.

Respectfully submitted,

Claire L. Galkowski, Executive Director

BOARD OF

The Board of Health is honored to present its Annual Report for the year 2024. The current members include Thomas Duquette Jr. as Chair, Andrew Hudson as Vice Chair, and Robert Lyons as Clerk. Board meetings are held on the first and third Monday evenings of each month at 5:00 PM in the conference room on the first floor of the Town Office building.

The mission of the East Bridgewater Board of Health is to uphold Federal Codes, Massachusetts General Laws, State Environmental and Sanitary Codes, as well as Town By-laws and Regulations. The Board is dedicated to protecting and improving the public health and well-being of both residents and visitors in East Bridgewater through various activities, including permitting, assessment, monitoring, education, and inspections, all aimed at fostering a safe and healthy community.

We continue to issue permits for septic systems, trash and medical waste haulers, restaurants, retail sales establishments, milk and cream vendors, food trucks, residential kitchens, tobacco sales, body art establishments, practitioners, tanning establishments, Installers, Title V Inspectors, and both irrigation and potable water supplies. Housing inspections are conducted upon request.

The Annual Rabies Clinic was held on June 10th at the Council on Aging. The Board expresses its gratitude to Dr. Bonnie MacArthur and her exceptional team for providing this low-cost clinic to our residents. We also extend our sincere thanks to the Council on Aging for allowing us to continue utilizing their beautiful facility.

We continue to offer the WPAT Community Loan Septic Management Program, which provides loans to residents with failing septic systems, with repayment to the town through a Betterment Program.

The Board of Health would like to thank all town departments and boards for their ongoing support and cooperation throughout the year.

Respectfully

submitted, The

Board of Health

BOARD OF

COUNCIL ON

To the Honorable Members of the Select Board and Citizens of East Bridgewater:

It is with great pleasure that I submit the Council on Aging's 2024 annual report.

The East Bridgewater Council on Aging's Mission Statement is to "Serve older persons, disabled persons of all ages and their caregivers, and others in need of services and referrals. Programs that enhance dignity, support independence and encourage general wellness are developed, coordinated and promoted to meet the needs of these individuals." The Council on Aging (COA) fulfills this mission statement in various ways. The COA strives to keep our residents aging well in our community and is committed to providing services, educational, recreational, and social opportunities to the rapidly increasing number of older and disabled residents of East Bridgewater.

According to information from the Office of the Town Clerk in East Bridgewater, the population of adults aged 60 and older residing in East Bridgewater at year's end has increased to 4,081 and represents over 29% of the town's overall population. This number also represents an increase of 451 additional older adults age 60+ since the last federal census in 2020 and will continue to grow steadily over the next several years as residents move into our community or reach their 60th birthday. In East Bridgewater it is estimated that 33% of the town's population will be aged 60 or older by 2030.

January began with the arrival of a CardioChek Plus analyzer which was obtained through one of two Field Demonstration Grants from Massachusetts Councils on Aging (MCOA) and the Executive Office of Elder Affairs (EOEA). This is a handheld device designed to do on-the-spot, lab-accurate testing of the most important blood values. Each test provides overall cholesterol, LDL, HDL, triglycerides, and glucose readings. Those who exhibited elevated or abnormal readings upon testing were referred to their primary care physician. Thank you to Public Health Nurse, Heather Doucette, APRN, FNP- BC for her assistance with this grant in the amount of $1,030.90. In May, Heather completed extensive additional educational requirements and passed her state boards to become a Board Certified Family Nurse Practitioner. Well done, Heather. Congratulations!

At the end of April, new audio/video equipment, obtained through the second Field Demonstration Grant in the amount of
$25,000, was installed in the multi-purpose room, downstairs classroom, and upstairs computer room. New laser projectors replaced existing, failing/outdated lamp-based projectors in all three locations, along with updated wiring to work with modern devices as well as interface with our existing sound system in our multipurpose room. While the current multipurpose room in-ceiling speaker system remained, the other two projection sites were equipped with projectors that also contain audio. Since the two classrooms previously did not have speakers, this necessitated the use of a separate stand-alone speaker which was often unreliable, difficult to set up, and difficult to hear. Our outdated system also did not operate well with our existing hearing- assist loop equipment. The new equipment is much more user-friendly and reliable. Thank you to both agencies for awarding East Bridgewater these funds and to IT Director, Ryan McGonigle for his help with this project.

Patrick Connolly and Ellie Fay, Southeastern Regional School sophomores, joined us beginning in January on Tuesday and Thursdays, every other week, for the remainder of the school year. They helped with data entry, phone calls, and technology assistance. In return, they learned about the aging services network and how to interact with older adults both in person and on the phone. A win-win situation for all!

Joanne C. Tully, relations Officer and Ryan McKinnon, CAMS, Fraud Manager of South Shore Bank joined us, also in January, for the presentation "Financial Fraud and Phone Scams" and Dr. Valarie Whiting facilitated a "Grandparenting with Autism Workshop". Dr. Whiting returned in February and several additional times throughout the year at the request of the participants. Later in January, representatives from Blue Cross Blue Shield of Massachusetts presented "Exploring Medicare Advantage Plans". We thank these busy professionals for sharing their expertise!

In March, Deana Andrade, LICSW, and Behavioral Health Manager, paid a visit to help us learn about Old Colony Elder
Services' Elder Mental Health Outreach Team (EMHOT) which aims to support older adults 60+ with chronic

COUNCIL ON

illness and

crisis situations who may require counseling or long-term case management to improve overall well-being. If you are in need of such services, please give the COA a call or call OCES directly at 508-584-1561 and ask for Intake & Referral.

Bridgewater State University intern, Sarah Franklin, returned after the semester break and continued through the remainder of her school year which ended at the end of April. Thanks to the support of Old Colony Planning Council's newly formed South Shore Mental Health Consortium for their financial and logistical support. Sarah's focus was on the mental and physical well-being of our older adult residents. She facilitated weekly "YouTube" Talks on the five-part series "Live to 100: Secrets of the Blue Zones", provided individual counseling sessions either in the office, in-home, or by telephone, and assisted with our monthly men's breakfast. She also planned and hosted various workshops including a day long "Live Your Life Well" workshop, a program developed by Mental Health America, designed to help people cope better with stress and create more of the life that you desire, and a viewing of "The Age of Love" a film by Steven Loring which explores dating as an older adult and follows 30 older adults who attend a first-of-its-kind speed dating event. A lively discussion followed the movie.

In April, Sarah welcomed her student peers for "Aging in Place", planned and hosted the presentation, "Health Benefits of THC and CBD – Cannabis Use for the Young at Heart" with Rosemary Duda, MD, MPH, Surgical Oncologist, BIDMC, Associate Professor of Surgery, Harvard Medical School. Sarah also facilitated A "Write Your Own Obituary Workshop" presented by Rev. Beth Stott from Central Square Church, Bridgewater, on January 16, which was well attended, in spite of the snowy weather. Thank you to Rev. Stott and Sarah Franklin for arranging this presentation which was repeated in March.

Also in April, the Council on Aging hosted a new monthly Alzheimer's Caregiver's Support Group, facilitated by Jillian Spinale from Stafford Hill Assisted Living in Plymouth. This important group is designed to help caregivers, families, and others dealing with Alzheimer's and dementia related illnesses.

On Monday, April 8, we donned our special glasses, supplied by the East Bridgewater Board of Health which were obtained from the Halifax Public Health Excellence Group (HPHEG), and ventured outside in the afternoon to view the solar eclipse. Thank you to both organizations for providing these glasses so that we could all view the eclipse safely. April also brought a Lunch & Learn, "Understanding Vascular Disease", presented by Stratton Danes, MD of the Vascular Care Group in Plymouth.

The S.A.L.T. (Seniors And Law Enforcement Together) Council sponsored many events throughout the year. In January, K-9 Morgan visited with Officer Tallitha Connor of the East Bridgewater Police Department. Plymouth County District Attorney Tim Cruz, as well as staff members from the District Attorney's Office and the Plymouth County Sheriff's Department, educated those in attendance about the comfort dog program in Plymouth County. May brought the annual S.A.L.T. Breakfast prepared by members of the Plymouth County District Attorney and Sheriff's Offices, East Bridgewater Police and Fire Departments, and COA staff. Minh Tran, Chief Legal Counsel for Diversity, Equity & Inclusion from the Plymouth County DA's Office, gave an informative and important talk about the latest scams and how to detect and avoid becoming a victim. Thank you to all who assisted in this event. We all came away a bit more savvy!

In October, The S.A.L.T. Council hosted Captain Jeff Kelley of the East Bridgewater Fire Department, who provided CPR/AED training and a workshop on Home Safety. Thank you to Captain Kelley who is always willing to provide very educational and important presentations for our older adults. In November, the S.A.L.T. Council hosted Lt. Jason Tibbetts from the Plymouth County Bureau of Criminal investigation for a crime scene demonstration. Thank you to Lt. Tibbetts for showing us how evidence is processed! The S.A.L.T. Council meets on the first Thursday of the month at 9:30AM and is always looking for new members interested in keeping older adults safe in their homes and in the community. Please join us!

COUNCIL ON

HEALTH & HUMAN / COMMUNITY SERVICES – COUNCIL ON AGING

COUNCIL ON

Our Grief Support Group for Partner Loss facilitated by Kimberly Martin, LICSW, ACHP-SW at Old Colony Palliative Care and Hospice continued to meet in six-week sessions. In September, this group welcomed intern Sarah Franklin, who was performing her second internship. These experienced leaders fostered open discussion, provided education, and offered coping skills to promote a healthy healing process. We are grateful for their expertise as this is an important group for those who participate. Welcome back Sarah! Please look in your monthly newsletter for more information.

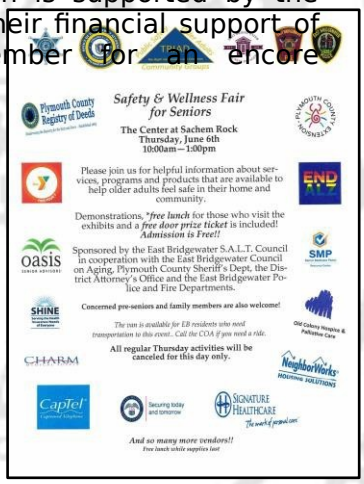
Throughout the year, volunteer Debbie Heeps continued to create a monthly homecooked lunch. These lunches are frequently followed by a rousing game of S.I.N.G.O. or other programming. Retired chef Don Pruden, continued to offer his services to cook a monthly men's breakfast. The men enjoyed the time just gathering and socializing. We are so appreciative of Debbie and Don's talents in the kitchen and their willingness to give of their time every month. Thank you to both of these wonderful volunteers!

"General Quarters", also held on a monthly basis, continued to be a popular program. Thank you to East Bridgewater resident and WWII enthusiast, John Cowan, for his willingness to share his knowledge about WWII and events surrounding the war through informative and educational presentations, guest speakers, and trips.

In March, we welcomed back artist Kristen Vincelette for a six-week guided acrylic painting class, "Creativity with Color". For a nominal fee, artists of all capabilities created a work of art to take home the same day! Kristen returned throughout the year to lead additional sessions.

In April, lucky participants joined Julie Stepanek for a demonstration on how to play the ukulele! Also in April, a group gathered for "Social Security 101 – Everything You Wanted to Know" presented by Delia DeMello, Public Affairs Specialist for the Social Security Administration.

The COA hosted its 12th annual "Ladies Spring Tea" in May. The delicious food was provided and served by "Mary Bee's Traveling Teas", an annual favorite! We were thrilled to welcome back historical women impersonator, Sheryl Faye, as she brought to life Queen Elizabeth II – "Her Majesty". Thank you to the East Bridgewater Arts Council, a local agency, which is supported by the Massachusetts Cultural Council, a state agency, for their financial support of this program. "Her Majesty" returned in September for an encore performance.



Safety & Wellness Fair
for Seniors
The Center at Sachem Rock
Thursday, June 6th
10:00am—1:00pm
Please join us for helpful information about services, programs and products that are available to help older adults feel safe in their home and community.
Demonstrations, *free lunch* for those who visit the exhibits and a *free door prize ticket* is included!
Admission is Free!!
Sponsored by the East Bridgewater S.A.L.T. Council in cooperation with the East Bridgewater Council on Aging, Plymouth County Sheriff's Dept, the District Attorney's Office and the East Bridgewater Police and Fire Departments.
Concerned pre-seniors and family members are also welcome!
All regular Thursday activities will be canceled for this day only.
And so many more vendors!!

Summer is always a busy time for the Council on Aging and this year was no exception. June began when the S.A.L.T. Council hosted its annual "Safety & Wellness Fair for Seniors". With over 40 vendors to visit, close to 150 people received valuable information, and a delicious free lunch. Although the weather did not cooperate, East Bridgewater K-9 Officer Joshua DeJesus & Patrol K-9 Thor as well as Plymouth County K-9 Deputy Desroches and comfort dog Starr visited and were able to put on a brief presentation with a Q & A session under the cover of our back deck awning. Thank you to our canines and their handlers for participating!

Also in June, Robin Putnam from The Office of Consumer Affairs gave an Online Safety Presentation. Robin taught attendees how to keep smart devices protected, how to navigate social media, safety tips for navigating the web and suggestions to keep you protected from online scams. Information we all need to know! June also brought "Smooth R & B Hip Hop Line Dancing" with instructor Rondae Drafts. Once again, we thank the East Bridgewater Arts Council, a local agency, which is supported by the Massachusetts Cultural Council, a state agency, for their financial support of this program.

COUNCIL ON

COUNCIL ON

A timely presentation in June highlighted Erin Morrill, Community Liaison for the Plymouth County Mosquito Control Project who gave an informative “Mosquito Safety and Tick Talk”. She was joined by Blake Dinius, Entomologist from the Plymouth County Extension who spoke on the subject of ticks, insect identification, and management tips for prevention, proven protection methods of tick-borne disease along with myth busting of ticks. At the invitation of the Director of Library Services, Jessica Henderson, Blake Dinius returned later in the month for a Guided Nature Walk at The Center. He provided a slow-paced tour of insect life in the gardens and grounds. Thank you to the East Bridgewater Public Library for sponsoring this event and for inviting older adults to join in the fun!
ABLE Bodies Balance classes were held virtually over the course of the summer. Thank you to instructor, Bob Cobbett, for recording a “YouTube” video that was used to instruct the class each week. Bob’s class is well attended, and this enabled the COA to continue to offer this class in his absence. Kelly McCarthy, author of “Brass Ring Memoirs” joined us in July to discuss her book about practical methodologies to help caregivers reach their goals in Alzheimer’s and dementia care. Later in the month, we were joined by Chris Ventura for a workshop on “Essential Oils for Summer Allergies”. We also welcomed a group to a “Lunch & Learn”, sponsored by Gather Health. Thank you to Julissa Castillo Gutierrez, Outreach Partner for Gather Health for providing lunch and information!

August brought a 4-week Memory Training Workshop with facilitators from OCES. Also in August, OCES’ traveling chef made a visit for “Panini Day” followed by a return visit by Robin Putnam from the Office of Consumer Affairs who spoke on the importance of online safety. Thank you to the traveling chef for preparing the delicious food! Later in the month, the COA hosted the East Bridgewater Police Department who offered a gun safety presentation. Thank you to the EBPD for their commitment to keep our neighborhoods safe!

Reaching its one-year anniversary, the COA continued to team up with the Greater Boston Food Bank to bring grocery distribution to qualified East Bridgewater residents. If you are age 60+ and on a limited budget, please contact Client Services Coordinator, Kelley Long, to see if you qualify to receive nutritious, senior-focused, shelf stable foods, fresh produce, and meats on a monthly basis.

Hairdresser Luann Erb continued to provide hair services at The Center one day a week by appointment. She enthusiastically welcomes new clients!

The Council on Aging was excited to participate in MCOA’s ActiveAgers program! The program highlighted physical activity programs at Massachusetts municipal senior centers and centers for active living. ActiveAgers recognizes participation, is open to all abilities, and rewards COA’s and individuals. In September, fitness data was submitted from all of our exercise programs. This data consisted of the number of participants from each program from January 2024 through August 2024. MCOA then held a drawing on Wednesday, September 25th, ActiveAger Day, and randomly chose ten COA’s to win $250 grants to use towards fitness programming. MCOA also randomly selected from the programs submitted and notified the COA of the winning programs. Three of our programs were chosen, and we randomly picked a winner from each program. Congratulations to our three lucky participants who each won a $25 Visa gift card! The second drawing covered September—December programs.

We followed up with a celebration on ActiveAgers Day, Friday, September 27th, after the ABLE Bodies Balance Class. Tara Hammes, RDN, Director of Member Services and Healthy Aging and Nutrition from MCOA joined us with healthy snacks and a pep talk to help keep us all motivated! This is an ongoing program so be sure to keep participating in our exercise programs and make sure you swipe in!! Everyone that participates in our exercise programs is eligible to win a prize!

Thank you to the Eastern Massachusetts Trustees Group who funded the cost of transportation by coach bus to the “Big E” held in September. We are thankful to this group for their generosity!

For the first time in many years, our Annual Classic Car Show was rained out. After a beautiful, dry summer and fall, rain returned forcing the cancellation of this favorite event. We hope for its return in 2025! October brought residents to The Center for “Coffee with your First Responders”. We are so appreciative of our first responders every day of the year! Also in October, the COA hosted a vaccine clinic in conjunction with the East Bridgewater Board of Health and in partnership with Osco Pharmacy.

This event is sponsored, in part, by EB Hope

The Community Shredding and Prescription Drug Take Back Day was a success with over 175 vehicles participating. Thank you to the EBPD, EBFD, and the EB DPW for their assistance with this event. The PD reported collecting approximately 130 pounds of prescription medication, the FD collected many sharps, and the DPW truck was full of unwanted large batteries and oil-based paints. Thank you to EB HOPE for their sponsorship of the shred truck and thank you also to Select Board Chair, Dave Sheedy and CERT Team members for assisting at the event.

Veteran's Day was observed in November when the COA held our annual luncheon to honor East Bridgewater's Veterans of our Armed Forces, with a guest, and widows/widowers of a veteran. Thank you to East Bridgewater's Veteran's Service Officer, Christopher Buckley, for his assistance with this event and for his informational talk on the HERO Act.

In November, a Helping Hand Mini Grant from MassDOT was submitted and awarded in the amount of $730.22. The funding was used to obtain two new tires for our 2018 van, printing of 500 transportation flyers, and a handheld, cordless vacuum and 2 battery packs. We are grateful to have received this funding.

"Hospice vs. Palliative Care", presented by Kim Martin OCH LICSE, ACHP-SW of Old Colony Hospice and Palliative Care took place also in November and Blue Cross Blue Shield of Massachusetts visited with a presentation describing their available products for 2025.

Thanks to our legislators Senator Michael Brady, Representative Alyson Sullivan-Almeida, and Representative Gerry Cassidy for working to obtain earmark grant funding, "Grab & Go" lunches returned in December. The COA is grateful to be able to bring back these popular meals while also supporting local businesses! Also in December, we welcomed Signature Healthcare for a "Lunch & Learn" – The Importance of Screening Series. Thank you to Signature Healthcare for presenting this important information and for providing a healthy lunch!

December was a time to celebrate the holidays with our annual party held this year at the Meadowbrook Restaurant in Hanson. The entertainment was terrific, the food delicious, and the door prizes plentiful! Thank you to the Brownie and Girl Scout troops of East Bridgewater for the beautiful centerpieces and placemats and for themed baskets which were used as door prizes. Thank you to the many East Bridgewater businesses who contributed gift certificates that were also used as door prizes. At the end of the month, we welcomed in 2025, a few days early, with a New Year's Eve celebration. Thank you to the East Bridgewater Arts Council for sponsorship of our performer Roger Tinknell who was back again this year to entertain us!

Volunteer Coordinator, Nancy Trainor and Client Services Coordinator, Kelley Long teamed up to create a COA "Giving Tree" for older adults during the holiday season. One tree was located at the senior center and thank you to the East Bridgewater Public Library for hosting a second tree. Thanks to residents and the Friends of Seniors who provided gift cards. The recipients were very grateful, and we hope to make this an annual event.

Ongoing recreational and fitness opportunities at The Center included weekly chair yoga, mat yoga, line dancing, ABLE Bodies Balance, Zumba Gold®, and our weekly Walking Club that met two times a week during the warmer weather months.

COUNCIL ON

COUNCIL ON

In May, the COA held its annual Volunteer Appreciation Luncheon for those who had volunteered at least 20 hours in the previous 12 months. Our volunteers enjoyed a "paint night" with Kristen Vincelette Rossi. Volunteers each received a candle and lighter as well as a delicious meal provided by Freda's of West Bridgewater. Thank you to the Massachusetts Executive Office of Elder Affairs for funding this event. Our volunteers assisted the staff in the kitchen helping with community and home-cooked meals, in the reception area with data entry, answering phones, and other general office work. They also helped with events, prepared our monthly newsletter for mailing, and delivered the newsletters to locations throughout town. We even had a volunteer who cleaned the building!

Volunteer Coordinator, Stephanie Williams, supervised our many volunteers and tax workoff participants who support us in so many ways. Stephanie Williams retired at the end of June and Nancy Trainor joined us in September to fill that position. Nancy has already been a valuable addition to the COA staff and has quickly become part of the team! We wish Stephanie a wonderful and well-deserved retirement!

One of our volunteers made beautiful, handmade birthday cards for those who requested to be listed in the birthday section of our newsletter. The COA also had a volunteer who called older adults on their birthday. We have received many comments of appreciation from recipients of these cards and calls, and we are grateful to our volunteers who continued to brighten the day of so many of our older residents! In doing the birthday calling, our volunteer found that many of the phone numbers that we have on file are not accurate. If you feel that the information we have on file for you may be outdated or inaccurate, please call us at 508-378-1610 and we'll be happy to update your information. Phone or email is the best way for us to contact residents if needed. You don't want to miss any important information!

Throughout 2024, our dedicated volunteers delivered over 9,300 Meals on Wheels to 75 older, homebound residents. In calendar year 2024, the Council on Aging had 80 volunteers give the gift of various amounts of their time totaling **3,941** hours. In Massachusetts, a volunteer's time is worth $40.97/hour making their total gift of time to the COA and the town of East Bridgewater worth **$161,462.77**. To us, their value is priceless! If you are seeking a volunteer opportunity, please give Nancy Trainor a call. We will put your time and talents to good use!

Activity Coordinator and Newsletter Editor, Susan Prendergast, continued to create our monthly newsletter and plan creative, educational, and fun programming. In her role as newsletter editor, Sue creates a monthly newsletter filled with information about upcoming Council on Aging activities and articles of interest to older adults, their families, and care partners. The newsletter is mailed, or hand delivered, to every household in East Bridgewater with a resident age 60 and older. Thank you to the Executive Office of Elder Affairs for its assistance with printing and mailing costs. If you prefer to read your newsletter online, you may do so at www.eastbridgewaterma.gov in the Department Section under COA. You can also sign up to receive your newsletter by email on the town's website. If you are traveling, please let us know and we will take you off the mailing list until you return. The COA also has a Facebook page that is frequently updated. Be sure to take a look and give us a like!

The Senior Property Tax Workoff Program was established by the State of Massachusetts to reduce property tax liability for seniors, in exchange for volunteer services. It is administered, after its adoption, by each individual town. The program in East Bridgewater provided 42 jobs for qualified residents, to work 100 hours and earn an abatement toward their property tax bills. Participants were placed in various town departments including in the town hall for the Selectmen, Veterans Agent, and Town Clerk, the Building/Planning Department, Board of Health, and Assessor's Office, the East Bridgewater Community Access Media Station, the Department of Public Works, the Public Library, the School Department, and the Council on Aging. Information about the upcoming cycle of the program is available every year in the October newsletter.

Thanks to Russell Hannagan, Executive Director of the East Bridgewater Community Access Media Station, and his staff for filming many of our programs so that they could be enjoyed at home. Senior property tax workoff participant,

COUNCIL ON

COUNCIL ON

Kathleen DiNapoli, continued to film a monthly Public Service Announcement which aired on the East Bridgewater Community Access Media Channel. Thank you to Kathy and EB Community Access Media for helping us share our news, programs, and events!

In an effort to educate residents about the many services that the Council on Aging provides, we continued mailing out "Turning 60" packets to residents who, according to the town census, have reached their 60th birthday. These packets include a copy of our latest newsletter, information on COA van and Dial-A-Bat transportation options, the S.H.I.N.E. program, services offered through Old Colony Elder Services (OCES) and more. If you are reaching that milestone, look for yours in the mail or give us a call if you have not received yours!

Client Services Coordinator, Kelley Long, assisted many residents of all ages with fuel assistance and S.N.A.P. applications as well as with emergency financial, fuel, and food needs. Kelley was again kept very busy providing S.H.I.N.E. (Serving the Health Information Needs of Everyone) Counseling services during Medicare's open enrollment period from October 15 through December 7. During open enrollment Kelley saved 186 residents over $118,000 by discussing better options for their medical and prescription drug coverage. Kelley assisted residents during the year with unbiased insurance searches, enrollment, questions, problems, and applications. Throughout the year, numerous residents continued to age into Medicare and sought information on supplemental and Medicare D Prescription Drug Plans.
The Council on Aging encourages those approaching the age of 65, and in need of Medicare supplemental insurance and prescription drug coverage, to become informed about the process well before that coverage is needed. The Council on Aging also assists disabled residents of any age, who are Medicare recipients, with health insurance enrollment and trouble shooting. Please call the Council on Aging at 508-378-1610 to make an appointment with Kelley Long if you need information or assistance. Keep an eye on "Kelley's Korner" in our monthly newsletter for important information concerning Medicare or other assistance programs.

The Council on Aging offered a daily "Friendly Call" or "Friendly Visit" to all those who requested the service. If you would like to receive a call or visit, please contact Kelley at the COA. The Plymouth County Sheriff's Department also offers a free daily call through their "Safety Assurance" Program. Please call the Sheriff's Department directly at 1-800- 622-4300 for further details or to enroll.

David Finlay and Patricia "Pat" Fay continued to drive the COA vans and provide much needed and appreciated transportation for some of East Bridgewater's older and disabled residents. We said goodbye to Pat when she retired at the end of June. The COA wishes to thank Pat for her six years of valuable service to the COA. She provided transportation services with patience and a smile. We wish her all the best in her retirement years! The Council on Aging was happy to welcome Linda Malis when she joined the staff as a van driver in August. We look forward to Linda working with us for many years to come!

The Council on Aging provided transportation for weekly shopping trips to either Trucchi's or Market Basket, around the town on our weekly errand van, and on weekly trips to other destinations including various shopping and lunch destinations, Castle Island, Plainridge Park Casino, and Patriot Place, the "Lighthouse"
each on several occasions. The Council on Aging continued to provide transportation to older and disabled residents for individual appointments in East Bridgewater and surrounding communities through Dial-A-Bat. On Wednesday of each week, rides to Boston can also be arranged through Dial-A-Bat for medical appointments only. Residents over the age of 60, or those of any age who have either a documented permanent or temporary disability, can use Dial-A-Bat services. Residents can arrange a ride by calling the COA at least 24 hours in advance of the requested ride.

Memory Lane Café
OPEN
East Bridgewater Council on Aging
355 Plymouth Street
East Bridgewater, MA
(508) 378-1610
What is the Memory Lane Café?
The Memory Lane Cafe provides a place for those experiencing memory loss, along with their care partners and families, to relax and enjoy socialization, refreshments, discussion and entertainment.
When?
The 4th Monday of every month
1:00pm to 3:00pm
RSVP's are appreciated 508-378-1610 one week before but Walk-ins are always welcome
A care partner must accompany anyone who requires supervision or assistance. Visit our Facebook page at East Bridgewater Council on Aging for updates.
Activities & Events have included:
Bingo & Trivia
Oldies Music
Mad Science
Paint Therapy
Therapy Dog
Barn Babies
Ventriloquist
This program is partially funded by a grant from the Old Colony Planning Council.

Memory Lane Café continued to be held on the 4th Monday afternoon of every month and this year we held a café in December as well! This social gathering for those experiencing memory loss, along with their care partners, provides time to relax, socialize, and enjoy a craft or entertainment, and refreshments. Thank you to Karen Lyons, certified instructor at the Whitman Wellness Center, for her monthly chair yoga

COUNCIL ON

COUNCIL ON

instruction. Volunteers Susan Muir and Veronica DiMarzio often assist at the Café and we are most grateful for their help. Thank you to Nancy Fullerton, Senior Sales & Marketing Director at The Residence at Five Corners in Easton for sponsoring entertainers for two months of the Café. The COA is also appreciative to Old Colony Planning Council Area Agency on Aging for their continued financial support of this program.

Our bocce court continued to be used well into the autumn months. In addition to bocce, ping pong, cornhole, and croquet were also made available for use on our grounds.

State Representative Alyson Sullivan-Almeida and Legislative Aide, Katherine Mullen, returned in 2024 for a monthly office hour to assist their East Bridgewater constituents with any issues they may be having. State Senator Michael Brady along with his Legislative Aide, James Breton, held an office hour in April as well. The Council on Aging thanks Sen. Brady and Rep. Sullivan-Almeida for their consistent advocacy on behalf of East Bridgewater's residents.

In August, the Standish Sportsmen's Club again welcomed East Bridgewater older adult residents to their annual roast beef dinner held in their large outdoor pavilion with both a sit-down and "Grab & Go" option. We thank the members of the Standish Sportsmen's Club for preparing and serving a delicious meal. Thank you also to the Whitman Knights of Columbus who graciously extended an invitation to East Bridgewater older adults for their annual Thanksgiving dinner held on a Saturday before the holiday.
The Community Meals program was offered two days per week and sponsored by OCES (Old Colony Elder Services) at The Center. For a donation of $2.50/meal, residents of any age can receive lunch. Please call the COA no later than the previous Tuesday to sign up!

The COA, in conjunction with the East Bridgewater Board of Health, offered a weekly health clinic for blood pressure, blood value testing, or simply to ask Heather Doucette, APRN, FNP-BC any health-related questions.
Podiatrist, Dr. Sarah Derosier provided services at The Center on a regular basis. For those wishing to schedule an appointment with Dr. Derosier, please call her office directly at 508-946-1444. In March, the COA welcomed Visiting Dental Hygiene, Inc. on a regular basis to provide confidential dental hygiene services, by appointment, for a reasonable cost.

Thank you to Joe Benson, of Joseph Benson Tax Services, who prepared tax returns at the COA during tax preparation season. Elder Law Attorney, Stephanie Konarski, was available by appointment once a month for 15-minute free consultations. Thank you to both these professionals for continuing to provide services to our older adults.

The East Bridgewater Friends of Seniors is a small group that raises funds and provides financial support to the COA for non-budgeted items or programs. The Friends always welcome new members and fresh ideas!

The COA also offers a large medical equipment loan program. We have many new or gently used items of donated medical equipment that we are happy to lend out to residents. Please check with us before you purchase!

In April, we were saddened by the passing of long time COA member and past Chair, Robert Ringuette. Bob was a Council member for 15 years and his valued advice was always appreciated and delivered with a unique and dry sense of humor. Our thoughts continue to be with his family. In October the Council welcomed Ryan Perreault as its newest member. Dee Dee Rogers remained Chair, Mary Haines remained Treasurer, and Anne Marek was voted in as Secretary. The COA meets monthly on the first Tuesday of the month (September through June) at 6:00 at The Center at Sachem Rock. All meetings are open to the public.

The Council on Aging is grateful to the Select Board and its staff, Town Administrator Charlie Seelig, the Town Assessor and the Board of Assessors, Town Treasurer, and Town Clerk and their staffs, Information Technology Director Ryan McGonigle, the Department of Public Works, the Board of Health, the East Bridgewater Housing Authority, East Bridgewater Community Access Media and staff, the East Bridgewater Public Schools, the East Bridgewater Public Library, Facilities Manager Brian Kiely and staff, East Bridgewater Veterans Services Officer Christopher Buckley, Finance Committee liaison Daniel Picha, and Board of Selectman liaison David Sheedy for all their help throughout the year.

COUNCIL ON

COUNCIL ON

We also wish to thank the Massachusetts Executive Office of Elder Affairs, Old Colony Elder Services, Old Colony Planning Council Area Agency on Aging, the East Bridgewater Food Pantry, St. Vincent de Paul Society, the Salvation Army, The Trustees for the Home for Aged Men in the City of Brockton, and the East Bridgewater Community Garden for their donations of fresh produce throughout growing season. The COA is grateful to Crocetti's Oakdale Packing Co. for their numerous and very generous donations of food. These donations included food items for "Grab & Go" meals and our monthly home cooked lunch and men's breakfast. Thank you so much to Crocetti's! Without their generosity, these programs may not be possible.

The Council on Aging encourages seniors and other interested residents to call the Council on Aging at The Center at Sachem Rock during business hours Monday 8 a.m. to 6 p.m., Tuesday through Thursday 8 a.m. to 4 p.m. and Friday 8
a.m. to noon. You are always welcome to stop in for a visit.

Respectfully Submitted,

HEALTH & HUMAN / COMMUNITY SERVICES – COUNCIL ON AGING

EAST BRIDGEWATER COMMUNITY ACCESS

To the Honorable Select Board and Citizens of East Bridgewater:

On Behalf of the East Bridgewater Community Access Media Staff, and Membership of East Bridgewater Community Access Media (EBCAM), we are pleased to submit our annual report for 2024.

East Bridgewater Community Access Media is a Public, Educational, and Government Access Cable Television Facility, serving East Bridgewater residents, the Town of East Bridgewater Government, and the East Bridgewater School Department by operating the community's three (3) P.E.G. Access Channels (Public, Educational, & Government).

2024 has been an exciting year for East Bridgewater Community Access Media. EBCAM continues to cover everyday community life events with things like the Central School Field Day on the Educational Channel and the Multicultural Celebration on the town common on the Public Access Channel, EBCAM continues to fill in those gaps that Commercial Television doesn't see. EBCAM's Government Access Channel covered vital meetings in 2024 from Select Board and Finance Committee to Planning Board and Board of Health Meetings. Very often these meetings were live telecasts and live streamed on EBCAM's Website. EBCAM also continues to offer these meetings and shows for free via the EBCAM Website's Video on Demand system.

East Bridgewater Public School benefited from coverage of athletic sporting events throughout 2024. EBCAM continues to cover home sports games, Varsity Girls and Boys Basketball, Varity Field Hockey, Varsity Volleyball, Varsity Soccer and Varsity Football. EBCAM continues to share these games with various other local communities P.E.G. Access Centers and generate a shared network of home and away games to further increase the amount of programming for parents and family members to watch, who are able to attend these events in person. WEB Hockey games supplied through West Bridgewater Community Access Media were seen on EBCAM through this cooperative effort.

We continue to be thankful to East Bridgewater Community Access Media Volunteer Announcers: Scott Salisbury and Bob Katilus. Through these East Bridgewater Resident Volunteers other communities got to hear play by play descriptions during these telecasts.

Municipal Television Producers continued to thrive in 2024 with such shows as "VSO Corner with Chris Buckley". The Veterans Services Officer provides crucial information to Veterans and their family members on a monthly basis on the Public and Government Access Channels. The "EBCOA New Update with Kathleen DiNapoli" also highlights important information on a monthly basis for Senior Citizens in town and is air on the Government Channel thanks to Senior Citizen Volunteer Kathleen DiNapoli. "General Quarters with John Cowan" is a monthly lecture series seen on the Public and Government Access channels. This program features World War Two and Vietnam Era Veterans telling their stories before a live audience. John has also managed some amazing on-site tours of amazing War Museums.

In programming in 2024, East Bridgewater Community Access Media had a grand total of 6,0014 programs run throughout the year and 3,308 hours of combined programming from all three of the P.E.G. Access Channels (Public, Educational, Government). Individually, the Public Access Television in East Bridgewater aired 1,873 hours of programming and 4,198 shows. On our Educational Channel there were 956 hours of programming and 1301 programs telecast. The Government Access Channel aired 479 hours of programming and 515 municipal and government related programs hours telecast.

Programming continues to cover a vast spectrum of topics, some are educational and other forms of entertainment from cooking programs to fitness shows to East Bridgewater's Annual Town Meeting to the sporting events and musical concerts throughout the year. EBCAM producers are as diverse as the programs they create on a regular basis.

The biggest change in 2024 came from the technical side of East Bridgewater Community Access Media. A much-needed upgrade to the entire EBCAM Control room took place. This meant replacing the Analog Audio Mixer in the main control room with a digital Audio mixer. It also meant upgrading the Video/Special Effects mixer from the Bpix Mica system to the Vmix system which offers advanced SFX and Chroma key capabilities with a higher reliability factor. And finally, replacing the station's aging PTZ remote control Sony Cameras with state-of the art JVC cameras, again with much higher reliability. EBCAM also replaced our 8-year old Teleprompter system with a lighter and easier to use system.

EAST BRIDGEWATER COMMUNITY ACCESS

EAST BRIDGEWATER COMMUNITY ACCESS

East Bridgewater Community Access Media continues to strive to enhance, improve and facilitate new and veteran member/producers to create more and better video programming along with various other forms of electronic communication for the betterment of the community. Special thanks to EBCAM Full Time Staff Assistant Director Anne Kerrigan, Government Access Coordinator Zack Anderson, and our Part Time Production Assistant Marcus Smith for going above and beyond to ensure PEG Access Media in East Bridgewater continues to thrive.

Respectfully Submitted,
East Bridgewater Community Access Media Executive
Director Russ Hannagan

HOUSING

East Bridgewater Housing
Authority 100 Prospect Street
508-378-3838
www.eastbridgewaterhousingauthority

.com To the Honorable Board of Selectmen and Citizens of East

Bridgewater:

The regular monthly meeting of the East Bridgewater Housing Authority is held on the second Tuesday of the month at 9:00 a.m. All meetings are open to the public and all interested citizens are welcome.

Office hours at 100 Prospect Street are:
Monday 8:00 a.m. – 2:00 p.m.
Tuesday 8:00 a.m. – 2:00 p.m.
Wednesday 8:00 a.m. – 4:00 p.m.
Thursday 8:00 a.m. – 12:00 noon
Friday 8:00 a.m. – 2:00 p.m.
Office hours at Riddell Road are by appointment only.

The Housing Authority staff includes: Leslie Lundstrom, Executive Director; Suzanne DeRienzo, Administrative Assistant; Robert Wilson, Maintenance Mechanic/Laborer Supervisor; and Anthony Gareri, Maintenance Custodian/Laborer.

The Grievance Panel member is Marcia Weidenfeller and Steven Brown is the alternate member.

The Housing Authority had a FY2024 Operating Budget for a 400-1 Program with revenue of $948,804 and expenses of
$916,004 and a subsidy of $92,916. It also had a FY2024 Operating Budget for a 689-1 Program with revenue of
$29,784 and expenses of $29,780 and a subsidy of $0.

The Department of Housing and Community Development has awarded the Housing Authority Formula Funding for Capital Improvements in the amounts of: $630,777.69 for FY2025, $358,909.79 for FY2026 and $372,304.69 for FY2027.

Major capital projects and improvements this year were: Fire System Replacement at 34/44 Prospect St. and Riddell Rd. and replacement of walkways at Riddell Rd. Air Source Heat Pumps were installed at Riddell Road and 100 Prospect Street and 36 apartments received new windows through Action, Inc. at Riddell Rd.
The Plymouth County Sheriff's Dept. Work Crew power washed, refurbished our gazebo at 100 Prospect St. and painted
at our Riddell Road property.

As part of a centralized on-line wait list system for persons seeking state-aided public housing assistance (Common Housing Application for State-Aided Public Housing - CHAMP), the East Bridgewater Housing Authority has over 20,000 applicants.

The Housing Authority underwent a Performance Management Desk Audit and Maintenance Review by the Executive Office of Housing and Livable Communities and an Agreed Upon Procedures Audit. There were no findings.

We would like to extend our heartfelt thanks to all town departments and employees for their support to the tenants and staff of the Housing Authority.

Submitted by the Commissioners,
Christine Butler, Chair

VETERANS

Veterans' issues are of great interest to our community. Considering our country's problems, our Veterans and their families are in the forefront of our mind. Veteran Services has been leading the way with assistance to veterans and their families for the past 6 years. All veterans are encouraged to reach out to Veteran Services for the latest updated information concerning the HERO ACT and how it affects them and their benefits.

The mission of this office is to continue to provide eligible veterans and their families who are residents of East Bridgewater, financial assistance, and medical care in accordance with a formula that considers the number of dependents and income from all sources under the provisions of Chapter 115, Massachusetts General Law. The Veterans Service Office also refers veterans to the VA hospital, housing, employment, and educational services or the Social Security Office for a more permanent solution to their needs. With deep appreciation, we recognize and engage our veterans and their families, advocate for assistance in their time of need, and connect them with the services they have earned. Our department oversees the financial assistance program known as Massachusetts General Law Chapter 115. This includes the decoration of veterans' graves and carries out commemorative activities related to East Bridgewater veterans. Learn more about the rights and benefits of military personnel.

As of December 2024, Veteran Services has met with over 400 veterans to help them and families file VA claims. Veteran Services has also assisted with enrolling more than 250 veterans into the VA Healthcare system. As of the conclusion 2024 East Bridgewater has 550+ veterans currently enrolled in the VA Healthcare system. Overall Veteran Services has reached a total of over 800 veterans in the town of East Bridgewater since July of 2019.

Veteran Services started the East Bridgewater Veteran Tribute Banners Program in 2023. The program assists families of veterans pay tribute to their veterans by having a banner hung around town annually This past year we were able to hang an additional 30 banners for our East Bridgewater veterans for Memorial Day. The total Banner count is now at 83 and counting at the end of 2024. The program was assisted by the Patriotic Committee who sponsored the initial banners and financial responsibility for the program. A big thank you to all members on the Patriotic Committee for helping the community with this program.

Annually from January to March applications will be taken to add to our current banners. Banners will be put up at through town on several streets that blanket the Town. Individual spots will be random as the banners run continuously through town. The requirement for a veteran banner is for a veteran to have lived in East Bridgewater at some point in his or her life and to have a valid DD 214 that will be validated by the Veterans Service Officer. A photo, application and check for the banner is what is required for the veteran's tribute banner. A big thank you to the DPW and East Bridgewater Police Department for placing the banners across town.

~~Veteran Services has increased the amount of community outreach throughout the Town of East~~ Bridgewater. With the assistance of the EB CAM crew, Veteran Services films a monthly show called the "VSO Corner" that covers benefits and different veteran centric events throughout East Bridgewater and the South Shore. As of the conclusion of 2023 we have produced over 60 episodes of the "VSO Corner"

and over 12 veteran community events since July of 2019.

VETERANS

In 2024 Veteran Services partnered with the local Business of Crocetti's to give away over 400 turkeys to local veterans. Crocetti's is a strong local business that cares about the veterans in East Bridgewater. Veteran Services and Crocetti's plan to continue veterans out reach for years to come.

This past year Veteran Services started a working group with the East Bridgewater YMCA to assist veterans with a wide range of topics such as physical and mental fitness. The East Bridgewater YMCA hosted a veteran's breakfast October 26th at the COA to discuss new programs for veterans who receive a 20% discount on their monthly membership through the YMCA. This membership covers the veterans entire family and can be used at any local YMCA o the South Shore. This event was the first of many that Veteran Services will be conducting with the YMCA here in East Bridgewater.

Other organizations that Veterans Services is associated within the Town of East Bridgewater are the American Legion, Kiwanis Club and the Boy Scouts and Girl Scouts of America local troops. Additional organizations that Veteran Services is involved with are the Massachusetts Veterans Service Office Association (MVSOA) and the Southeastern Massachusetts Veterans Service Office Association (SEMVSOA), the state and local chapter assist Veteran Service Officers with update training and policy changes with the federal, state and local benefits.

Veteran Services works closely with the VA enrollment office to assist local veterans with enrolling into the VA Healthcare system. All veterans are encouraged to contact Veteran Services for assistance with enrolling in the VA Healthcare system. It is a complicated system, but Veteran Services is trained to help assist our veterans with enrolling and other benefits that the VA offers.

Veteran Services looks to continually increase its outreach in 2025 as the department will continue mailing out a letter to veterans returning home and new veterans moving into town. We will be conducting a monthly meeting at the COA. Please check the COA newsletter for further details in 2025. All veterans and families in East Bridgewater are encouraged to stop by or call and make an appointment to discuss any questions they may have veteran benefits and services.

VETERANS

ATHLETIC

I. Introduction

The athletic department at East Bridgewater Jr/Sr. High School continues to foster a culture of excellence, teamwork, and sportsmanship across all grade levels and sports programs. This year, we have seen tremendous growth in both participation and achievement, displaying the dedication of our student-athletes, coaches, and the broader school community. This report highlights key accomplishments, statistics, and initiatives that have shaped the athletic department's progress during the 2024-2025 school year.

II. Department Overview

- **Total Sports Offered:** 27
  - Fall: 9
  - Winter: 8
  - Spring: 8
- **Number of Student-Athletes 7-12:**
  - 801
- **Coaching Staff:**
  - Varsity Coaches: 27
  - Junior Varsity /Freshman Coaches: 16
- **Athletic Trainers:** 1

III. Key Highlights and Achievements

1. **Championships & Titles:**
   - **Fall Sports:**
     - Varsity Volleyball: Volleyball made it all the way to the Elite 8 round of the MIAA Statewide tournament. Lost to Ipswich
     - Olivia McManus was named Player of the Year in Volleyball
     - Volleyball was SSL Champs
   - **Winter Sports:**
     - WINTER CHEER WON STATES
     - Girls Basketball made it to the Elite 8
     - SSL Indoor Boys Track Champions
   - **Spring Sports:**
     - Varsity Baseball team made it all the way to the Final 4 in the Statewide Tournament, lost to Pittsfield. Team was able to Host an Elite 8 game vs. Dennis Yarmouth. Facility was in PRIME condition!
2. **Athletic Events and Community Engagement:**
   - This year we witnessed multiple teams give back to our community. Football, Basketball, Soccer and other teams all came together and help the East Bridgewater HUGS program provide holiday cheer form so many within the community.

V. Facilities & Resources

1. **Upgrades & Maintenance:**

- East Bridgewater Jr/Sr. High School replaced the original turf and track surface. Changing the entire look of the field and color of the track. Truly bring the departments together to create and provide a state of the art facility.
- A fence upgrade behind the backstop of the baseball field also has been completed

2. **Equipment Upgrades**
   - New Field Hockey Nets
   - New Benches for Turf

Below is the revised version of the year-end report, with a stronger emphasis on the **team sports** and their individual accomplishments, performance, and contributions over the 2024-2025 school year:

VI. Team Sports Highlights

Fall Sports

1. **Boys Cross Country**
   - **Record:** 6-2
   - **Key Achievements:** The boy's team placed 2nd in the South Shore Leagues.
   - **Team Success:** A season of strong finishes, including a memorable finish at Norwell HS where EB lost the meet by a fraction of a second combined with a league rule.
2. **Girls Cross Country**
   - **Record:** 5-3
   - **Team Success:** Their commitment to training paid off with a 3rd place finish within the SSL. Emmeline Holdsworth and Gabrielle Holdsworth both received SSL All-Star nomination.
3. **Football**
   - **Record:** 6-5
   - **Key Achievements:** After a strong start to the regular season, the team reached the playoffs but were eliminated by the eventual State Champions Hudson. Team would complete their season with a Thanksgiving Eve victory over West Bridgewater to reignite a cross town rivalry.
   - **Team Success:** Team started 5-0 for the first time in over 10 years.
     1. Logan Williams, Ethan Pohl were named SSL All-stars.
     2. Accountability will be a focus for to coming years and 1st year head coach Greg O'Sullivan
4. **Boys Soccer**
   - **Record:** 10-10-1
   - **Key Achievements:** The boy's soccer team secured a spot in the playoffs, but again found themselves for the fourth straight season eliminated in the first round.
   - **Team Success:** 2024 United Soccer Coaches Team Academic Award Winners, one of 116 schools in the Country to receive this honor
   - Team began to involve the sub varsity programs and youth programs more into their fall season.
   - Emphasis on getting over the hump of the teams continued 1st round exits from the tournament.
   - Brady Hill, EJ Corliss, Brody Lovell, Jayden Wilson all honored as SSL All-Stars.
   - **Improvements:** Culture Building, Parent Communication, Community Involvement, School and program expectation
5. **Girls Soccer**
   - **Record:** 10-8-4
   - **Key Achievements** This year the girls' went 10-8-4. One of the girl's biggest accomplishments was losing to Cohasset 1-7 at Cohasset, and then a week later beating Cohasset at home 3-2. The second biggest accomplishment was losing at Hull 0-4, and then tying Hull from behind 4-4 at home. The girls learned to put aside the "hype" of other teams and play the game you are in, in the moment. The girls made the tournament and won their home "play in" game, in which all members of the team played and worked toward the win. They are a young team, and this year was huge for player development on and

off the field. Ella Lang, Lily Pavidis, Kayleigh Shea and Jaqueline Pohl would all receive SSL All-Star Honors.
    - **Team Success:** Won their preliminary round of the MIAA Statewide tournament but were eliminated for the 2nd straight year in the Round of 32.
6. **Volleyball**
    - **Record:** 15-5
    - **Key Achievements:** The volleyball team showed tremendous growth under the leadership of Coach Andrew MacDonald, finishing as South Shore League Champions. Olivia McManus was Named Co-Player of the Year for the SSL. McManus, Adriana Amicangioli, Miley Delcarmen and Ayla Kingman were all named SSL All-Stars
    - **Team Success:** The team secured a playoff spot with a dominating regular season. The team would host the Round of 32 and Round of 16 games at home. Beating both their opponents and advancing the Elite 8 for the first time in program history. Team would eventually lose 3-0 to the 4 time defending state champs Ipswich. The program has shown tremendous growth and success in the 5 years of its existence.
7. **Cheerleading**
    - **Competition Success:** Cheerleading represented East Bridgewater with pride, taking 6th place in states competition, demonstrating excellent stunts and routines.
    - **Team Success:** They also supported our fall sports teams with high-energy performances at all home games.
8. **Golf**
    - **Record:** 9-6

Key Achievements: The golf team faced its most unknowns heading into a season in quite some time at the beginning of Fall ‘24. The Fall ‘23 team graduated 8 seasons who had a ton of success in their varsity careers, and entering ‘24 only two golfers had ever swung a club in a varsity match. The ‘24 team rose to the occasion and then some, finishing with a 9-6 record and qualifying for the D3 Sectional for the 7th time in 8 years and 5th consecutive Fall. This was a fun group to work with who “brought it” to every match and practice. This group continued our culture of competing amongst each other while still rooting for each other’s success and it was cool to see them embrace the grind that comes with the Varsity golf season. We had 3 SSL All-Stars in Ryan Barrett (10), Lucas Reddington (10), and Owen Rix (12), and finished second in the SSL Sportsmanship vote. We had 12 of 16 golfers make the term 1 honor roll. It was certainly another successful year for the golf team.

A big goal this fall was to develop and identify leaders in the program. We did not have a captain for the Fall ‘24 season as our team was made up of mostly 10th graders who were not quite ready for the role and 11th and 12th graders who too new to the program to be considered for captaincy. After this fall, I feel great to name Ryan Barrett and Lucas Reddington as Junior Captains for next fall. Ryan and Lucas have been in the program since they were seventh graders and both embrace everything that our culture is all about. I am excited to see them continue to grow and develop as leaders over the next two years and think they are a perfect fit to represent our program as leaders. With only 3 seniors graduating from a team of 16 the golf team is in a great spot to compete for an SSL Sullivan title in Fall ‘25.

9. **Field Hockey**
    - **Record:** 5-9-4
    - **Key Achievements:** Our young team showed tremendous improvement this season. We doubled our wins from last season, tripled our goals scored, and reclaimed the South Shore League Sportsmanship Award. Three players earned SSL All-Stars, Abby O’Connor, Halle Neale and Sophia Spaulding and two players earned Enterprise All-Scholastic. We participated in the pre-season jamboree at Scituate, which was an excellent way to prepare for the season; team hopes to participate again next season. The upperclassmen were excellent role models on and off the field. They organized multiple team bonding events, such as pumpkin carving for the VSP. We are not graduating any seniors, hopeful the team can keep the momentum going into the next season when we will be back on the turf. We need new nets next season as our current nets are falling apart; the officials let it slide this season because we were on grass, but made it clear they will not approve the nets next season, as they are unsafe.

ATHLETIC

186

ATHLETIC

Team Sports Highlights

Winter Sports

1. **Boys Basketball**
   - **Record:** [11-10]
   - **Key Achievements:** The team finished 11-10 and qualified for the tourney for the 4th straight year. The entire program still has 3 levels of solid teams. This year's varsity team was a senior heavy team that was not returning much varsity experience at all. I felt this team was very inconsistent with level of play and commitment. Even being inconsistent this team still had some bright moments and some big wins for a team that lost 5 key players from the previous season. It was also nice to see our seven seniors finish their time as players all together and be good role models around the school community. Overall this was a good learning year for our coaching staff and our underclassmen.
   - **Team Success:** The team's fast-paced offense and defensive intensity were highlighted in their win against [rival school], earning a spot in the postseason.
2. **Girls Basketball**
   - **Record:** [18-5]
   - **Key Achievements:** The girls team had a stellar season, finishing 2nd in the South Shore League
   - **Team Success:** Key victories in crucial games helped propel the team to a deep playoff run. Vikings would host the Round of 32 and 16 with great success. Girls would travel to St. Mary's (1) in the Elite 8 Round. The team played one of their best overall games of the year but were out matched by a much better St. Mary's team.
3. **Boys Hockey (WEB)**
   - **Record:** [6-16]
   - **Key Achievements:** The WEB Boys hockey team battled through a tough league, with goalie Brayden Bates (WB) earning accolades for his performance.
   - **Team Goal:** Season was part 2 of a small rebuilding process. Still a very young program. A high percentage of the students will be returning for the 2025/26 year. This year the team was more competitive in games despite the record.
4. **Girls Hockey (WEB)**
   - **Record:** [4-15-1]
   - **Key Achievements:** While our record may not have reflected, the success we had hoped for, this season was a testament to the resilience and growth of our players. One of our key focuses this year was strengthening the culture of the team and improving how we handled adversity both on and off the ice. To foster a stronger team mentality, we introduced the philosophy of "Hold the Rope." This motto became a foundation for our team's mindset, emphasizing that no matter the circumstances; we would support one another, pick each other up, and push forward together. Through practices, games, and off- ice activities, we worked to instill a belief that every player had a role in our success, and that unity and perseverance would drive us forward.
   - **Team Success:** A defining moment of our season came in our game against Quincy/North Quincy on their senior night. Quincy started strong, scoring two early goals. In the intermission, we reminded the team that with a little more teamwork and effort, they could turn the game around. They responded with three unanswered goals in the second period and continued to battle in the third, ultimately securing a 5- 4 victory.
5. **Boys Indoor Track**
   - **Record:** [6-0]
   - **Key Achievements:** Was a successful 24/25 season. The team finished undefeated, league champions for the 2nd straight year. Highlighted by big wins against Norwell and Middleboro to start the season.
   - **Team Success:** The team had some standout performances from many athletes. Emre Barbosa and Corey Leonard were amongst the fastest in D5 55 Hurdles. Danny Steele excelled in the 300, coming close to the school record. Aidan Clancy was a big addition to long jump, making the state meet. Jayden Wilson found new success in the 1000 meter.
6. **Girls Indoor Track**
   - **Record:** [6-1]

ATHLETIC

187

ATHLETIC

- **Key Achievements:** Overall great season considering lack of upper classmen (4 seniors + 3 juniors) Team ended the season with only 1 loss to the eventual league champions Middleboro. Young team only getting better. Team had 6 all stars which is the most in recent years. Future is bright.

7. **Winter Cheerleading**
   - **Competition Success:** Winter cheerleading represented East Bridgewater with spirit, taking 2nd place in Regional Competition and Winning STATES for the D3 Coed Division.
   - **Team Success:** Team changed to the small coed division for the winter and placed 1st in the leagues, 1st in the Norton Invitational, 1st in the Sheppard Hill Invitational, 2nd at Regionals, 1st at STATE. Earned the schools 10th State Title in Cheerleading

Team Sports Highlights

Spring Sports

1. **Baseball**
   - **Record:** [17-7]
   - **Key Achievements:** Vikings earned a playoff bid and were able to host an Elite 8 game at East Bridgewater. The baseball team made it to the Final 4 but eliminated by Pittsfield HS.
   - **Team Success:** South Shore League Champs
     1. **MIAA Div.** 4 Final Four
     2. **3rd Place Sportsmanship SSL**
   - A young team that lacked upperclassmen leadership. Team chemistry will be a focal point in 2025.
2. **Softball**
   - **Record:** [12-10]
   - **Key Achievements:** 2nd in the Sullivan Division of the South Shore League
   - **Team Success:** Team made it into the MIAA Statewide tournament. Won their Round of 32 game vs. Monomoy. In the Round of 16, the team would lose a close game to Uxbridge.
3. **Boys Lacrosse (WEB)**
   - **Record:** [3-13]
   - **Key Achievements:** The boy's lacrosse team had to move towards a coop style. West Bridgewater and East Bridgewater combined to form team of 20 students. Program has seen some growth since the start of the coop. With a 2-year approval until the conclusion of the 2026 season, East Bridgewater will be again in a position to field its own team without a coop style.
   - Team looks to improve on its 3-13 record and has a goal of reaching the MIAA Statewide tournament.
4. **Girls Lacrosse**
   - **Record:** 3-17
   - **Key Achievements:** The girl's lacrosse team finished the regular season with a strong effort. Program lacks the fundamentals of being a competitive program within the state. Goal is to continue to introduce the sport to more students and become fundamentally sound where we are competing within the South Shore League.
   - **Team Success:** Lily Fagundes and Lilly Cookson were standouts, leading the team in both goals and assists.
5. **Boys Outdoor Track**
   - **Key Achievements:** Team finish the season 6-0
     1. Won the South Shore League for the 18th time, 2nd in a row since winning it 16 consecutive years.
     2. Runners up in the State Relay Championship out of 56 teams.
     3. 5 New School Records were set
6. **Girls Outdoor Track**
   - **Key Achievements:** The girls outdoor track finished their season with a 7-2 record
     1. **3rd place in the SSL**
   - **Highlights**
     1. Bella Bright wins D5 Freshman/Sophomore Hurdles
     2. Schephatia Feron Set NEW school record in Shot Put
7. **Girls Tennis**

- **Record:** [4-13]

EDUCATION – ATHLETIC DIRECTOR

- **Key Achievements:** The girls tennis team had a fantastic season from a participation aspect. The team saw little success with a strong league schedule but found themselves enjoying each day of practice. Coach Dan Gudim has informed the school and the students that he will not be returning for the 2025 season. Girls tennis look to add a few wins in the 2025 season with new head coach Marie Principe (EB Alumni)

8. **Boys Tennis (Co-op with Rockland/East Bridgewater)**
   - **Record:** [7-8]
   - **Key Achievements:** The co-op tennis team worked seamlessly together, achieving 7 wins and just fell short of a playoff bid. East Bridgewater and their 5 tennis students played a pivotal role in the teams overall success. EB will have five returning students to the coop and look to gain more interested to sustain its own team in the future.

III. Acknowledgments

We extend our sincere gratitude to all our athletes, coaches, and support staff for their dedication and hard work this year. We also want to thank the East Bridgewater community—parents, fans, volunteers, and alumni—whose unwavering support has been crucial to our success.

FOOD SERVICE

Celebrating a decade of success and dedication in Food & Nutrition

I am so grateful to our team of twenty-one foodservice professionals whose dedication to our mission has been the core of our success. It is through their hard work, passion and collaboration that we have overcome obstacles and celebrated milestones. Our consistency in our goals is what drives our success and team leadership. Providing meals for students is an investment in their future. It allows us to support health and nutrition among students, alleviate food insecurities among families and improve health and learning.

East Bridgewater Public Schools participates in the National School Lunch Program and the School Breakfast Program. As part of this program, all schools offer healthy meals every school day at no cost to the students due to the implementation of the Community Eligibility Provision. The benefits of Community Eligibility Provision include eliminating unpaid meal charges, minimizing stigma, reducing paperwork for school nutrition staff and families, and streamlining meal service operations. The number of meals served annually were 91,571 for breakfast and 220,821 for lunch with an average enrollment of 2,020. Participation data provides valuable information and insight by identifying trends and needs in our program.

Northeast Food for Schools Program is a USDA-funded program designed to help schools purchase locally sourced unprocessed or minimally processed foods. East Bridgewater Food & Nutrition received funding for $10,000 to purchase locally sourced fish from Red’s Best, a Boston-based seafood wholesaler.

We continue to invest in our program by purchasing new equipment that is a priority to the growth of the program. We have invested a total of $162,529.00 for commercial-grade equipment like floor mixers, milk coolers and a convection steamer that are designed for efficiency and consistency, ensuring quality and speed in food preparation.

Excitement for a successful purchase of our new 2023 Ram 3500 cargo van. This allows us better control over the transfer delivery process from our primary storage area and creates a flexible schedule that aligns with the needs of each school.

We had the pleasure of having a dietetic intern from Priority Care join our team for a six-week rotation. We were able to share valuable hands-on experience on how the program operates. Our dietetic intern offered a fresh perspective and current knowledge from their academic studies, including the latest research in dietetics to our program.

The professional Standards for school nutrition professionals are a key provision of the Health, Hunger-Free Kids Act of 2010. These standards focus on training opportunities and strengthen the school nutrition professionals. All employees hold a certificate of allergen, gluten free awareness and Servsafe. We would like to express our gratitude to the East Bridgewater Fire Department for taking the time to train our lead staff the skills and knowledge on how to operate fire extinguishers.

We place great importance on our partnership with all of our suppliers. We truly value the strong relationship we have built with all of them. To our administration and community, thank you for your support, transparent communication and leadership.

Sincerely, Deborah

EDUCATION – FOOD SERVICE
DIRECTOR

MUSIC

Dear Superintendent Legault and members of the School Committee of the East Bridgewater

Public Schools, The Music Department is pleased to submit the annual report for 2024.

I am pleased to introduce the following certified music educators, our teaching staff and music team for the students of the East Bridgewater Public Schools. **Daniel Hatchfield** is in his eleventh year as a full-time teacher at the Junior-Senior High School. He is the Band Director grades 7-12, leads the 'Brassanova' Brass Quintet and Junior Jazz Band (grades 7-9). He is the Co-Advisor to our Tri-M Music Honor Society as well. In addition to his band responsibilities, he teaches high school music electives Piano I, Guitar 1 and Guitar 2. **Jake Sledziewski** began his second year with the Junior-Senior High School music staff. Mr. Sledziewski ("Mr. S") teaches 7th Grade General Music, 8th Grade Rhythmworks, Creating Music, and Exploring Music. In addition, Mr. Sledziewski directs our extracurricular Senior Jazz Band, serves as faculty advisor for our student-run Jazz Combo group and assisted with our EB Vikings Marching Band in the fall as the brass specialist.

I, **Lynda Maccini Pavloff,** am in my tenth year as a full-time teacher with the EBPS Music Department and fifth year serving the district as Director of Music. I am the Choir Director grades 7-12, teach high school music electives Piano I and 2, and extracurricular ensembles Armonia and Rhythmix. I serve as the Co-Advisor to our Tri-M Music Honor Society. **Juliana Anderson** is in her twelfth year as a full-time teacher at the Gordon Mitchell Middle School and teaches General Music for grades 3-6 and the Choruses grades 3-6. **Isabelle Garland** begins her third year as full-time music teacher at the Gordon Mitchell Middle School. Ms. Garland teaches grades 4-6 instrumental small group lessons (clarinet, flute, saxophone, trumpet, trombone, and percussion/mallets), the grades 4-6 Bands, and co-teaches 3rd grade general music classes in which students learn the recorder. Ms. Garland re-established the Mitchell Jazz Band in her first year for 5th/6th grade band students and assisted with our EB Vikings Marching Band in the fall as the woodwind specialist. At the Central School, **Brandi Lane** begins her fourth year as full-time music teacher at Central Elementary School. Ms. Lane took over as Director of our EB Vikings Marching Band in fall 2022. Ms. Lane is a proud graduate of EBHS class of 2017 and was a student of Mr. Hatchfield, Mr. Ponte and Ms. Maccini Pavloff. We also have one additional adjunct instructor assisting the department in an extracurricular role: **Jonathan Markowski** is in his second year as our Color Guard and Winter Guard instructor.

The Music Department recognizes the outstanding accomplishments of many of our student musicians in their acceptance and participation in local and state music festivals, as well as those inducted into the Tri-M Music Honor Society in 2024:

Massachusetts All-State Music Festival, auditions by invitation only

Owen Fay (jazz trumpet), Cassidy Jordan (soprano voice) Hannah McAlpine (flute), Fitz McAlpine (clarinet), Shawn Thomas (jazz guitar)

Massachusetts All-State Music Festival, Symphonic Band Hannah McAlpine (flute and piccolo)

Southeastern Massachusetts School Bandmasters Association(SEMSBA) Music Festival, Junior Level
Kaelyn Barrett (alto voice), Wyatt Francis (trumpet), Salmata Gabisi (trumpet), Jae Hartsgrove (trombone) Cameron Johnson (alto voice)
Patrick Kelley (alto saxophone), Nayara Miranda (clarinet), Liana Singal (trumpet), Lily Turner (flute), Aron Wilson (trumpet)

The **71st Southeastern Massachusetts Senior District Music Festival** took place at Canton High School on Friday/Saturday January 5-6, 2024 with music students in grades 9-12 who auditioned and were selected.

Four **Concert Band students** were selected to participate in the **Bridgewater State University Honor Band** on Thursday February 8, 2024. Students rehearsed during the day, culminating in a free concert at night.

On Tuesday February 27, 2024, our annual **Evening of Jazz** was held in the Dr. Judith A. Riordan Performing Arts Center at EBJSHS. The East Bridgewater Music Department invites area schools annually for an evening of sharing jazz music together in a friendly, non-competitive atmosphere. The jazz combo and jazz band from Stoughton High School performed this year, along with our own **Gordon Mitchell Jazz Band, Junior Jazz Band, Jazz Combo, Rhythmix and Senior Jazz Band.** The large and appreciative audience was treated to a very enjoyable evening and proceeds from concert tickets raised about $800 for our Tri-M chapter's Relay for Life team, "EB Music."

The **High School Jazz Band** performed at the **MAJE Cape Cod /Coastal Senior Jazz Festival,** sponsored by the Massachusetts Association for Jazz Education in Marshfield, MA on Tuesday March 5, 2024. They received a **Silver** medal for their performance and students Colin DeChambeau (trumpet), and Owen Fay (trumpet) and Shawn Thomas (guitar) were recognized with Outstanding Musicianship Awards.

The **Southeastern Massachusetts Junior District Music Festival** took place at New Bedford High School on Friday/Saturday March 8-9, 2024 with music students in grades 7-9 who auditioned and were selected.

The **Southeastern Massachusetts School Bandmasters Association (SEMSBA) Senior Music Festival** took place at Silver Lake Regional High School on Friday/Saturday March 15-16, 2024 with music students in grades 9-12 who auditioned and were selected.

Juliana Anderson, **Isabelle Garland, Dan Hatchfield, Brandi Lane**, **Jake Sledziewski, Lynda Maccini Pavloff** - ALL the music teachers from East Bridgewater Public Schools - attended the annual Massachusetts Music Educators Association (MMEA) All-State Convention and Conference in Westford on March 21-22, 2024. The MMEA All-State Convention and Conference is an annual event that provides outstanding professional development for music educators and culminates in a concert at Symphony Hall

for the students selected to the Massachusetts All-State ensembles.

MUSIC

The **MMEA Massachusetts All-State Concert** took place on Saturday, March 23, 2024 at Symphony Hall, Boston. One student representing East Bridgewater was selected for the Massachusetts All-State Symphonic Band - our first instrumental student selected since 2005! Congratulations Hannah McAlpine- flute and piccolo!

First grade "Dance Fest" - a collaboration between the music and physical education departments, was celebrated on March 25-29, 2024 in the Central School gym.

Ms. Lane conducted a pit orchestra of student musicians and former EB Director of Music, Mr. Ray Ponte played guitar for
the Drama Club's musical *Mamma Mia!* on March 28-29, 2024.

The annual Pops Concerts (a collaboration between the **East Bridgewater Music Parents Association** and **Gordon Mitchell MS/EBJSHS Music Department)** were held on Friday/Saturday April 5-6, 2024. The large audience was treated to two spectacular evenings of music, featuring **nineteen** band and choral groups in grades 3-12, with additional performances from extracurricular ensembles such as the Percussion Ensemble and Winter Guard.

The Tri-M Music Honor Society sponsored an "Open Mic Night" in the cafeteria on Thursday April 30, 2024. All proceeds were donated to the "EB Jazz" Relay for Life team.

The **Junior Jazz Band** and **Mitchell Jazz Band** performed at the Southeast District Junior Jazz Festival, sponsored by the Massachusetts Association for Jazz Education, (MAJE) at Oliver Ames High School on Thursday May 2, 2024. Junior Jazz Band received a **Silver** medal for their performance and students Calvin Clement (clarinet), Nayara Miranda (guitar), and Yiannis Vintzileos (alto saxophone) were recognized with Outstanding Musicianship Awards.

The **Southeastern Massachusetts School Bandmasters Association (SEMSBA) Junior Music Festival** took place at East Middle School, Braintree on Friday/Saturday May 3-4, 2024 with music students in grades 7-9 who auditioned and were selected.

The **High School Spring Concert** was held on Wednesday May 8, 2024.

The **Second Grade Multicultural Concert** was held on May 15, 2024 and was organized by Ms. Lane and the Central School special area teachers. It was well-attended and well-received by the second grade families.

Our annual Music Department **Senior Recital and Music Department Banquet** sponsored by our East Bridgewater Music Parents Association took place at the Junior-Senior High School on May 21, 2024. Music students in grades 9-12 were invited, senior music students and their parents/guardians. Ms. Maccini Pavloff,
Mr. Hatchfield and Mr. Sledziewski congratulated our award recipients as well as all the music students for continuing their pursuit of musical excellence. The Music Department awards were presented to the recipients listed below. In addition, students were presented with certificates for music festival participation and Tri-M Honor Society participation.

Instrumental and Choral High School Music Awards
presented to Class of 2024 seniors
The John Philip Sousa Band Award – Hannah

The Director's Award for Chorus – Abigale Briggs, Lillyan Gaffney, Elizabeth Jarvio

The **Memorial Day Ceremony** on the East Bridgewater Common was held on Monday, May 27, 2024. The **High School Concert Band** performed at this annual town event.

In lieu of a traditional Spring Concert, the **Grades 7 and 8 Band and Chorus** performed their spring music at Mitchell School for grades 5 and 6 on Friday, May 23, 2024.
The **Mitchell Spring Concerts** for grades 3-6 band and chorus were performed on Tuesday, May 28, 2024.

EBHS Graduation was held on May 31, 2024. The **High School Concert Band and Concert Choir seniors from the Class of 2024** performed at the ceremony.

The **Great EB Music Festival performances** were held on Thursday, June 6, 2024 in the Dr. Judith A. Riordan Performing Arts Center. All music ensembles (HS Concert Choir HS Concert Band, 7th/8th grade Chorus, 7th/8th grade Band) received **SILVER** ratings for their performances.

The **Great EB Music Festival** trip to **Canobie Lake Park** was held on June 7, 2024.

The **Undergraduate Recital** was held on Tuesday, June 11, 2025 and featured student-prepared selections from grades 9-12 honor band and choir students.

The **East Bridgewater Vikings Marching Band** had a successful 2024 season with their show theme, "Dreamscapes." Students were active in the community performing in parades such as the Veterans Day Parade on November 11 hosted in Bridgewater, the annual Brockton Holiday Parade on November 30, and East Bridgewater's annual Christmas on the Common Parade on December 7. The marching band successfully competed again in the MICCA competition circuit. Students participated in the Preview competition on October 5 and earned a **bronze** medal (3 out of 5 stars) at the following competitions: Northeast I competition on October 13, Southeast District competition on October 20, and MICCA Finals on October 27. This is in addition to performing at home football games, participating in spirit events such as the Homecoming Pep Rally, and performing at the Thanksgiving Day game.

Tri-M students from the **Concert Choir** and **Rhythmix sang the National Anthem** at various community events, and high school varsity sports games (soccer and basketball games). **Brassanova Brass Quintet** played the National Anthem at the **East Bridgewater Youth Soccer Association (EBYSA) Soccer Opening Day** in September, **9/11 Remembrance Ceremony** at school, and EB's **Field of Flags** on November 2.

The **Tri-M Music Honor Society Induction** Ceremony was held on Tuesday October 15, 2024 in the Dr. Judith A. Riordan Performing Arts Center at EBJSHS. A large class of fourteen new students were inducted. The three M's, 'Modern Music Masters,' were explained and students were pinned by their family members. The audience and music students enjoyed performances from the **Percussion Drumline,** National Anthem group composed of students from **Concert Choir/Rhythmix, Brassanova, and Jazz Combo.** Mr.Michael Casano, our former Percussion Instructor at EBJSHS for eight years and class of 1996 graduate, was the evening's guest speaker and distinguished guest of honor. Thank you Mr. Casano for working with our students for the past eight years. Thank you to EB-CAM who presented a live video feed to the community.

MUSIC

The **Field of Flags ceremony** sponsored by the Kiwanis Club was held on the East Bridgewater Town Common on Saturday November 2, 2024. Tri-M students sang the National Anthem and played taps and echo taps on trumpet, and were present, along with their teachers, to place flags in honor of our veterans. Brassanova, under the direction of Mr. Hatchfield, also performed at a Veteran luncheon at the Sachem Senior Center November 12.

Traditional Winter Concerts were held in December as follows: **EBHS Winter Concert** was held on Wednesday December 11, 2024 and the **Junior High (grades 7 and 8) Winter Concert** was supposed to be held on Thursday December 19, 2024 (but was postponed to January 2025). The **Gordon Mitchell School Winter Concerts** for grades 3 & 4 and grades 5 & 6 took place on Tuesday December 17, 2024.

Three of our HS students were nominated and participated in the **JazzHERS Honor Band** on December 13-14, 2025: Salmata Gabisi, trumpet - Nayara Miranda, clarinet - and Ainsley Hyde, bari saxophone. JazzHERS is an organization that promotes jazz amongst female and non-binary students in a traditionally male-dominated field.

The **Central School Holiday Concert** (grades K-2) performed annually by the high school music groups for East Bridgewater students in grades K-2 was held on Wednesday, December 18, 2024. Our student musicians at the Junior- Senior High School from the Concert Band, Concert Choir, Rhythmix, and Brassanova were beyond thrilled to perform for our Littlest Vikings and the Central School students and teachers were so excited to be apart of it.

Respectfully submitted,

Lynda A. Maccini Pavloff
Director of Music, East Bridgewater Public Schools

It is the mission of the East Bridgewater Public School Music Department to provide all students with opportunities to explore their creative nature and develop individual and group skills in a positive, nurturing environment to instill a life- long respect of the integral nature of music to the human experience.

PRINCIPAL OF THE CENTRAL

Dear Superintendent,

It is with great pleasure that I submit the 2024 Annual Report for Central School. The enrollment, as of October 1, 2024, is below by grade level:

Preschool	116	Kindergarten	143
Grade One	132	Grade Two	129

TOTAL: 520

At East Bridgewater Central School, our mission is to collaborate with families to create a challenging, safe and supportive learning environment that meets the needs of the whole child. We are committed to fostering social and academic growth by enhancing communication, problem-solving and decision-making skills. Through high quality instruction, we strive to ensure that every student feels valued, respected and empowered to reach his or her full potential. It is with great pride that we at Central School educate the district's littlest Vikings in a positive, welcoming, and inclusive environment.

The social emotional needs of our students remain a key focus. Our three adjustment counselors Mrs. Laura Eddy, Mrs. Nicole Heavy, and Mr. Jason Rasher teach social emotional lessons in classrooms, small groups, and in one on one sessions. Counselors assist with family outreach, crisis intervention, are our liaisons to outside community based organizations, and are valued members in our placement and transition process. During the 2024 school year, we were fortunate to have a social worker intern to offer additional tier three therapeutic support for students. Our school wide behavior specialists, Mrs. Amy Crawford and Mr. Travis Picklus offer behavioral support and sensory breaks for students in grades preK-2. The addition of the Care Solace partnership has allowed us to support students, families, and staff in reaching out for mental health services.

Beginning in the fall of 2024, Central School in alignment with our district's Literacy Action Plan began implementing UFLI into our Tier 1 core academic instruction in grades K-2. Our two reading teachers, Mrs. Dagny Fleming and Mrs. Jennifer Rosher modeled, introduced and trained classroom teachers on how to implement the foundational skill program and its set routines. We are excited about the explicit and direct phonics instruction being present in all K-2 classrooms. Teachers in grades K-2 are in their fourth year of the implementation of the reading program, Wonders while our preschool teachers are in their fourth year of utilizing the Investigator's Club integrated curriculum. These programs align with the CASEL standards (Collaborative for Academic Social and Emotional Learning) and contain embedded social emotional learning opportunities within the lessons. The Wonders program genre studies present culturally diverse literature and multiple lessons on vocabulary building and comprehension in its instructional scope and sequence. Individualized digital learning opportunities for students are present through our use of both Lexia and i-Ready. The "My Path" i-Ready platform in math is a direct companion program to our Ready Classroom math curriculum. The Dynamic Indicators of Basic Early Literacy Skills (DIBELS), phonics screeners, UFLI progress monitoring, and i-Ready math and reading assessments are administered to students in grades K-2 throughout the year to identify students' instructional level, monitor their progress, and prescribe targeted individualized instruction to maximize students' growth. Teachers in grades preschool through grade two also implement a monthly scope and sequence addressing the social justice standards.

Ms. Kasey Sims, our math teacher, is part of our RTI and student support team. Ms. Sims has established opportunities for small group math instruction, co-teaching, and excels at peer coaching.

I would like to thank Mrs. Kim Parsloe, the district's EL Director and Mrs. Taylor Rimer our English Language Learner teacher for their hard work and dedication in supporting multi-language students and families.

Central School's leadership team spans all grades and departments. Lead teachers are important members of our leadership team and have been essential in supporting our school wide initiatives, curriculum implementation, and teacher collaboration. Thank you to: Mrs. Jennifer Campbell, Ms. Sandi Telless, Mrs. Christie O'Connor, and Ms. Mary Donoghue all of whom have been an asset to Central School and their respective grade level teams.

PRINCIPAL OF THE CENTRAL

EDUCATION – PRINCIPAL OF THE CENTRAL SCHOOL

PRINCIPAL OF THE CENTRAL

Mrs. Sheila Pero is our Early Childhood IEP Coordinator. Mrs. Pero supports students and families transitioning from Early Intervention Services to our public preschool program. Our current preschool program consists of a therapeutic preschool program, an integrated preschool program that includes five and three-day full-day options for four-year-old students, as well as a two-day full-day option for students three years of age. The remaining preschool offerings are a traditional half- day model. The preschool program for model students is tuition based and helps fund teacher salaries. Early Childhood education focuses on the healthy development of the whole child. Students in our preschool have the opportunity to participate in small group therapies such as occupational therapy, speech and language therapy, physical therapy, and social skills groups. Students in five-day preschool and grades K-2 receive daily instruction from a special area teacher.

Professional development in 2024 has focused on data analysis, UFLI implementation, and math pedagogy using Alison Mello Consulting.

In support of our special education programming and evaluations Mrs. Sheila Pero, our Early Childhood IEP Coordinator and Mr. Thomas Mahoney, our School Psychologist, work with grades PreK-3. This “shared” building model supports students and families as they transition from grade two at Central School to grade three at the Mitchell School. A special thank you to all of our service providers who have worked diligently to provide individualized and developmentally appropriate instruction.

Parent and community support is critical to our work. I would like to express my gratitude for parent volunteers who dedicate their time to support Central School students and staff. The Central School PTO supports and funds grade level special events, t-shirts, and teacher grant requests. The PTO works under the direction of the executive board members: Mrs. Carolyn Martell, Mrs. Teresa Patukonis, Mrs. Alicia Edkin, and Mrs. Kristen Hall. The Central School Council supports school based initiatives and serves as a liaison between the school and families. In addition to the building principal, the 2024 council members include:, Mrs. Kelsie Holbrook -parent, Mrs. Meagan McLaughlin - parent, Mrs. Katie O’Leary – parent, Mrs. Patricia Zocher – parent, Mrs. Dagny Fleming- teacher, Ms. Sandi Telless- teacher, the EBCCC – community support, and Mrs. Debbi Nichols - assistant principal. Our Parent Workshop series is in its third year and is a segment each month prior to our PTO meeting. Workshops highlight school programming, initiatives, professional development, and special events for families.

Central School begins its 10th year as a Bridgewater State University Professional Development School. This mutually beneficial partnership offers professional development and authentic learning opportunities for BSU students while increasing instructional opportunities for our little Vikings. In addition to our BSU partnership we collaborate with the Old Colony YMCA. Our YMCA Water Wise program is in its fourth year and provides second graders with five weeks of water safety lessons. The positive social, emotional, and lifesaving impact of this program has been documented across the country and in our town in its first year of implementation.

Thank you to Mr. Ted Johnson, Mr. Lou Porazzo, Mr. Kevin Sullivan, and Mr. Ryan Johnson for taking a great deal of pride in maintaining the building. Mr. Brian Kiely, our Facilities Manager, consults on all of our maintenance and repair projects. We have valued Brian’s knowledge and commitment to the position, as he has been instrumental in our partnership with the Massachusetts School Building Authority. Central School is in the MSBA’s major repairs project Feasibility period gathering valuable information on a potential addition renovation of Central School or a potential new build.

Our Food Service Director, Mrs. Debra Vaughn has worked diligently with her staff to offer a school wide breakfast after the bell program for all students prek-2. We would like to thank all food service staff for their dedication and support with this initiative. The daily successful operation of our cafeteria is impart due to the hard work and support from our lunch monitors: Mrs. Whalen and Mrs. Connor.

Central School's administrative assistants, Mrs. Janine Harvey and Mrs. Stacy Jenkins are positive and essential members of the Central School team and exhibit great patience and flexibility on a daily basis. Their attention to detail and organization are crucial to our successful operation. I would like to thank them for being supportive and friendly to staff, parents, and students.

PRINCIPAL OF THE CENTRAL

199

PRINCIPAL OF THE CENTRAL

I would like to express my sincere appreciation for the dedication of our Assistant Principal, Mrs. Debbi Nichols. She is responsible for many different tasks including student discipline, special education, and substitute teachers. Mrs. Nichols is dedicated, passionate, and conscientious.

I extend my gratitude to you and the Central Office staff including Dr. Gina Williams, Assistant Superintendent; Mr. John Phelan our Special Education Director; and Mr. John Shea, Business Administrator. Your leadership, support, and guidance help us stay student centered and teacher focused. Central School is grateful for the support from the School Committee, under the direction of Chairperson, Mr. Gordon McKinnon.

In closing, my twenty-four years in the district and tenth year as the Central School Principal have been rewarding. I am proud of and grateful to the Central School faculty and staff who work diligently every day to educate and support the social-emotional health and well-being of our students. Their dedication, passion, and flexibility demonstrated on a daily basis make Central School a wonderful place to learn, grow, and play.

Respectfully submitted,

Catherine A. Byrne,

Principal

PRINCIPAL OF THE GORDON W. MITCHELL

Mission: The Mitchell School, as a learning community, is dedicated to maximizing the opportunity for each student to fully challenge their intellectual capacity while developing social responsibility and a healthy physical and emotional well-being.

As our mission suggests, our core educational objectives at Mitchell aim to balance emotional intelligence with intellectual growth. In other words, we are equally committed to the pursuit of academic excellence – as much as we are, deeply dedicated to the emotional and social health of our students. Although increasingly prevalent in modern education, this balanced approach to teaching and learning is timeless in application. As far back as ancient Greece, Aristotle historically claimed that "educating the mind without educating the heart, is no education at all." The Mitchell School agrees.

Academically, we continue to make significant progress. School-wide, we continue to monitor student growth and understanding. We continue to access and utilize grade-level assessments, i-Ready pathways and diagnostics, MCAS results, and the data collected from these assessments. We continue to use this data to inform our instructional and curricular decisions.

As part of these efforts, we have developed a clear plan for diagnostic-use that helps teachers bring students into grade- level instruction. For example, our professional learning communities have collectively taken i-Ready to the next level, using this diagnostic testing to inform instruction. Teachers include all students in setting individual academic goals for each term and communicate student data to parents/guardians on a regular basis. School-wide, teachers include i-Ready data in the development of their own student-learning goals.

Much in the same way we approach our use of data and assessments – similarly, we continue to improve instruction through school-wide, systemic initiatives that personalize learning experiences. In keeping with our improvement plan, we continue to use i-Ready data to personalize instruction and to drive instructional strategies. Throughout the process, we support all teachers to utilize small group instruction, and expect data-supported tiered Instruction. Teachers implement UDL principles and strategies to break down the barriers to learning and provide all students with opportunities to access their learning.

Indeed, we remain committed to the pursuit of academic excellence. As mentioned, however, we are equally and deeply dedicated to the emotional and social health of our students. As mentioned in the previous year's Town Report, a *Panorama* student survey issued in spring of 2023 – designed to measure, to an extent, the climate and culture of Mitchell – is evidence of this commitment. Although we did issue the survey again in spring of 2024, we've decided to invest in the more useful and robust comparison between 2023 and 2025 - giving our improvement efforts in the social and emotional health of our students the full two years to manifest in student feedback. While we anticipate growth in these areas over this two-year period, it's helpful to remind our community of our 2023 student survey results and to make note of the fact that we've set ourselves a highbar for demonstrated growth; the climate and culture of Mitchell, in other words, already proves to be an impressively positive environment in both climate and culture.

As we revisit student feedback from the spring of 2023, we're reminded that the survey asks our grades 3-5 students a series of questions to elicit their sense of culture at Mitchell and their sense of the school's social climate. Students answered questions pertinent to the following educational categories:

- Engagement
- Rigorous Expectations
- School Climate
- School Safety
- Sense of Belonging
- Relationships

In terms of **engagement**, our students responded to the following questions:

Q1: How excited are you about going to your classes? Q2: How focused are you on the activities in your classes? Q3: How excited are you to participate in your classes?

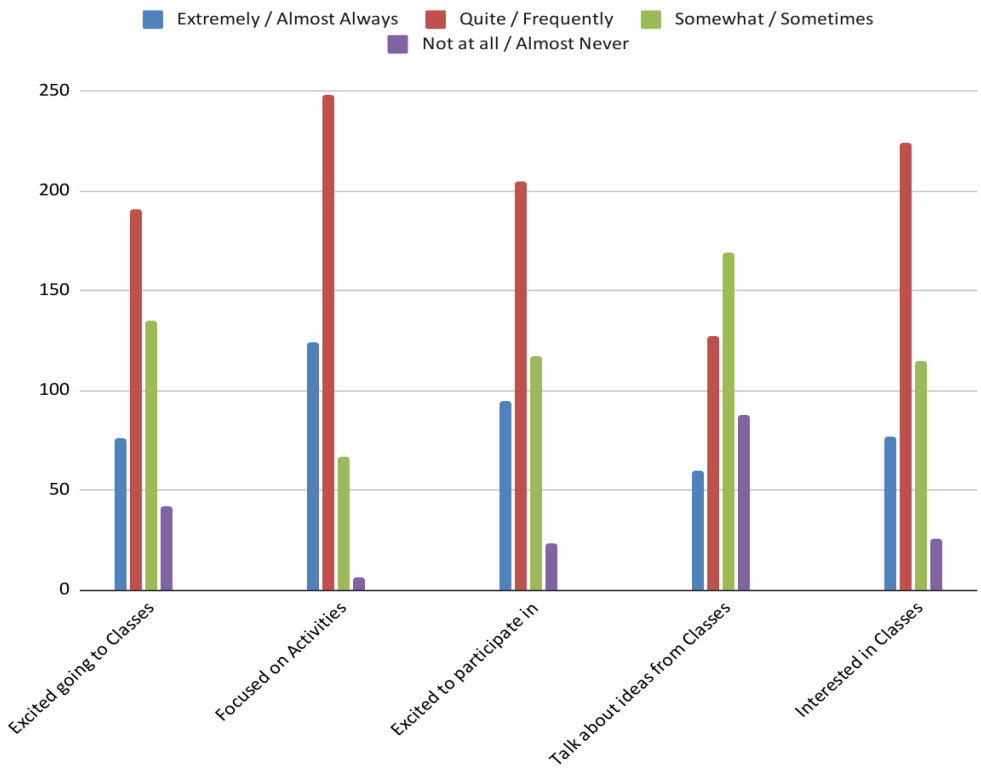
Q4: When you are not in school, how often do you talk about ideas from your classes? Q5: How interested are you in your classes?

PRINCIPAL OF THE GORDON W. MITCHELL

Based on student feedback, we decided to adopt this area of focus as a central element to our updated school improvement plan beginning with the 2024/2025 school year. Anecdotally, our students interact and perform in classes with a perceived

high level of engagement; that said, we feel the survey results do not fully support these observations. In this way, we plan to formalize our efforts to deliberately and conscientiously improve student engagement in our classrooms.

Approximately 445 students were surveyed, and their responses to each question are imaged below:



As the graph illustrates, the majority of our students answered favorably to these questions; however, we would like to see higher percentages in terms of the average number of students responding in the positive, i.e. as represented by the first 2 of the 4 bars for each question. For example, of the 445 students responding to question 2, eighty-five percent of our students said they felt focused on the activities in their classes. All of these students responded with either *extremely focused* or *quite focused*. Sixteen percent of our students said they felt *somewhat focused* or *not-at-all focused*. We are extremely focused on this percentage of students.

The percentage of favorable responses to each question involving **engagement** are noted below. All told, we can say with confidence that we anticipate notable improvements in the area of overall **engagement**:

Q1: How excited are you about going to your classes?
- Favorable: 60%

Q2: How focused are you on the activities in your classes?
- Favorable: 84%

Q3: How excited are you to participate in your classes?
- Favorable: 68%

Q4: When you are not in school, how often do you talk about ideas from your classes?
- Favorable: 42%

Q5: How interested are you in your classes?
- Favorable: 68%

In terms of **rigorous expectations**, our students clearly find that our teachers believe in them, and that they (the students) are challenged to perform at a high level academically:

PRINCIPAL OF THE GORDON W. MITCHELL

Q1: How often do your teachers ask you to explain your answers?
- Favorable: 86%

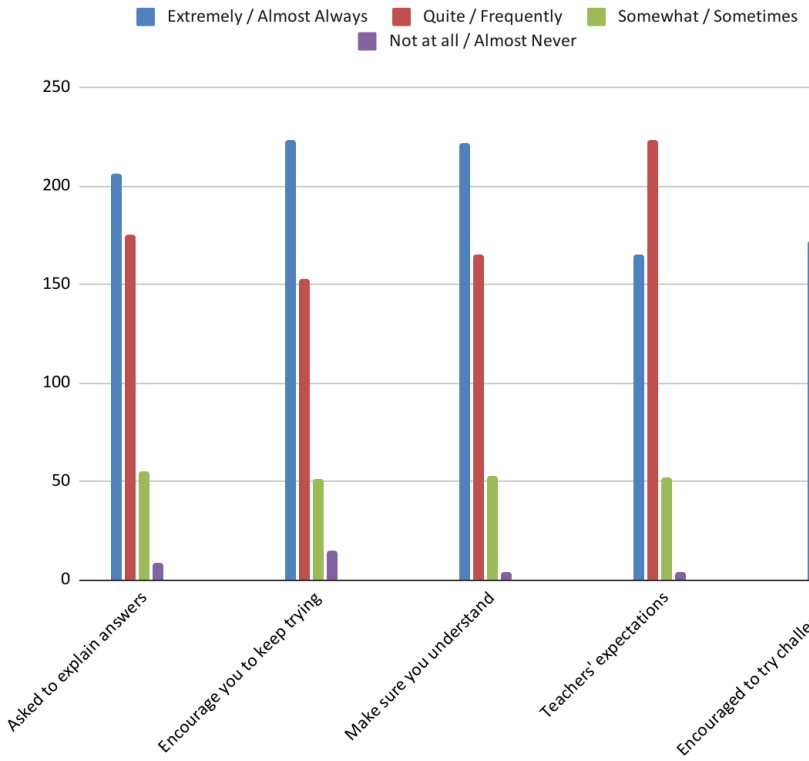
Q2: When you feel like giving up, how likely is it that your teachers will encourage you to keep trying?
- Favorable: 85%

Q3: How often do your teachers take time to make sure you understand the material?
- Favorable: 87%

Q4: Overall, how high are your teachers' expectations of you?
- Favorable: 87%

Q5: In school, how often are you encouraged to try challenging work?
- Favorable: 83%

The visual below further illustrates these student responses by degree of favorability:



Our students were also asked the following 3 questions concerning **school climate**. According to the data, the **school climate** at Mitchell is exceptional:

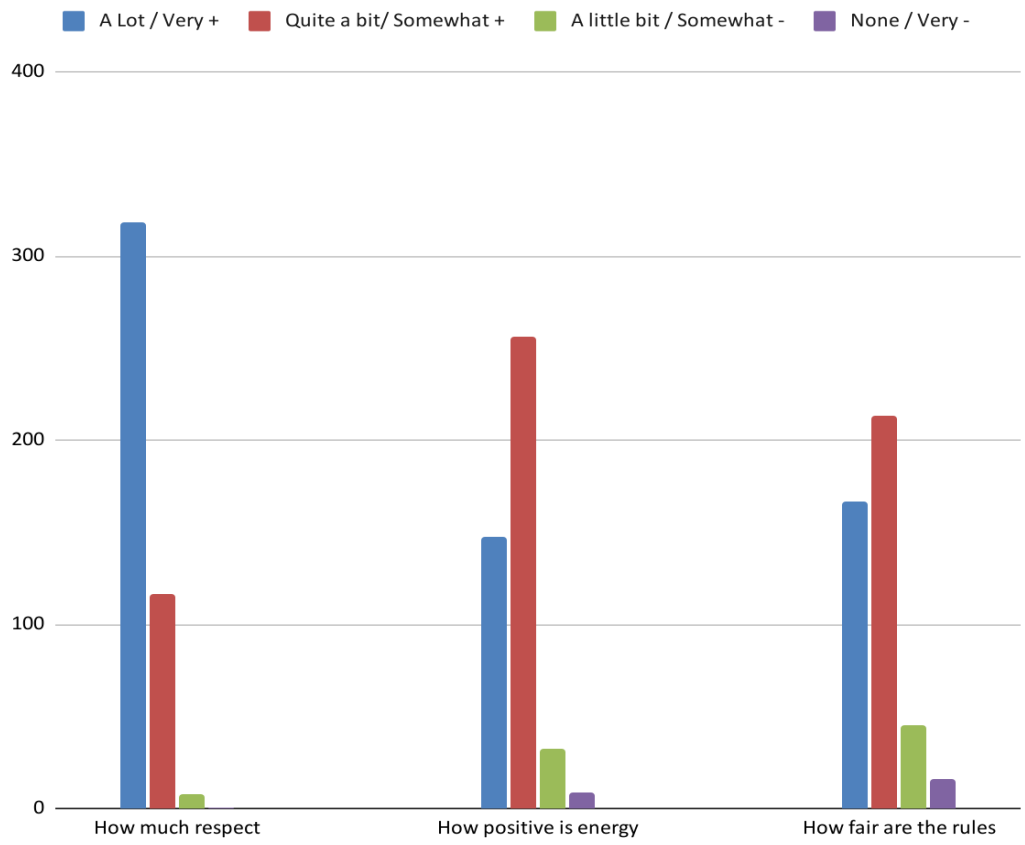
Q1: How much respect to adults show other adults at your school?
- Favorable: 98%

Q2: How positive or negative is the energy of your school?
- Favorable: 91%

Q3: How fair are the rules for the students at your school?
- Favorable: 86%

A graph of these responses further elucidates student response in this category:

PRINCIPAL OF THE GORDON W. MITCHELL



Always a priority, we expect to see favorable responses in terms of **school safety**, and the results from the spring 2023 survey clearly illustrates a strong favorability. The questions and percentages are listed below:

Q1: How often do you worry about violence between peers at your school?
- Almost never / Once in a while: 381/445 = 86%

Q2: If a student is bullied in school, how difficult is it for them to get help from an adult?
- Not at all difficult / Somewhat difficult: 395/442 = 89%

Q3: How often does our school help students settle conflicts (arguments, fights) amongst themselves?
- Almost always / Frequently: 351/442 = 79%

Q4: How often do students at school try to work out their problems with other students in a respectful way?
- Almost always / Frequently: 290/445 = 65%

Q5: How often are students with learning or physical disabilities get teased or picked on in your school?
- Almost never / Once in a while: 389/444 = 88%

Q6: How often do students pick on other students in the hallways?
- Almost never / Once in a while: 399/443 = 90%

Q7: How often do students pick on other students in the classroom?
- Almost never / Once in a while: 402/446 = 90%

Q8: How safe do you feel having a school resource officer in the building?
- Extremely safe / Quite safe: 394/445 = 89%

A personal objective of mine – and one shared by all of Mitchell – is to establish a **sense of belonging** for our students. We want every student to feel appreciated, welcomed, and worthy. We want every student to feel understood by others, supported, connected and respected. Our students feel just that:

Q1: How well do the adults at your school understand you as a person?
- Favorable: 81%

Q2: How much support do the adults at your school give you?
- Favorable: 93%

Q3: How much respect do students at your school show you?
- Favorable: 73%

Q4: Overall, how much do you feel like you belong at your school?
- Favorable: 84%

Q5: How often do your textbooks or class materials include people or examples that reflect your race, cultural background, and/or identity?
- Favorable: 54%

At Mitchell, our beliefs and practices are well-grounded in the fundamental, educational foundation of fostering relationships. Nothing matters more in education, we believe, than the power of building positive relationships. Nothing. When **teacher-student relationships** are formed, teachers teach better, students learn better, and schools perform better. Not only do we make this claim, but we also genuinely live this ideology in both thought and practice on a daily basis. Students were asked:

Q1: How respectful are your teachers towards you?
- Favorable: 93%

Q2: If you walked into class upset, how concerned would your teachers be?
- Favorable: 79%

Q3: When asked, “How are you”, how often do you feel that the teacher really wants to know your answer?
- Favorable: 81%

Based, in part, on this climate-and-culture survey data, in the fall of 2023 we initiated a social-emotional-learning (SEL) curriculum that encapsulates an educational approach to these topics. At Mitchell, we always value elements of well- being such as respect, responsibility, and the importance of building positive relationships. This in mind, while looking to always improve upon school climate and culture, we decided to center our instructional and curricular efforts on a social/emotional concept that encompasses, supports, and further defines all of these elements of well-being. In short, we’ve begun efforts to establish a culture-of-dignity here at Mitchell.
Our guidance department has embarked on weekly SEL sessions – for all grades, and for all students – that focus on the all-encompassing concept of *dignity* - what *dignity* means, and what it means to live in recognition and honor of the inherent worth and value of every person. Here is a sampling of our focus points for each of our lessons - including overview lessons, dignity in an emotional context, and dignity in a social/psychological context:

1. Dignity: What it is
2. Dignity: The 10 Elements
3. Dignity: How to Practice
4. Metacognition
5. Cognitive Load
6. Learned Helplessness
7. Neuroplasticity
8. Emotional Hijacking
9. Emotional Granularity
10. Vulnerability
11. Shame
12. Anger
13. Anxiety
14. Self-Compassion
15. Boundaries
16. Productive Discomfort
17. Frustration Points
18. Self-Regulation & Advocacy

These sessions - adjusted for grade level - evidence our continued efforts to create a *culture of dignity.* Since last report, we’ve expanded upon these conversations and lessons to include a fuller, more school-wide level of participation. We continue to establish concepts of dignity common to us all, to acquire common vocabulary, and to promote common practices to be used in application of what it means to live with dignity.

Complimenting these efforts, our School Resource Officer - Officer Connor - has joined in these efforts, presenting to grades 4 and 6 lessons on personal self-management and general social skills. The curriculum is based on the Botvin Lifeskills Program. As described by the program itself, “this highly effective curriculum has been proven to help increase self-esteem, develop healthy attitudes, and improve their knowledge of essential life skills – all of which promote healthy and positive personal development and mental health.” Our current focus in this pilot year has been on decision-making and social skills. Included below is a sample scope-and-sequence of the lessons:

PRINCIPAL OF THE GORDON W. MITCHELL

Botvin LifeSkills Training

Elementary School Level 3
Grades 5/6– Scope and Sequence

Lesson	Lesson Goals	Key Skills	Class Periods
Self-Esteem	To help students feel better about themselves by taking a broader perspective of what they have already achieved and of what is possible for them to achieve in the future.	Setting time lines; considering short and long-term goals; identifying and assessing risks; group discussion and writing.	1
Decision-Making	To teach students how to make decisions in tobacco-related situations.	Group decision-making; 3-step decision-making; sharing ideas in a small group.	1
Smoking Information	To familiarize students with the many different kinds of tobacco products and teach them that attitudes, norms, and laws about smoking in this country are changing.	Sharing perceptions of tobacco; observing tobacco products; writing; reporting.	1
Advertising	To create an awareness in students of the many techniques and appeals that advertisers use to get consumers to purchase their products.	Discussing names of ad techniques; group "marketing" activity/presentation.	1
Dealing with Stress	To teach students that because stress does not go away, one of the best ways to deal with it is to prevent it.	Time-management, studying, test-taking; reporting to a group.	1
Communication Skills	To teach students the importance of communication.	Discussion, writing, thinking about what is being said; practicing passive and active listening.	1
Social Skills	To teach students ways to deal with conflict in a positive way.	Identifying personal conflict styles and alternatives; conflict resolution; analyzing terms.	1
Assertiveness	To help students learn assertive skills that will enable them to stand up for themselves.	Team role-playing; interpreting terms and applying them to situations.	1
Total Class Periods			**8**

Overall, our work with curriculum and instruction, assessment and data, and inclusivity and social/emotional well-being have driven all of our efforts over these past two years. At Mitchell, we could not be more proud of our efforts in each of these areas of essential education.

In close, it continues to be an honor to join in dedication to the opportunity for each student to fully challenge their intellectual capacity while developing social responsibility and a healthy physical and emotional well-being.

Respectfully submitted,

Matthew J. Paquette
Principal

PRINCIPAL OF THE HIGH

Dear Superintendent Legault,

I am pleased to submit my annual report for the year 2024 as principal of East Bridgewater Junior-Senior High School.

East Bridgewater Junior-Senior High School continues to incorporate data-based instructional support for all staff and students. The administration and faculty continue to work tirelessly to provide the very best academic support structure for the students of EBJSHS.

The FY 24 school year began with 872 students. The breakdown of each class is below:

Class of 2029 (7th grade)	163
Class of 2028 (8th grade)	168
Class of 2027 (9th grade)	133
Class of 2026 (10th grade)	145
Class of 2025 (11th grade)	121
Class of 2024 (12th grade)	142
Total Enrollment	**872**

We had one retiree in 2024 – Maureen Holbrook – World Language Teacher.

To begin the New Year in January, we brought back an old tradition, and hosted a lock-in for our juniors and seniors! This was a huge success and we hope to bring this back each year.

March is a fun and exciting month for the students and staff here at EBJSHS. March Madness activities were held during the week of March 10th followed by World Language Week the week of March 17th, with the final event being Mr. EBHS on Friday, March 22nd. This is always a great time for our students and staff. On March 28th and 29th, East Bridgewater Drama Company presented Mamma Mia! The show was enjoyed by faculty and students and well attended by the community.

In early April, our students were invited to participate in the 2nd Annual KyleCares Conference. KyleCares is a non-profit organization dedicated to promoting open and honest communication about the mental health challenges experienced by teens and young adults in today's society.

On April 5th & 6th, The East Bridgewater Music Parents Association (EBMPA) and the East Bridgewater Music Department proudly presented their POPS Concert. This is the largest event of the year for the Music Department and brings together ALL performing ensembles from grades 3-12.

During April Vacation, we had two school trips one to Spain/Italy and the other to Costa Rica.

On April 29th, Kevin Rosario, Director of Community Outreach for Gosnold Inc., a non-profit provider of mental health and substance use disorder services, presented to all of our students Grade 7-12 and shared openly about his story of addiction

PRINCIPAL OF THE HIGH

207

and recovery. Mr. Rosario is a Nationally Certified Recovery Coach, Family Coach and Intervention Professional and has worked in the field since 2012.

Before proms began in May, we held a mandatory pre-prom presentation for students attending the junior and senior proms. We included a slideshow with expectations along with a letter signed by District Attorney Timothy Cruz, Superintendent of Schools Elizabeth Legault and our Chief of Police Michael Jenkins outlining the risks associated with underage drinking. The Junior Prom was held on Friday, May 3rd, at the Canoe Club Ballroom in West Bridgewater. The Grand March was held at 4:00 PM in the Dr. Judith A. Riordan Performing Arts Center. The Senior Prom was also held at the Canoe Club Ballroom in West Bridgewater on Friday, May 10th.

Thirty-six students of the Class of 2024 received John and Abigail Adams Scholarship letters. These students scored at the *Advanced* and *Proficient* levels on their grade 10 MCAS tests in English Language Arts (ELA), Mathematics and Science AND had a combined score that places them in the top 25% of the graduating class in the district. Senior Awards and Scholarship Night was held on Wednesday, May 22nd. Ellen Pennington from the School Committee welcomed the students and families to what was a very enjoyable event for all. Congratulations to the students that received awards and scholarships.

Graduation was held on Friday, May 31st under the lights of the football stadium. One hundred forty-four graduates, families and faculty enjoyed a wonderful evening.

On June 4th, we journeyed with just over ninety 8th grade students to Washington, D.C.! The students explored World War II Memorial with a picture stop at the Washington Monument, toured the Monuments: Lincoln, Korean and Vietnam Memorials, visited The Arlington National Cemetery, took a walking tour of the Capitol, Library of Congress and Supreme Court. They also had their choice of the following Smithsonian Museums: National History Museum, American History, Hirshhorn Museum and Sculpture Garden. They ended their second evening with a dinner/dance aboard Spirit Cruise on The Potomac River. The students also had the opportunity to take pictures in front of The White House and visited the Daniel's Story exhibition at the United States Holocaust Museum. With eighth grade being the first full year of civics lessons, Washington, D.C. was an excellent way to cap off the year and summarize the main points of the course.

Underclass Awards Night was held on Tuesday, June 11th. This night gave an opportunity for our faculty from each department to honor students in the 9th -11th grades who had excelled in a particular course.

The end of August and start of September is always a busy time as we transition from summer to school days. The first day of school was Thursday, August 29th. Open House for the incoming seventh grade students and parents was held the Monday before school began on the 26th. On September 5th we held our annual Open House/Curriculum Night for all grades. Families started in the auditorium for a quick meet and greet with school administrators, then traveled the school with their student's schedule, moving from class to class. This journey showed a typical two-day schedule for the student. Maps and tour guides were provided. The parents/guardians of all seniors were invited to a college planning night on September 18th. Senior year is filled with many obligations, college deadlines and other things that need to be completed in order to graduate. As the 2024-2025 school year began, we were able to offer our Early College program again. EBJSHS partnered with Worcester State University where college courses are offered for all students

grades 10-12. Students are

instructed by Worcester State professors and earn college credit. Courses were offered in Communication & The Internet, Introduction to Business, and Concepts of Biology. We have also partnered with the East Bridgewater Fire Department offering a Fire Science Academy for students who wish to pursue a career in specializing in fire safety, public administration, emergency management, finance, human resources or public health.

Student Progress Conferences were held on October 2nd, 3rd, and 4th. These conferences enable our staff to meet the parents/guardians and keep the lines of communication open between home and school. It is always a pleasure to see the families here during that time.

Homecoming Spirit Week began on October 7th. The week was full of school events, school spirit, and a rally that was held on that Friday afternoon to cheer on the Vikings. The homecoming football game was played on Friday, October 11th followed by the annual homecoming dance on the 12th. One of the highlights of Homecoming Week was The Homecoming Community Dinner held on October 10th in our cafeteria.

Another highlight of October was having the following fourteen students inducted into Tri-M, our music honor society: William Cifrino, Sophie Coates, Olivia Donovan, Wyatt Francis, Salmata Gabisi, Jae Hartsgrove, Jhazmyne Haynes, Ainsley Hyde, Nayara Miranda, Nicholas Pino, Aliyah Quintana, Brandon Serus, Lily Turner, and Rylie Wasik.

In November, Student Senate hosted another successful community Blood Drive and our 7th & 8th graders held their annual Turkey Bowl to lead us right into Thanksgiving Break!

The following 40 students were inducted into the EBJSHS National Honor Society on December 4th: Isabella Abrams, Leodante Alphonse, Christian Barry, Lainey Berry, Isabella Bright, Serena Caushi, Payton Chelmo, William Cifrino, Sarah Clark, Andrew Conley, Edward Corliss, Emma Farrell, Emily Fernandes, Laruen Furia, Audrianna Furness, Tatum Hansen, Tyler Henderson, Thomas Hennessey, Mia Holmes, Brady Hudson, Connor Kearns, Khaika Lacrete, Ella Land, Emily LaVallee, McKenna Libby, Julia Maguire, Thomas Mahoney, Ava Mavilia, Coleman McCarthy, Brooke Murphy, Abiageal O'Connor, Ainsley Orofino, Jocelyn Parent, Lily Pavidis, Gabrielle Pearson, Margaret Schlossberg, Abigail Simon, Allison Watson, Chloe Wiger, and Jayden Wilson. Mr. Gordon McKinnon represented the school committee to welcome and congratulate the students. Members were given their certificates and pins by Principal William Silva and NHS advisor Marie Principe. The ceremony was followed by a reception for the family and friends of the new members.

The community of East Bridgewater Junior-Senior High School sincerely appreciates the continued support of the town as we consistently provide high quality learning opportunities for all our students. Our young people are heading off to college, the military and the workplace with a keen sense of the effort and mindset that is needed for lifelong success. We are very proud of our students and please do not hesitate to tell them the same.

Respectfully submitted,

William J. Silva, Jr.,

SOUTHEASTERN REGIONAL VOCATIONAL TECHNICAL SCHOOL DISTRICT

The Southeastern Regional Vocational Technical School District consists of a four-year public high school and a post-secondary technical institute. During 2023—2024, the high school offered twenty career majors to students from Brockton, East Bridgewater, Easton, Foxborough, Mansfield, Norton, Sharon, Stoughton and West Bridgewater. The Southeastern Technical Institute offered the following programs: Practical Nurse, Medical Assisting, Dental Assisting, Machine Tool Technologies (Advanced Manufacturing), Cosmetology, Culinary Arts, Electrical, HVAC and Plumbing.

THE DISTRICT SCHOOL COMMITTEE consists of ten dedicated individuals elected from the communities of Brockton, East Bridgewater, Easton, Foxborough, Mansfield, Norton, Sharon, Stoughton and West Bridgewater.

The 2024—2025 District operating budget for Southeastern was $39,269,392. The Southeastern Regional District's enrollment was 1,677 students of which East Bridgewater had 100 students or approximately 6.0% of the total enrollment. East Bridgewater's assessment for 2025 was $1,312,069.

Andrew Heath is the East Bridgewater Representative on the School Committee.

SOUTHEASTERN REGIONAL VOCATIONAL TECHNICAL HIGH SCHOOL

Southeastern Regional Vocational Technical High School is a four-year public high school serving the young men and women from the City of Brockton and the Towns of East Bridgewater, Easton, Foxborough, Mansfield, Norton, Sharon, Stoughton, and West Bridgewater.

At Southeastern this year, students chose from twenty career majors in preparation for life's opportunities and challenges. Our school combines a rigorous academic curriculum with challenging vocational and technical studies to help students realize their full learning potential.

The schedule was designed to have students alternate between academic and technical coursework. This process promotes integration of studies and helps bridge the gap between theoretical and practical experience.

The hands-on approach to learning helped reconnect students to education, and provided the basis for life-long learning–an essential skill in today's highly competitive global market.

Upon graduation, students had the choice of furthering their education in any two or four-year institution, internships, certification programs, military service or going directly into the workforce.

Exploratory Program—The goal at Southeastern is to have students choose a career major that excites them about school and education. Recognizing the fact that many incoming students had not spent much time considering their future, we developed a Freshman Exploratory Program which combines career counseling, career exploration, academic studies, and testing to help students make the right decision. Ninth grade applicants selected several technical areas they wished to explore. The exploratory program consisted of examining many different program areas. Parents were encouraged to participate by asking their child about each program and by attending Freshman Parent Meetings.

The Cooperative Education program provided supervised workplace employment opportunities and learning experiences for qualified high school students. The Co-op program was based on an agreement developed among an employer, a student, and the high school staff. All were eligible to participate in Co-op, provided they met basic qualifications required by the school and employer.

The process began when students were recommended by their vocational education teacher as being ready to work in the trade. These "job-ready" students were matched with an employer who offered work hours in a job related to the student's career program. Students participated in Co-op during their technical-vocational cycles during their senior year and the end of their junior year.

ACADEMICS

~~Southeastern Regional offers a full and rigorous series of academic classes comparable to any~~ comprehensive school. A common misconception about vocational school academics is that they

are "easier" because students are

only here to learn a trade. In actuality, students who attend a vocational school who apply themselves are challenged more extensively than comprehensive school students. Not only do vocational students have the opportunity to gain skills in a specific trade, but they will also be on track to attend a four-year college by working through academic courses.

Small Classes—Our very small class sizes afforded all students the opportunity to be exposed to honors level content and assignments while working in an integrated classroom on the standards in the Massachusetts Frameworks. Academics in a 21st century vocational school were developed to ensure that students who take full advantage of our offerings would have more opportunities for high level jobs and greater success in the future.

Committed Staff—The Academic Department philosophy is that each teacher will strive to create and foster an environment that promotes students' confidence and their motivation to learn. The staff is committed to implementing our standards-based curriculum (in alignment with the guidelines prescribed by the Department of Elementary and Secondary Education). To ensure academic rigor, Southeastern is committed to differentiated instruction and inclusive classrooms because all students have the right to be exposed to the same high-level curriculum. The Southeastern community understands and respects that our students are 21st century learners. Along with implementing traditional reading, writing, math, and critical thinking skills, we continued to be in the educational forefront by accommodating individual student needs, by embracing technology, by fostering skills that support success in vocational areas, and by making efforts to stay current in each field of expertise for the benefit of Southeastern students.

SOUTHEASTERN TECHNICAL INSTITUTE

The Mission of the Southeastern Technical Institute is to transform students into lifelong learners, and transition graduates into entry-level positions within their career field. The Mission and Goals are organized around four core philosophies; the Mastery of Foundation Skills, the Development of Interpersonal Skills, Proactive Student Engagement, and a commitment to Stretch Learning Initiatives.

In the past 56 years, Southeastern Technical Institute has provided training in several vocational areas, constantly striving to meet the training needs of our students and area businesses. This year, the Technical Institute offered the following programs: Practical Nurse, Medical Assisting, Dental Assisting, Machine Tool Technologies (Advanced Manufacturing), Cosmetology, Culinary Arts, Electrical, HVAC and Plumbing. In addition, there were several evening part-time programs designed to meet the training needs of our community.

In 2018, STI began offering Dual Enrollment which is a partnership with in-district high schools that enables high school seniors to attend STI during the last semester of their senior year. After graduating high school, students continue in their selected program and graduate from STI within six months to one year with industry certification.

The STI participated in the Southeastern Regional School District's Program Advisory Committee, advising, assisting and supporting school personnel to improve planning, operation and evaluation of a program area, based on adequate and timely information as to workforce and job development demands or job market trends, technological developments, training alternatives and other factors affecting the quality of the programs. The Committee consisted of representatives of local business and industry members related to each program, organized labor, post-secondary institutions, parents and guardians, students and representatives for registered apprenticeship programs, if applicable.

CLASS OF 2024 EAST BRIDGEWATER GRADUATES

Dylan Amaral, Nathan Anderson, Marlon Barbosa, Caden Brasill, Isabella Burke, Kyle Cameron, Julianna Chisholm, Brendan Cooper, Maria Copello, Ash Culp, Brady Gerstel, Catalina Grant, Jordan Hanlon, Judek Kozuch, Payton Lee, Thomas Leger, Trevor Lodge, Desiree McMaster, Matthew Milne, Darren Spencer, Benjamin Thomas, Joseph Tully, Jr. and Paul Wolfe.

SCHOOL

To the honorable Select Board and the citizens of East Bridgewater:

It is my honor to submit this 2025 annual report as the Chair of the East Bridgewater School Committee. Our committee consists of: Gordon McKinnon, Chair; Rebecca Fidler, Vice Chair, Ellen Pennington, Secretary; Peter Furia; Amy Berry and Dan Picha. As a committee we are responsible for: budget, policy, and superintendent oversight.

Budget:

We are projecting our 2025 fiscal year expenditures to be at or under our budget. Our revolving accounts remain strong totaling over $2 million.

All contracts scheduled for renewal were successfully renegotiated this year, apart from the teachers' contract, which is currently undergoing negotiation.

The process to create the budget for 2026 has been a collaborative effort that has included the superintendent, the assistant superintendent, the business manager, the budget subcommittee, the town administrator, town accountant and a representative from the Finance Committee.

Policy:

Our policy committee has been busy bringing our policies up to date with the standards set by the Massachusetts Association of School Committees.

Superintendent:

We are in the second year of implementation using a software program designed to make the superintendent evaluation process more efficient and effective. The superintendent goals included: budget development to support our strategic plan, improved student performance, professional development, and a Diversity, Equity, and Inclusion audit of the district.

Projects and Initiatives:

Completed Capital Project:

- Football field turf

replacement Ongoing Capital

Project:

- Central School building project with the Massachusetts School Building

Authority (MSBA) New Capital Project:

- Mitchell School roof and window replacement project with

the MSBA New initiatives:

- Implemented a system to onboard new members that includes meeting with the chair, superintendent and business manager as well as receiving the Role of the School Committee and School Committee Challenge documents when “pulling papers” at the Town Clerk’s office.
- Improved our list of subcommittees to include responsibilities and estimated meeting schedules.
- Changing our monthly meeting schedule to once per month to allow time for

subcommittee work. Respectfully,

Gordon McKinnon
East Bridgewater School Committee, Chair

EDUCATION – SCHOOL COMMITTEE

SPECIALIZED

The Special Education Department has the responsibility of implementing the legal guidelines set forth by the Individuals with Disabilities Education Act (IDEA, 2004) and the Commonwealth of Massachusetts Special Education Regulations (603 CMR 28.00). The primary responsibilities of the Department include identifying students with educational disabilities in East Bridgewater, develop and oversee Individual Education Programs (IEPs) in order to support students' needs while working with the district's general education staff in order to promote inclusive classrooms in our schools for all learners.

The East Bridgewater Special Education Department offers a continuum of special education services that allows our staff members to meet students' diverse and individual needs. The continuation of services allows our students to stay connected and make progress within the East Bridgewater community. From three years old through twenty-one years old, the district offers inclusion support within the general education classroom, direct instruction in a separate setting, therapeutic classrooms to support students with social-emotional needs, and an Access Program to support students who need functional academic and life-skills instruction. The district provides services in speech therapy, occupational therapy, and physical therapy for students who need support in those areas. Language-Based Learning classrooms are located at the Gordon W. Mitchell School and at the East Bridgewater Junior/Senior High School to support students who have Language- Based needs.

The East Bridgewater Special Education Parent Advisory Council (SEPAC) serves as a resource for all parents/guardians and members of the community when it comes to advocacy, support, training, and networking opportunities for children with disabilities. Yearly, the SEPAC provides a workshop on Basic Rights for parents and guardians of children with disabilities. For additional information on SEPAC, including contact information, please see the district's website.

The East Bridgewater Public Schools currently provides services to 421 students through an Individualized Education Program (IEP). The percentage of students receiving services via an IEP is approximately 19.5% of the entire school district population, which is below the state average of 20.5%. The breakdown of the student population receiving special education services at the mid-point of the 2024-2025 school year is as follows:

In-District Special Education Student Enrollment by building:

Central Elementary School	121
Gordon W. Mitchell School	121
East Bridgewater Jr/Sr High School	147

Out-of-District Special Education Student Enrollment:	25
Service Only Student Enrollment	7

The Special Education Department seeks to work closely with families and community institutions in the Town of East Bridgewater. To obtain more information regarding programming or to find appropriate contact information, please visit the East Bridgewater Public Schools' homepage and access Special Education and Pupil Services under the heading Departments and Services.

Respectfully Submitted,

John Phelan
Director of Special Education

The East Bridgewater Public School District, in partnership with the community, creates an academically challenging, safe, and supportive learning environment that promotes the pursuit of excellence for all.

Gina E. Williams, Ed.D.
Assistant Superintendent 143 Plymouth Street
508-378-8200

Dear East Bridgewater Community Members;

We are pleased to share the highlights of our accomplishments and the ongoing commitment to providing a high-quality education for all students in East Bridgewater. As we come into the final year of our three year strategic plan, we focused on three core pillars: social-emotional wellness, strong instruction, and rigorous monitoring and assessment of student learning.

Strategic Plan Update: Building a Foundation for Success

- **Social-Emotional Wellness:** We continued to prioritize the holistic well-being of our students. Recognizing the increasing need for mental health support, we invested in **Care Solace**, a third-party vendor that connects families with mental health resources and counseling services. This partnership has proven invaluable, allowing our school counselors to focus on proactive approaches to fostering a positive and supportive learning environment.
- **Strong Instruction:** Our dedicated teachers continued to implement innovative and engaging instructional strategies under the Universal Design for Learning model, which helps to break down learning barriers and ensure that all students have access to a challenging and enriching curriculum.
- **Monitoring and Assessing Student Learning:** We strengthened our systems for monitoring student progress and assessing their understanding of learning. This data-driven approach through iReady allows us to identify areas for growth and provide targeted support to ensure every student reaches their full potential.

Central School Building Project: Investing in Our Future

We are thrilled to report significant progress on the Central School building project, in partnership with the Massachusetts School Building Authority (MSBA). The following committee members have dedicated their time and expertise to this critical project:

Mrs. Carole Julius, Select Board
Mr. Charlie Seelig, Town Administrator Mr. Daniel Picha, School Committee
Mr. Gordon McKinnon, School Committee Mr. David Walsh, Finance Committee Mrs. Melanie Dean, Town Accountant Mr. John Haines, DPW Director
Mr. Brian Kiely, Facilities Manager Ms. Elizabeth Legault, Superintendent
Dr. Gina Williams, Assistant Superintendent Mr. John Shea, School Business Administrator Mrs. Kate

Byrne, Central School Principal Mrs. Dagny Fleming, Central School Teacher
Mrs. Meghan McLaughlin, Central School Parent Mr. Donald McDougall, Central School Parent Mr. Joseph Rodericks, Community Member
Mr. David Horton, Community Member

EDUCATION – SUPERINTENDENT OF SCOOLS

Work began last spring, and we have successfully completed the feasibility study and moving through the schematic design phases. We will be preparing for a town meeting in late fall 2025, to seek approval for funding.

We encourage all community members to stay informed about this important project. You can follow the project's progress on the town's website and attend our public forums and community events. Your input and participation are vital as we work together to create a modern and inspiring learning environment for our students.

Community Partnerships: A Shared Commitment to Success

We extend our sincere gratitude to the East Bridgewater Department of Public Works (DPW), Police Department, and Fire Department for their unwavering support. Their dedication to ensuring the safety and well-being of our students and staff is invaluable. We are truly fortunate to have such strong partnerships within our community.

Enrollment Figures:

- Central School: 532
- Gordon Mitchell School: 614
- East Bridgewater Junior/Senior High School: 872
- Total District Enrollment:2018

The East Bridgewater Public Schools are committed to providing a high-quality education that prepares our students for success in the 21st century. Supporting our schools means investing in our future.

Thank you for your continued

support. Sincerely,

Dr. Gina E. Williams
Assistant Superintendent of Schools

The East Bridgewater Public School System is committed to ensuring that all of its programs and facilities are accessible to all members of the public. We do not discriminate on the basis of age, color, disability, national origin, race, religion, sex, sexual orientation, gender or gender identity, homelessness.

The contents of all East Bridgewater school publications are available upon request in languages other than English.

ARTS

To the Honorable Select Board and Citizens of East Bridgewater.

The East Bridgewater Arts Council (EBAC) meets the third Thursday of the month in The East Bridgewater Town Hall. Meetings are generally not held in the months of January, February, June, July and August unless event planning requires it.

The council evaluates cultural needs and establishes priorities in order to perform its primary function of distributing grant funds allocated to us by the Massachusetts Cultural Council. We encourage all teachers, parent councils, libraries, senior centers, artists, historians, humanities and musical groups to apply to the EBAC through the Massachusetts Cultural Council: https://massculturalcouncil.org/communities/local-cultural-council-program/application-process/

Our local guidelines are based on and exist in addition to the Massachusetts Cultural Council State Guidelines, which are found in the LCC Program Guidelines of the MCC.

1. East Bridgewater (EB) based applicants will be given preference over out of town applicants. Funded events should take place in East Bridgewater, or at least be easily accessible to EB residents.

2. Applicants must provide written documentation of a confirmed request for the performance, or a confirmed venue and/or date, from the sponsoring organization.

3. Projects must demonstrate a relationship to the town; they must show a direct benefit to EB residents.

4. Proposals from schools, libraries and municipal agencies: only enrichment projects utilizing outside professionals are allowed, due to the No Substitution criteria found in the state guidelines. All applicants proposing to work in the EB public schools must receive and document approval from the Superintendent of Schools or the building Principal.

5. Funded activities and events must take place in locations that are accessible to persons with disabilities including the content of the program.

6. The track record of the applicant will be strongly considered.

7. Non-Dependence: Since the local council funding is not intended to be used as the sole source of funding for projects of a continuing nature, the Council will carefully scrutinize repeat requests. The LCC may consider awarding graduated, decreased funding to any applicant and/or organization that seeks funding for similar type projects on an annual basis. Receipt of LCC funding in the current granting year does not guarantee funding in subsequent years.

8. Applicants who apply for grants for projects that have already taken place (from July 1 of this year onward), do so with the knowledge that funding is not guaranteed.

Various programs were funded through the EBAC: Music performances, Art classes for old and young, Cultural Book Club meetings, Online or Cable Access viewings of Music performances, Museum outreach programs and Special Needs Advocacy.

Elijah T. Grasshopper provided a wonderful children’s program at a local preschool! And at the Fuller Craft Museum, great programs like “Crafts for Kids” happen all the time.

Elijah T. Grasshopper & Friends™

Fuller Craft Museum

HISTORICAL

To the Honorable Select Board and the Citizens of East Bridgewater:

Our Commission met at the Town Hall on the fourth Monday of the month from January to July at 6:30 pm in whatever meeting space was available. In August we changed our meeting time to 6p.m. The Commission consisted of Chairman Dale Julius, Vice-Chairman Alexandra Waugh, Treasurer Norma Callahan, Secretary Lois Nelson, Members Josh Sampson and Dee Dee Rogers, and associate member Kathleen Cavanagh. Dee Dee was a new member as of August.

In March the commission lost its file storage and work space at the library due to the repurposing of the historical room. To date we do not have a readily available replacement.

As a Commission we are required to review all demolition requests involving properties over 75 years old. In 2024 there were three such requests. In March we considered the property at 457 Bedford Street, in September the property including two structures designated 1960 and 1972 Plymouth Street, and in December the property at 505 North Central Street. All structures were in very poor condition with no significant histories, and we voted to allow the demolitions.

Our work at the Old Graveyard continues. Colonial Stone of Kingston did more restoration and cleaning of our old stones. The DPW, which oversees mowing and landscaping, also cleared significant brush on the property line.

We have not yet completed the pedestal sign project started during the Bicentennial Celebration, but it is a work in progress.

The Commission remains committed to our charge of identifying and protecting the town's historical assets.

Respectfully

submitted Lois Nelson,
Secretary East Bridgewater Historical Commission

Years ago a series of post cards featuring scenes of East Bridgewater were printed. These four cards (of many in our possession) show the original Town Hall, the Westdale Post Office, the train station and a scenic view of the Carver Cotton Gin from the Satucket River. The Historical Commission is always happy to receive these small reminders of our town's "…good old days"!

HISTORICAL

INFORMATION

The Information Technology Department (IT) had another busy year in FY25. In addition to the regular tasks required to provide service to all town departments and personnel, IT completed/began the following projects in 2023:

- The migration of Police and Fire to the Holbrook Regional Dispatch Center.
- Installation and deployment of a new town-wide backup system.
- Participated in cyber training across all town departments, through a state grant award.

- Ryan McGonigle, Director of Information Technology

LIBRARY

LIBRARY

As a community hub, the East Bridgewater Public Library (EBPL) provides a dynamic space for patrons of all ages to access books and technology, study and meet, and explore their creativity. Toddlers make their first friends while sharing toys in the Children's Room, families head to the library on Friday afternoons to build Legos and find clues for the monthly Scavenger Hunt, middle schoolers mingle over ice cream on the porch, and high school students compete at games in the Teen Zone. Adults studying for exams reserve the Lucy Siddall Small Meeting Room, and tutors mentor students in the Millet Room. Patrons near and far flock to the three annual Friends of the Library Book Sales and the Friends' ongoing Book Sale on the 2nd Floor. Community Groups hold meetings and training sessions in the Community Room, and adults relax at art programs, cooking workshops, and yoga classes in the evenings and on Saturdays.

In 2024, the Town made a huge commitment to ensure our future sustainability by replacing the 1978 flat roof and HVAC and repairing the historic 1896 slate roof. As part of this capital project, the Teen Zone was renovated with a bright new ceiling, lights, and fresh paint and carpet. Although the Teen Zone was closed from March 20- August 12 for repairs, the community has been thrilled with the improved space.

The library also gained semi-private quiet study spaces in 2024. For years, patrons have been asking for a place to hold study groups, go on virtual job interviews, and attend telehealth appointments. The library converted our History Room into the Lucy Siddall Small Meeting Room to accommodate this need. The Library Trustees scrubbed the floors and oiled the wooden shelves, and the Town installed a glass door, painted and carpeted. Since March 2024, when this Room became available for individual and small group booking, it has been reserved and used on a walk-in basis daily. The library also gained a sound-dampening individual Study Pod, which patrons use to take quick phone calls, and plug-in devices to work in a silent space.

Library programs continue to be as popular as ever! In the summer of 2024, 112 patrons participated in our Adult Summer Reading Program. The Friends donated prizes including a Kindle Fire, Sophie's Italian Food gift card, and a Stephen King book. Black Hat Brewery also donated a gift card for a prize drawing. The Youth Services Department combated summer learning loss through Children and Teen Summer Reading Programs, which totaled 311 participants. New library programs in 2024 include Messy Mondays, Little Learners, Ms. Ari's Family Sing-a-long, Teen Anime Club, Therapy Dogs, Yoga at the Library, Oncology Yoga, and Adult Craft Night.

Respectfully submitted,

OLD COLONY PLANNING

To the Honorable members of the Select Board and the residents of the Town of East Bridgewater.

As your representatives to the Old Colony Planning Council (OCPC), we are pleased to present this report on behalf of the Council for 2024.

The Old Colony Planning Council was established in 1967 by state statute and is authorized to prepare plans for the physical, social, and economic development of the seventeen-member district. OCPC is designated as; an Economic Development District by the U.S. Department of Commerce for the coordination of regional economic development activities, and the Area Agency on Aging (AAA) by the Executive Office of Elder Affairs to plan, manage and coordinate elder services in a twenty-three-community service area. OCPC is the designated staff of the Old Colony Metropolitan Planning Organization (OCMPO) to plan and program transportation and transit improvements for the region.

In addition to the above-designated responsibilities, the Council also assists its member municipalities with technical planning, grant application preparation and current local and regional socioeconomic information. Learn more about OCPC in our 2023-2024 Annual Report here.

Our Mission
At Old Colony Planning Council, we assist cities and towns in planning for present and future needs, utilizing our local
knowledge, technical expertise, and regional collaboration for all.

Our Vision
Our vision is that communities in the Old Colony region are:

- ***Resilient***, using social, economic, and environmental resources to respond to, withstand, and recover from adverse situations brought about by natural disasters or economic downturns.
- ***Sustainable***, the needs of all people and the natural environment are met now without compromising the ability to
  meet those needs in the future.
- ***Equitable,*** social, economic, and environmental opportunities exist for all.
- ***Connected***, everyone has accessible, affordable, and sustainable mobility choices.
- ***Responsive***, planning efforts are inclusive and reflect the diverse needs of all.
- C***ollaborative***, cooperating regionally to tackle common challenges.

Our Organizational Values
PLANNING FOR ALL
We strive to be fair, impartial, inclusive, and transparent in all we do. Celebrating diversity, we prioritize engaging those who may be underrepresented in planning efforts. We aim for authentic, empowered public participation.
THINKING AHEAD
We look to the future as we help address challenges and seize opportunities across the region. Whether it is a time-tested solution or innovative new approach, communities rely on our technical expertise and local knowledge to help develop solutions.
PARTNERING WITH COMMUNITIES
We highly value our partnership with the communities in our region. We are responsive to their needs and seek to facilitate regional cooperation and collaboration on shared issues within our region and with our neighboring regions.
SERVING WITH DEDICATION
We are passionate about the work we do in service to our communities, and we strive for excellence as we do it. We are
motivated to help our region excel socially, economically, and environmentally.

OCPC Area Agency on Aging Department Contributions:

During the past year, with assistance and guidance from community advisory committee members, the Old Colony Area Agency on Aging (AAA) continued ongoing administration of Older Americans Act and other Federal and State funding for older adult services in our region. In federal fiscal year 2024, the AAA

funded over $2 million in services to adults aged 60 and over and adults with disabilities. This funding occurred mainly through collaborations with community partner service

OTHER – OLD COLONY PLANNING
COUNCIL

providers such as Old Colony Elder Services, South Coastal Counties Legal Services, BAMSI, local Councils on Aging (COAs), and other non-profit organizations. This included provision of programming for Nutrition, Legal Assistance, Transportation, Family Caregiving, and other services for older adults in the region. In 2024, OCPC provided Older Americans Act funding for mileage stipends for volunteer drivers from the East Bridgewater COA.

One of the Area Agency on Aging's other responsibilities is to create an **Area Plan on Aging** for our region once every four years. The Area Plan on Aging is a blueprint of priorities for older adult services established by federal, state, and local authorities, currently covering federal fiscal years 2022 to 2025. The Area Plan, which includes a link to the Old Colony Regional Elder Needs Assessment survey, can be found here. In late 2024, the OCPC AAA embarked upon an update to the Area Plan and Elder Needs Assessment, which will be used for federal fiscal years 2026 – 2029. The new Area Plan is expected to be available later in 2025.

*Note – During 2024 the **OCPC-AAA Ombudsman Program** provided coverage to 27 Long Term Care (LTC) homes in the OCPC catchment area, as well as about 65 Assisted Living Residences (ALRs). The ALRs also operate in an extended area that also includes parts of Briston County as well as the Cape and Islands. The mission of the Ombudsman program is to advocate for the rights of residents and their families. The OCPC-AAA Ombudsman program was one of only four organizations across the Commonwealth, which hosted both Long Term Care and Assisted Living Residence Ombudsman services.

For more information on AAA initiatives, contact David Klein at dklein@ocpcrpa.org.

OCPC Transportation Department Contributions:

The Transportation Department has conducted and prepared reports and studies to help identify needs within the town including the **FFY 2025-2029 Old Colony Transportation Improvement Program (TIP)**. The TIP serves as a prioritized listing of highway, bridge, and transit projects for implementation during the next five (5) federal fiscal years that reflect the needs of the regional transportation system. Funding for the implementation and construction of the following projects in East Bridgewater are included in the TIP:

- $1,388,781 for the East Bridgewater - Bridge Replacement, E-01-010 (BVT) Pond Street over Satucket River (613306)
- $4,060,000 for the East Bridgewater - Intersection Improvements at Highland Street and North Bedford Street (Route 18) (611976)

Also prepared, was the **FFY 2025 Old Colony Unified Planning Work Program (UPWP)**, which is a one-year budget and planning document that lists the research projects, funds technical assistance, and other activities the transportation staff will undertake over the upcoming federal fiscal year (FFY). These projects provide insight and recommendations to our municipal and regional partners, generate new data, and help shape concepts for the region's transportation future.

The Transportation Department and BETA Group continued development of a Safe Street for All (SS4A) Regional Action Plan. The purpose of an Action Plan is to develop a holistic, well-defined strategy to prevent roadway injuries and serious injuries. Focusing on reducing and eliminating serious-injury and fatal crashes affecting all roadway users, the Action Plan will utilize data analysis to characterize roadway safety problems and strengthen a community's approach through projects and strategies that address the most significant safety risks. Through the Action Plan, communities will be eligible for SS4A Implementation Grants to leverage federal funding to implement strategies. With the SS4A Regional Action Plan under development, communities can apply for Demonstration Grants through the USDOT.

OCPC GIS Department Contributions:

The GIS Department created maps for East Bridgewater's Master Plan and Open Space and Recreation Plan. GIS staff also assisted with drone flights to identify areas of flooding caused by beaver dams. East Bridgewater's up-to-date demographic, housing, transportation, and economic data was featured on our new Community Data Portal, available on our website.

For more information on GIS projects, contact Andrew Vidal at avidal@ocpcprpa.org.

OCPC Comprehensive Planning and Sustainability Department Contributions

Within the Comprehensive Planning and Sustainability (CP&S) Department, our goal is to create a welcoming sense of place with diverse housing options, connectivity, vibrant spaces, amenities, and jobs that support a robust economy. This is done through technical assistance to our member communities through the District Local Technical Assistance (DLTA) program. This competitive grant program requires a cash investment from the community to complete projects within the focus area. Projects can include Comprehensive Master Planning, Housing Production Plans (HPP), MBTA Communities compliance, Age & Dementia Friendly Action Plans, Facilitation and Public Engagement, Grant Assistance and Project Management, Hazard Mitigation and Municipal Vulnerability (MVP), Open Space and Recreation Plans (OSRP), Climate Action Planning, and Zoning and Land Use Technical Assistance. Our mission is to meet the current needs of all people and the natural environment without compromising the ability to meet future needs.

This past year, CP&S worked with all 17 communities on an **Economic Development Administration Regional Water Plan** being developed for the Old Colony Economic Development District to develop a regional plan to address Old Colony's sustainable, economically resilient public water supplies. This plan will help ensure municipalities and the region have affordable, safe, plentiful, and ecologically sustainable water supplies for generations. All regional municipalities and the largest chambers of commerce, watershed associations, and other stakeholders support this collaborative initiative. Solutions to address the sustainability of public water supply systems will be identified, including infrastructural improvements, and implementing good water management practices. In particular, the study will focus on solutions that help ensure affordable public water supply and ecological resilience. A steering committee of representatives from municipalities, watershed associations, chambers of commerce, the business community, the public, and others will help guide the two-year process. This is an interagency project (see Economic Development Department below).

The ***Regional Energy Planning Assistance (REPA)*** program seeks to augment municipal capacity to 1) participate in the Green Communities Designation and Grant Program and 2) advance clean energy projects in under-resourced municipalities. OCPC supports East Bridgewater under this program to submit Green Communities Annual Reports, present Annual Reports to municipal officials, and conduct regional capacity building and regional project implementation through May 2025.

In 2024, East Bridgewater contracted OCPC to write a **Master Plan** for the town spanning 2024-2034. The Master Plan allows the town to prioritize the needs of the community over the next 10 years addressing concerns across many categories including housing, transportation and open space. The plan pairs demographic data, town department initiatives and public input to create a series of objectives and goals for the community to strive for and use as a tool to guide decision and policy making. The public was involved through the formation of a steering committee, a digital and physical survey, three public meetings, and a two-week final comment period prior to the plan's completion. The Planning Board formally accepted the plan in June 2024.

For more information on Comprehensive Planning & Sustainability projects, contact Laurie Muncy at lmuncy@ocpcrpa.org.

OCPC Economic Development Department Contributions

OCPC has contracted with the Town of East Bridgewater to develop the **East Bridgewater Business Assistance Program (EBBA)**. The project includes assist town with establishing an economic development/business assistance page, establishing an online town-wide business inventory, developing a business survey in association with the East Bridgewater Business Association to determine needs, priorities and related issues, identify and creating an inventory of priority development sites for commercial and industrial development opportunities, develop a business resources guide, create marketing material and branding options, provide best practices for encouraging and drawing patrons to the town center. Project completion is expected in late 2025.

The Department was able to secure EDA matched with Mass Works funding for the $10 Million **East**

OLD COLONY PLANNING

Bridgewater Sewer Extension Construction to extend sewer from Brockton to the Route 18 industrial corridor. The project leverages $100

OTHER – OLD COLONY PLANNING
COUNCIL

Million in private investment and over 700 new jobs. Currently the Project is ongoing with expected completion in the fall of 2025.

The Economic Development element under the **Master Plan** was prepared by the department. This was an interdepartmental project between Economic Development and Comprehensive Planning Departments

The Economic Development Department is work closely with Comprehensive Planning and Sustainability to manage the overall $940,000 with a $470,000 **Economic Development Administration (EDA)** funding match for the **District-wide Regional Water Study,** see Comprehensive Planning and Sustainability section for more details on the Regional Water Study.

OCPC has continued work towards a **$500,000 Environmental Protection Agency (EPA) Brownfield Site Assessment Grant** received in 2023. This assistance is available **region-wide** to all communities in OCPC's district. The grant includes brownfield site assessment and planning for future cleanup and redevelopment over a 4-yr project schedule.

$150,000 in funding was awarded for an **EDA Regional Commercial & Industrial Site Inventory Project**. The project will provide region and communities with potential sites for development, redevelopment and expansion potential designed to position sites/areas for future EDA funds application both planning and construction projects in support of economic development i.e. private investment, jobs and tax benefits.

OCPC completed an **EDA Data Dashboard and Regional Economic Development Assessment Tool Project** in June of 2024 and is comprised of two components. The dashboard provides data and information on population, housing, economy, and transportation including relevant subcategories. All information is displayed in a user-friendly tableau format. The assessment tool is designed as a matrix to identify common tools communities can utilize to encourage and support economic development.

OCPC received the third year of a 3-year funding cycle for the **EDA Annual Planning Grant** that provides economic development planning, project development, and other TA assistance to all the communities in the OCPC District. The grant essentially allows OCPC to implement the Comprehensive Economic Development Strategy (CEDS), the region's economic development plan benefiting all seventeen communities in the District, including the Town of East Bridgewater.

For more information on Economic Development projects, contact Don Sullivan at dsullivan@ocpcrpa.org.

One delegate and one alternate member represent each member community of the Council. The Council members establish policy, develop the work program, and employ and oversee the activities of the professional staff. The Council meets on the last Wednesday of each month at 6:00 PM in the OCPC offices located at 70 School Street, Brockton, MA. Our website is www.oldcolonyplanning.org. In 2024, the Council elected Pembroke Delegate, Rebecca Coletta, as President; Whitman Delegate, Noreen O'Toole, as Vice President, and At-Large Delegate, Christine Joy, as Treasurer. We would like to provide a special thank you to Frank Staffier of Avon for serving as Interim Treasurer when we needed someone to fill the position for a short time. Mary Waldron serves as Executive Director of the Council.

The Council gratefully acknowledges the generous support and cooperation of its member communities and the participation and involvement of the many individuals who participate as members of committees. Special thanks to the Joint Transportation Committee (JTC) Chair Noreen O'Toole and Vice-Chair Daniel Salvucci; Comprehensive Economic Development Strategy Committee (CEDS) Chair Bob Rulli and Vice-Chair Jason Hunter, and the Area Agency on Aging Advisory Committee Chair Emily Williams for their commitment, dedication, and leadership during the past year. The Council also recognizes the work of local boards and commissions and the government agencies, public and private institutions and individuals who assisted the Council in its efforts.

Respectfully submitted,

Peter Spagone, Jr.,
Delegate John Haines,
Alternate

RECREATION

To the honorable Select Board and the citizens of East Bridgewater.

The Recreation Commission meets normally once a month at the Town Hall every third Thursday at 7:00pm. Meetings are open and posted a week prior, anyone with business for the commission will be allowed to voice their questions or concerns.

The Recreation Commission was established for the purpose of promoting, planning, organizing and coordinating recreational activities in town. The commission has multiple sub-committees including:

-Christmas Parade.

-Friends of EB Trails.

-Capital improvement.

-Strongs field.

The Christmas Parade and Friends of EB Trails sub committees meet on their own and report to the commission. There are many members donating many hours to make this town better.

In 2024 the commission finished off the Church Street – Silva Field improvements. Currently the town has multiple basketball and pickleball courts to utilize throughout the year.

Dale and the Dud's are always a staple on the common in the summer – always a great turnout from the community! 2024 was another win!

The Recreation Commission remains committed to sustaining our assets throughout the town and promoting community involvement. Fields on Strongs Avenue, Church Street and Belmont Street including all assets will always be a top priority.

In 2025 the committee will be researching new ideas to move the town forward recreationally.

Respectfully

submitted, Tom
